Foreword

Another year in the life of PHS is almost over. For some it is the last year. With graduation comes one of the most important steps in a student's life. How and in what direction a student takes this step will certainly have been influenced by the environment of our high school - its activities, students, and teachers.

High school is, in a sense, a pathway to the future. For those who have really been a part of PHS, this pathway will definitely be a memorable one. How often we have heard our parents say, "Enjoy your high school years, for you will remember them as the best years of your life!"

The Ebb Tide Staff hopes this book will help you remember this year, 1963-64, a little bit better.

The Senior Class of 1964 has many warm memories of the past school years, and especially of our senior year. Who will ever forget the fun we had on the Senior Trip, the poor peacocks, the donkey carts, and the gorilla at the zoo! Most memorable of all is the famous line from the Senior Play - "Okay, lady!"

Our class has done well in many fields, achieving honors in music, athletics, science, agriculture, and home economics. Twelve seniors were members of the National Honor Society.

We hope after we leave Palacios High School we will use what we have learned to live happy and successful lives.

The setting for this play was the big business world of New York City. The story centered around the problems created by a party line shared by Jan Morrow, interior decorator, and Brad Allen, song-writer and playboy.

The Senior Class enjoyed presenting the play and no one will ever forget the famous line, "O.K., lady!"

Hey, Mac!

Is anybody in it?

Gotcha! The moose is out!

What girl will I name this after?

Where does it say that?

Howdy, Ma'am.

Pretty soon we'll have phones you don't even have to dial!

- Friendship

The Junior Class of 1963-64 consists of sixty members. We are very proud to say that four are members of the National Honor Society, six are active in the Future Teachers of America, and a new club was started by Juniors. Jennie Bearse and Ralph Brown were elected favorites by the Junior Class. Jennie also represented our class as Homecoming Princess.

The boys were very active in sports this year, with eleven A string players. Ricky Conrad, Robby Shelton, Douglas Kubecka, and James Gibson were elected to the all-district team. During basketball season Ricky, James, Robby, John, and Charles placed second in district. Sandra and Helen made all-district girls' basketball.

We will leave our 1963-64 Junior year with a feeling of accomplishment. We only hope we will do as well as seniors in 1964-65.

Our Class?

Junior Prophecy

Joan Carroll Allen, with a laugh like an owl, will spend her life behind a plow.
Johnny Alton, who is really very quiet, will end up being a comedy riot.
Norma Barber, the star of the senior play, will make her fortune pitching hay.
Our fine friend, Carla Barrett, will live her life in a dingy old garret.

The Sophomore Class of 1963-1964 was very proud to have five lettermen and four reserves in football, plus a letterman in basketball.

We had twelve probationary members in the National Honor Society, and two members in the Future Teachers of America. The newly organized Future Nurses Club was very fortunate, we think, in having twenty-one members from the sophomore class, three of whom were Wanda Laurence, secretary; Margaret Herlin, social director; and Molly Garcia, finance.

Our Christmas party consisted of the exchanging of gifts following the serving of refreshments. Needless to say, all had a most enjoyable time.

We have learned much and have had a fun-filled and memorable year and we hope to have many more not only in school but throughout our lives.

FTA Play

The Future Teachers of America is a club dedicated to helping students decide on a teaching career. Although this was only its second year of organization, the FTA participated in many activities. Several members attended the district convention in Edna in October. During National Education Week the FTA gave an assembly program consisting of a short play written, directed, and acted by FTA members, and a speech by Mr. John Louderback, counselor at Palacios High School. In November the teachers were honored with a tea, and in April the FTA honored the retired teachers with a tea. On May 3 the senior members of the FTA and the senior members of the Future Nurses Club were entertained with a supper at Mrs. Friery's home.

Homecoming Is a PHS Tradition

P. H. S. 's annual homecoming is one of the most anticipated events of the football season. The Senior, Junior, and Sophomore classes each select two candidates. Then the student body elects the queen by popular vote. After hours of preparation, the court, the Sharks, and the Shark band are ready to perform for the many ex-students, friends, fans, and families who come to view beauty and charm.

Senior Class President Ronnie Sells transforms Senior Rita Rogers into "Queen Rita," who will reign over the 1963 Homecoming festivities.

This year was a good one for the band. Four bandsmen qualified for the District Band. Several bandsmen entered the UIL Solo and Ensemble Contest at Victoria and did very well. The band marched in the Rice Festival Parade, the Fat Stock Show Parade in Bay City, and the Buccaneer Days Parade in Corpus Christi. Norma Barber was awarded the John Philip Sousa Band Award, and Margaret Wallin was elected Band Sweetheart.

