*Hey Guys,*

*Just thought I'd write you a little note and tell you a little something about this book. I bet you're wondering where we got the name of our book. It took us a long time before we found the right name for our book and out of the blue I shouted out "It's A Shark Thing." I know it sounds strange, but it's true. I wanted this book to have a shark on the cover and be based around sharks. The reason for putting so much emphasis on sharks is because we are the Palacios High School Sharks, we're the best, and I want each and everyone of you to remember it by this book.*

*A lot of hard work and dedication went into making this the best book ever. We hope that you enjoy this book as much as we enjoyed putting it together. I would also like to add a word of thanks to Candyce Dodd, my business manager and assistant editor, for all her hard work and her ability to put up with me. Good Luck next year on the 1994 yearbook, Candyce.*

*I now leave my final closing words to you: may you follow your pathway to success and never give up. Also, always believe in yourself and I promise you will be able to do anything.*

*Love Always,  
Lisa Kaye Dunn*

# A Little Bit of Everything

# STUDENT LIFE

# WHAT A GREAT SUMMER

Yes, what a fabulous summer!! From Cheerleading camp in San Marcos to the FFA convention in Amarillo, from camping in Colorado to holding down a job in Texas, students were all busy over the summer. Summers certainly are fun but they are a lot of work. Many worked right here in Palacios, while others found work in other towns and even in other states.

In addition to students who held jobs over the summer, there were also some involved in school-related stuff. Eight Varsity cheerleaders and the mascot attended four sweatfilled days of camp at Southwest Texas University in San Marcos. The five members of the Junior Varsity cheerleading squad traveled to Texas Lutheran College in Seguin, where they also attended a four-day camp for cheerleaders. The 10 members of our color guard, Sharky's Angels, went

to drill team camp over the summer at Southwest Texas University in San Marcos.

The FFA held an annual convention in Amarillo. Four of our FFA members (Candycyce Dodd, Chuck Frankson, Brandy Ruby and Eric Frankson) attended the three-day affair. Ten Juniors, who are seniors now, traveled to study mountain ecology in the state of Colorado.

Michael Harvey was the only senior to attend Boy's State at the University of Texas in Austin. He spent two weeks studying about governmental systems. Two senior girls, Natalie Remlinger and Lisa Dunn, went to Girls' State at Texas Lutheran College in Seguin. They also spent two weeks studying the government.

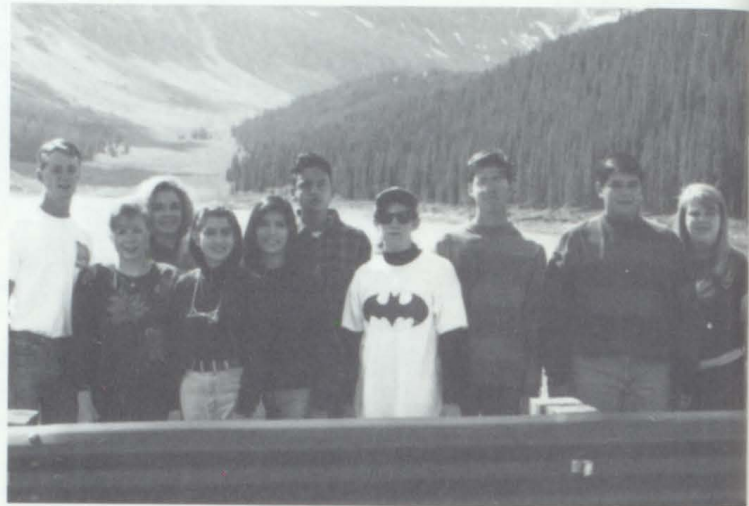

20 some-odd members of PHS choir sang their little hearts out at choir camp in San Marcos at Southwest Texas University, while here in Palacios the band prac-

tical marching on the parking lot in the evening hours. The two drum majors attended camp at SWT in San Marcos prior to band practice.

Football practice began around the same time as band. Our football boys survived through two weeks of "two-a-days," as these practices are often called. The volleyball girls also practiced

hard over the summer in hopes of a good season.

We here on this darned yearbook staff suffered through three days of a yearbook workshop at the Adam's Mark Hotel in Houston. No matter how busy everyone was over the summer, no one was ready to go back to school and give up their SUMMER FUN.

Are we having fun yet? You bet! From left to right: C. Todd, K. Law, J. Matusek, A. Gonzales, S. Constancio, A. Garcia, L. Hutto, B. Vavra, D. Ottino, and B. Ruby. These dedicated seniors enjoyed the beautiful scenery on their Colorado research trip.

