In Dedication
to
Ethylene Keel

This year the Ebb Tide Staff is happy to dedicate this 1969-70 edition of the Ebb Tide to Mrs. Ethylene Keel, our sponsor. For five years, Mrs. Keel has served the students of Palacios High School in many capacities: librarian, co-sponsor of the Future Nurses Club, and annual sponsor. To every student, she has been a loyal friend. For your many contributions, we would like to say a very special "thank you," Mrs. Keel.

Superintendent of Schools

Mr. George Holst

It is my belief that every young American has the greatest opportunities before him that have ever existed in the history of mankind. It is also my observation that many young Americans do not make sufficient plans to take full advantage of the many opportunities before them.

You may ask, How do I make these plans? I would say "Think more about tomorrow because tomorrow is your future and work harder today because tomorrows opportunities depend on todays work."

The results of good planning will assure you an excellent chance to take advantage of your opportunity. To become a highly successful and respected person in ones' profession, community and church is the result of making plans today.

Geo. Holst

Principal of High School

Mr. J. G. Smith, Jr.

Greetings to the Class of 1970

You have climbed the mountain of success in the Palacios schools. You stand on top of this mountain and scan the horizons looking for your next task to perform. Your diploma from this school entitles you to pursue many roads with each road leading one of you to your life's work. Regardless of the road you take, your education will continue. When you stop learning, you stop progressing. I take this opportunity to wish each of you success in all your life's ventures. May each of you remember the days spent in this school. I stand ready to assist you in any way I can. Congratulations to you, the class of 1970!

J. G. Smith, Jr.

Palacios High School Band

Stage Band Provides Jazzy Entertainment

The Palacios High Stage Band has been very busy this year. They have provided entertainment for various Banquets and perked up several basketball games with their lively music. Arthur Griggs has also added a new sound to the Stage Band with his vocal talents.

Student Council

BACK ROW: Craig Thompson, Kenneth Hickl, Tommy Tedder, Ralph Harvey, Ronnie Kubecka. MIDDLE ROW: Yvonne Hunt, Scott Stewart, Tommy Garza, Craig Wallis, Freda Kocurek. FRONT ROW: Brenda Farris, Fletchie Heard, Renee Smith, Linda Stuhrenberg, Joyce Gwin.

The Student Council is a newly organized faction of our school. It is to serve as the administrative and legislative body of the students on matters of general importance and concern. The Student Council acts in an executive capacity for the student body, represents the student body as a whole, and serves in cooperation between the faculty and the student body.

Being a new organization, the Student Council membership consists of elected representatives of the various school organizations and the presidents of each class.

The primary goal of the Student Council during the past year was to write and adopt a constitution which would best serve this organization and the school.

It was decided that an annual Pillow Fight would be held for a money raising project. This has been a great success each year. At Christmas time, stuffed toys were made and sent to a Children's Hospital in Houston. As an International Project, a child from Formosa was adopted. The Club sent money for her to go to school for a year. This is her picture on the right.

- We, CLAUDIA HILL and JOYCE GWIN, hereby will to next year's cheerleaders, LINDA STUHREBERG and CAROL BUFFALOE the Spirit Stick, Spark Plug, faded Pom-Poms, and worn out tennis shoes; our ability to burn our seats while riding on top of cars in the parades and our ability to wait until the last minute to do everything. Most of all, we would like to will our sheet - the one we got out of P.E. class so often to work on - the one that wouldn't tear in the middle and always ended up on the wrong side of the football field.
- I, JENNIFER BEATY will to SISSY ANDERSON my crystal ball so that she can see what goes on behind her back.
- I, CARL LAWSON being of feeble mind and body, do hereby will to TOMMY ROYALL a volume control for his mouth and to TERRY MOSIER I bequeath my desk in English IV and the ability to pass the course before being old enough to retire.
- I, JACK RICHARDS, being of rich mind and poor body do hereby will to TERRY MOSIER my shirt with six pockets for all his pencils and pens.
- We, the third period English Class being of excellent mind and lazy bodies, do hereby will to the Senior English classes of 1970-71 the ability to get Mrs. Abels to talk about things other than English and Literature.
- I, DAVID BARNETT being of bruised body and weak mind leave DOUGLAS KAHLICH the endurance to stick out football practice and the splinters on the bench.
- I, EDWARD EUGENE GILLETTS ESQUIRE, being of feeble body and highly deteriorated mind will my very valuable 8 1/2 C P.F. Flyers to LARRY BAIRD and my highly prized Physics Bamboo Slide Rule to all of the third period Chemistry students and especially LUCILE BOLLING.
- I, WAYNE BOWERS, being of fully sound mind, hereby will to ROBERT SEXTON my great speaking ability and great personality. Good Luck.
- I, PAIGE THOMPSON being of fermented mind and body, do hereby will to SISSY ANDERSON to be picked as the most talented of the Senior Class and not be able to do a darn thing.
- I, CARROLL HUFFMAN being of firm beliefs and excellent taste will to ROBERT SEXTON my moral standards.

- We, GEORGE WASHINGTON, TOMMY GARZA, BRAXTON MORTON, and JOEY RAGUISIN being of fine looks and intelligent minds, will to anyone going to Stephen F. Austin two nights of rest in Zwolle, La., and five dollars to spend on seeing movies in Houston.
- I, BRAXTON MORTON being of sound mind and embalmed body will to BOBBY DUMAS all of my excuses for the forthcoming decade.
- I, TOMMY GARZA being of strong moral and physical character will to the "FIGHTING SHARKS of 1970" the desire I had for our team to become District Champs.
- We, MARIO RODRIQUEZ, JESSE CONSTANCIO, and DANIEL HERRERA being of sound mind and body, great physical ability and 12 years of experience do solemnly will to JOE SAINZ, MARIO MIRANDA, and EDWARD GARCIA all our cheating notes, pens and pencils if we don't need them next year.
- I, CHIPPER HOLT being of sound body and hairy legs will three-fourths of my hair to VERNON BATES and still have more than anyone around here.
- I, GEORGE WASHINGTON being of feeble mind and deteriorated body hereby leave all my women, cigarettes, booze, and position as PHS Quarterback to LARRY DAIRD and may God have mercy on soul.
- I, CRAIG THOMPSON being of questionable mind and weakening body hereby will and bequeath my adopted mother Annette Abels to LARRY BAIRD.
- I, LARRI LIN SMITH, being of nervous mind and thin body will to BRENDA SMITH the ability to miss school three weeks and still know the latest gossip.

Junior Prophecy

Ever since the seniors gathered here tonight were born, the stars and their positions in the heavens, have influenced their lives. That's how this group of individuals arrived at this point in their lives. But, by no means, will the stars abandon them now. They will continue to play a large part in the graduation seniors on an even greater scale.

We have studied the stars and various signs of the zodiac calander and have plotted the courses, with all the crooks, straightways, and turns their lives will take, and arranged them so that we may give them our predictions. I'm sure the girls won't mind if we mention the boys first.

Dear Students:

Only through a good total education program can we hope to develop an entire society of responsible worthwhile citizens. Never in history has a nation been so dedicated to educate the entire mass of its population to the capacity of their abilities. We, as individuals, cannot solve the national problems, but we, as individuals, can strive to prepare ourselves so that we will not become one of our national problems.

Our school is designed to help you meet the challenges of the future. The future is yours. What you make of it depends on your educational preparation and efforts.

I am always willing to assist you in reaching your greatest educational potential.

Sincerely yours,

V J Kahlich