Mr. Butler, our director for the past 2 years, submitted his resignation in the spring. He has been a good friend and teacher to the band students, and they will all miss him. To Mr. Butler we, the band students, say "Farewell."

Senior Will (continued)

- I, Gaye Rogers, will to Jennie Bearse, my ability to be pulled out of a barn at Bandera without being in it.
- I, Carolyn Peterson, will to Johnny Sanford, all my old literature notes and also the carbon paper I used to take his notes with, because he might need them again next year.
- I, Rita Rogers, being open minded and open mouthed, will the ability to use the office telephone every hour to Florence Wade, Cheryl Hicks, and Vernetta Trahan.
- I, Ruby Adams, being tall minded, will my ability to make a senior trip and stay dry to Rosa Martinez, Odelia Stratton, and Sylvester Polk.
- I, Dorris Fitzmorris, being of very small mind, will to Donald Neeley, all the jack rabbits, skunks, and monsters in Matagorda County.
- I, Gladys Cepak, being of feeble body and weak mind, will to Earlene Dickens, my ability to have exciting events happen and not realize it.
- We, Louis Hickl, Joe Kalas, and Dan Miller, being of no mind and shaking body, will our ability to go to Tidehaven to burn their "bonfire" only to have them waiting for us, to anyone crazy enough to do it next year.
- I, Earl Halfen, being of confused mind and tortured soul, will to Paul Fields, Mr. J. G. Smith, and all of his used logarithms.
- Having a shocked mind, broken heart, and a weak back, I, Don Wesselman, will to Henry Jackson and Russell Thompson my scratched out, dirty, torn, crumpled, and otherwise perfectly good literature notes that almost flunked me.
- I, Tommy Beard, being of mental instability, will to John Jackson, my great ability to catch fish, mostly tourist trout, when nobody else can.
- I, Kay Roane, hereby will to Sandra Guidry, ten inches of my height so that she can succeed in basketball.
- I, Karen Bell, will to Kenneth Hamlin, a set of bar bells. He needs them to rebuild his muscles after having had to push Arthur Bowers from in front of his locker every period every day this year.
- I, Dolan Dixon, being racked in mind and broken in body, will my name as "Yankee" to anybody who happens to come down from the North.
- I, Georgia MaGouirk, being of little mind and too much body, will to Helen Bolling my ability to get along with coach now that I'm leaving, and this one last thought to Mickey King - "Never let studying interfere with your education."
- I, Kay Ostrem, will to John Morales my ability to make it back to school at dinner in time for the bell.
- I, Molly Sanchez, will to my cousin, Mary Ann Contreras, the ability to get to school on Monday after getting in at 4 a. m. from the Westerner Club in Victoria.
- I, Susie Reneau, will to Eddalyn Jensen, the ability to stay on a diet one week and lose four pounds.
- We, Ronnie Sells and Marvin Stuhrenberg, will all our carbon paper and our ability to type to Jerry Smith; and to Gerald Treybig our ability to stay out of trouble on FFA trips.
- I, Nancy Turek, leave to Wanda Seaman my ability to forget everything except my head, especially the ability to leave my purse in chemistry only to have Mr. Smith then come carrying it into trigonometry.
- I, Melvena Tanner, being of "I don't know what" mind, will to Pat Rohrer all the bent parts of my French horn and my broken tennis racket which she helped break; and, to Patsy Shimek, all my FTA newsletters.
- I, Dan Miller, will to Carla Leadford, my ability to send something to KILT and not get called to the office about it; and, to Freddy King the full can of gasoline and matches I used while trying to burn Tidehaven's bonfire. Good luck!
- I, Arthur Bowers, being of unsound and hurt mind, do will to Robby Shelton and Charles Eikenberg my ability to get hurt in football and be transformed into a cheerleader.
- I, Joan Allen, will my ability to get out of PE to Teresa Morton and Donna Rice.
- We, Ophelia and Evangeline Flores, will all the Refugio boys at Bandera to Sylvia Franco and Dominga Martinez.
- I, Lynette Jenkins, will to Wanda Seaman, my ability to stay up all night Thursday night packing for the Senior Trip, only to fall asleep at the dance in Bandera Friday night.
- We, Homer "Spree" and Paul "Brown", being of scattered mind, do hereby will to Ralph Brown and Charles Eikenberg, the ability to go to Bay City on two wheels in a shot rod.
