V. J. KAHLICH

Dear Students,

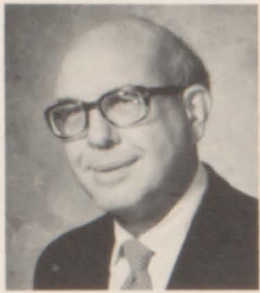

Never has the opportunity to get a good education been more available to all. Self-discipline of the individual is the key to taking advantage of the opportunity. In our Country, State, and particularly in the Palacios Community, adult citizens have made a good educational program available to each young person. Always keep in mind a good education opens many doors that lead to success and happiness in life. Please allow the faculty of the Palacios Junior High School to be of educational service to you.