**Somebody help me!** Senior Lani Hutto strains her creative brain as she learns how to put together a great yearbook at the three-day workshop in Houston.

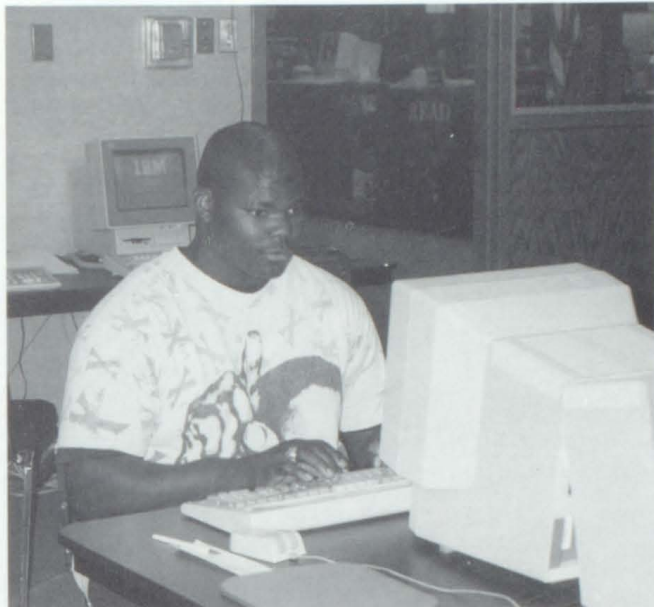

Cheerleaders will be cheerleaders. Senior Jamie Matusek and Junior Kristie Ford do their share of goofing around at cheerleading camp in San Marcos.

# It's Definitely a Great Thing!

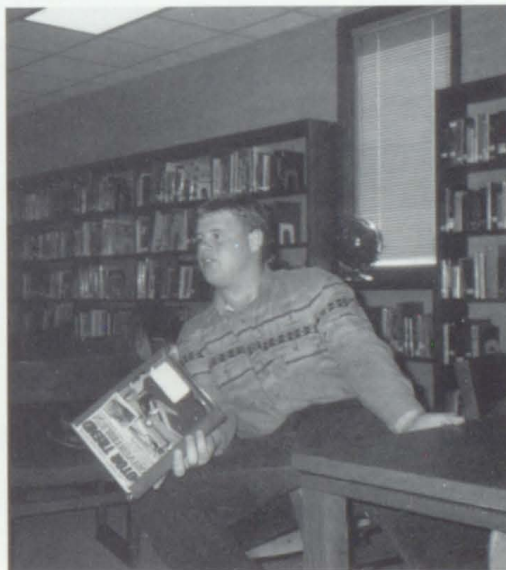

Mr. and Miss. PHS  
Armand Garcia and Gaynell Byrd

Among the many seniors working on their research papers, Gary Haynes crams to finish that last minute touch up on his paper.

Daniel Jessup takes a time out to help a fellow classmate, by telling him where he can get a good magazine like his.

What do you want? Kristy Law, senior, knodges her head at some very unfriendly camera.

Vanessa Vargas, Senior, rings the tie around her head after a long day.

*WOW!*

Candyce Dodd and Michael Morales show off their English projects for Huckleberry Finn.

Ooh! There's too much sun for us. At the homecoming parade volleyball girls try to fight the sun.

Pepsi Nguyen sits on Lisa Dunn as she screams for her life at the Academic Decathlon meet. Terri Rosas (left) looks on.

Dee Ann Falks and Rocio Garcia open their mounts to show that they really like cafeteria food.

"Clap on! Clap off! The Clapper!" exclaims Danny Ottino as he sits patiently at choir camp.

370 students voted for the president of the US along with all other Americans in the U.S.; although, Palacios High School's results were much different than the actual results. Students made a great effort at predicting their new president.

**Top:** Chris Craven, the freshman trash digger, gives us a peek at what it takes to get a great job like his.

**Above:** Some PHS students protest against dissecting pigs in science, to protect animals rights.

Tracy Yates and Monica Longoria really love each other. Hugs and Hugs means lots of love!

Garrie Jean Hunter shows off some fancy footwork. Maybe you should try out for the kicker position.

# Homecoming, A Night to Remember

Homecoming week was filled with excitement, spirit, and enthusiasm. Just about everyone was looking forward to the "big" game against Stafford. Throughout the hall there was talk about who was doing what for the weekend. There was also boasting about whose float was the winner.

The Homecoming parade was held on Thursday, the day before the game. Not many floats were entered. The Varsity Cheerleaders decorated Mrs. Smith's car. The JV cheerleaders rode in a truck of their own. The athletic boys and girls also participated and Ann Gonzales had a truck full of mostly seniors and one junior. The FCA had decorated a golf cart and won first place in the contest.

Although the weatherman said it would be rainy, October 16 started out looking as if the day would be just perfect. Sure enough, by 2:00 the dark clouds had moved in, and by 3:00 it was pouring. The

homecoming pep rally, which had been planned to take place in City Park, moved to the field house. At the pep rally, representatives from the classes of 1963 and 1983 spoke to all the students.

That night, after a number of meetings, the coaches finally decided to begin the game. Despite the rain and the water-soaked field the game began at 8:30. Faithful fans equipped with raincoats and umbrellas cheered the Sharks on to a 29-14 victory over the

Stafford Spartans.

Even though the rain kept falling, the homecoming festivities went on. The seven girls and their escorts marched on the track. The four senior girls were Natalie Remlinger escorted by her father, Paul Remlinger; Keri Kana with her father, Joe Kana; Jamie Matusek with her father, Laddie Matusek; and Gaynell Byrd escorted by her uncle, Jim Wygal.

The queen's court consisted of Junior Cassie Kubecka escorted by her

father, Douglas Kubecka; Sophomore Tanya Aoughsten with her father, Joseph Aoughsten; and Freshman Jessica Riede escorted by her father, John White.

1991 Homecoming Queen Chi Nguyen crowned Gaynell Byrd the 1992 Homecoming Queen as the stands cheered.

**Hail all hail to thee!** The football players group together and the crowd lines up to sing the Alma Mater at the homecoming pep rally.

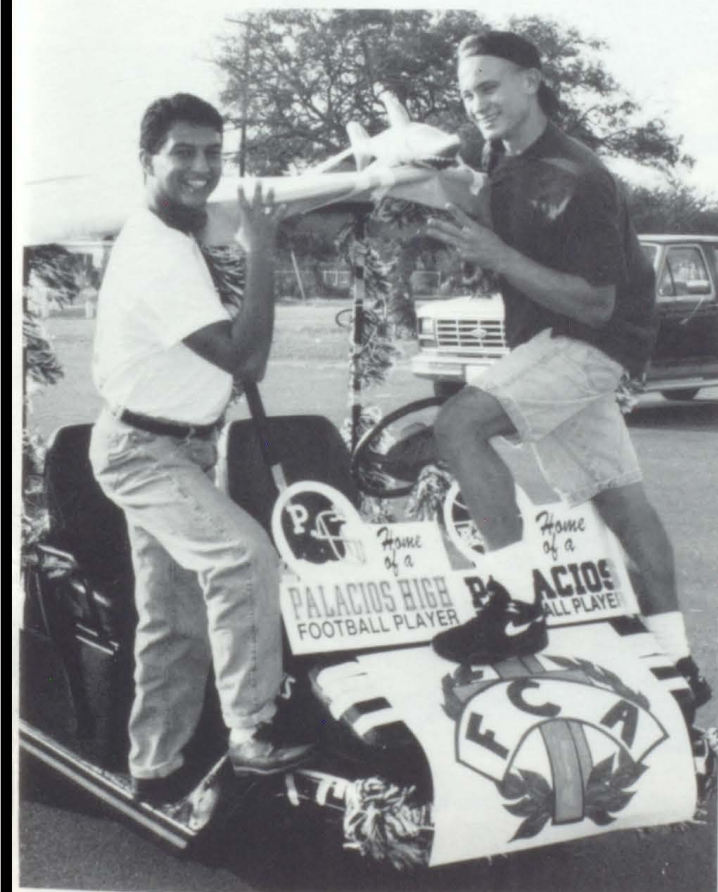

**Rain, rain, go away!** Why did you come to our game? Even though our homecoming game was rained on, it was not rained out. Several of our devoted fans fought the elements to come and support the Fighting Sharks.

The senior homecoming candidates and their escorts from left to right: Jamie Matusek escorted by L. Matusek, Gaynell Byrd with Jim Wygal, Natalie Remlinger with P. Remlinger, and Keri Kana with J. Kana.

"'Speechless' says it all, but I felt very honored and very proud to be a part of the Palacios High student body. It was one rainy, almost endless night I will never forget, for it will always remain in my mind. Thank you." Gaynell Byrd.

The homecoming court and their escorts from left to right: Junior Cassie Kubecka escorted by D. Kubecka, Sophomore Tanya Aoughsten with J. Aoughsten, and Freshman Jessica Reide with J. White.

Seniors Jason Lesley and Isidro Flores show off the F.C.A. float, the winner of the homecoming parade. Those Christian Athletes really know how to be creative.

This year's NHS held three successful blood drives, and won an award from the Blood Center in the fall for the highest high school participation percentage. Throughout the year, they had secret pals which kept most everybody guessing all year. Inductions of new members were held in February. The Palacios chapter was the district President school for the 1992-93 year, so the spring convention in Edna was run by our President, Cary Todd. Van Nguyen, representing Palacios, won the limbo contest! NHS had an exciting year, and they are looking forward to the years to come.

I'm a growing man! Todd Delano needs his nourishment, especially after giving blood.

I'm actually going to go through with this. Clell McCauley gives willingly and patiently to the worthy cause.

I can't look!!! Erin Ochoa has to cover her eyes to remain calm. A weak stomach is not a good thing to have when contributing to a blood drive.

# Band

For freshmen it started July 30; for the rest of us the year began Aug. 3. These were the days of summer band, the long hours of marching on the parking lot with the sun pouring down on our backs and no wind to cool us from the blistering heat. This lasted until the first day of school; from that time on we were to come at 7:30 a.m. rain or shine, heat or cold, to learn drills for halftime shows, marching contests, and parades.

All the hard work paid off. On October 17 we won third place at the Edna Marching Contest. Then with the direction of our Drum Majors, Matilda Guerra and Tanya Aoughsten, we made a 1st Division at the Regional Marching Contest on Oct. 24, and went on to participate for the first time at the Area Marching Contest in Houston Oct. 31.

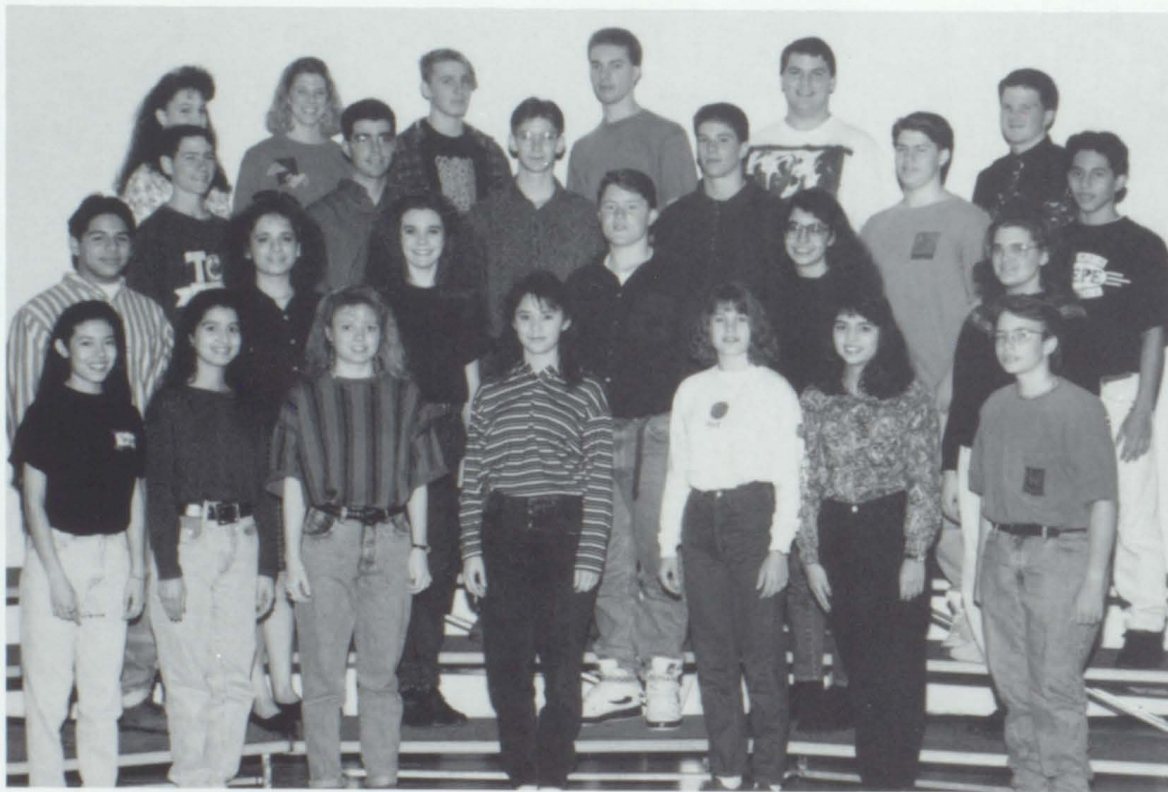

After the football season was over, we left marching to concentrate on music for Region try-outs, concerts,

and other contests. And as usual, the band did well. On November 23rd fourteen players qualified for the Assn. of Texas Small School Bands "Region Band," and Michael Morales qualified to audition for the All-State Band. Those of us who were not involved in the Valentine Sweetheart Parade on Feb. 13th marched with the band. Then on February 19th, members of the band attended the UIL Solo/Ensemble Contest in Victoria. There, 10 solos and 2 ensembles received a 1st division rating. Seven of the solos and both ensembles qualified to go on to State Solo/Ensemble Contest which will be held at SWTSU in San Marcos on May 31. On April 1st, we received a 1st division rating at the Concert - Sightreading Contest, making us the "Sweepstakes Band" for the 4th consecutive year. We ended our year with the annual spring Concert held May 20, 1993.

# FFA

This year has been a very busy one for the Palacios FFA. With the month of July came State convention in Amarillo. Brandy Ruby, Candyce Dodd, Eric Frankson, Jason Miller, and Chuck Frankson all attended this event. Barbara Gibson and Brandy Ruby both received their Lonestar Farmer Degrees, and Jason Miller received the Area III South Western Cattle Raiser Award. The Chapter was recognized as the Superior Chapter of Texas. In the month of September, the officers attended District Leadership training at Clements High School.

In October, the chapter attended the Leadership Contest in Bay City. Greenhand initiation was held at the October meeting. It was great.

FFA Favorite, Keri Kana, and Sweetheart, Cassie Kubecka were elected at the November meeting.

At the December meeting, we had the annual FFA Christmas Chile Supper. Also, registration fees for the County fair were turned in.

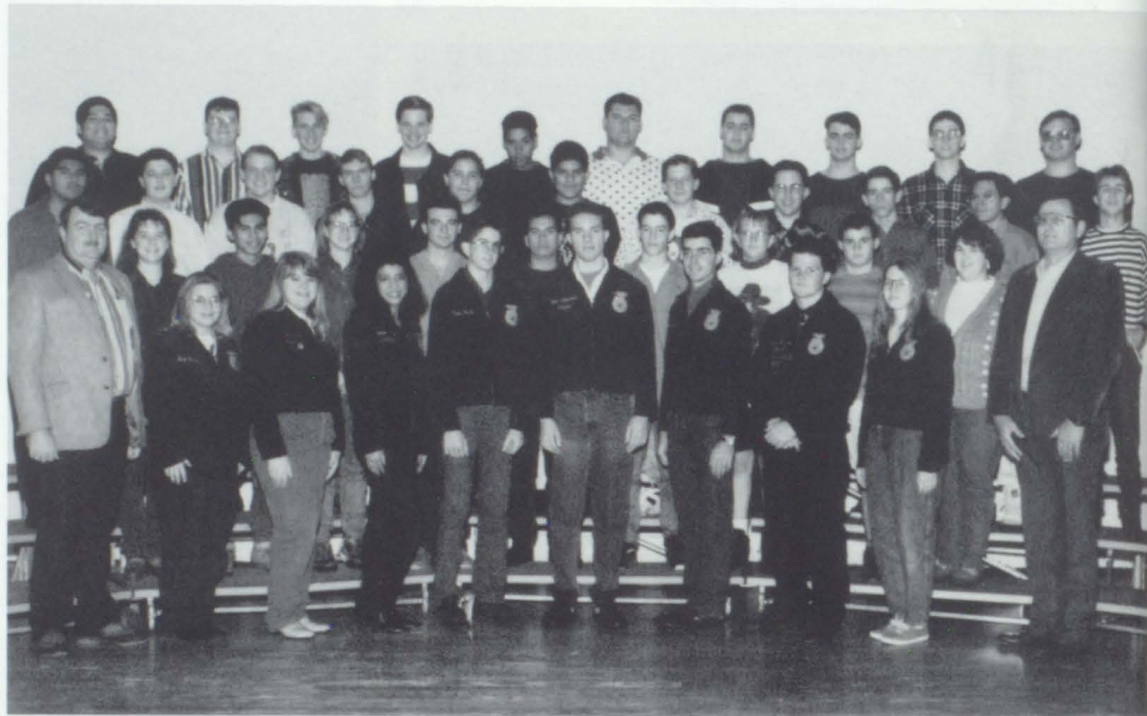

February was a busy month, bringing the Valentine's Day Parade, and a couple of fundraisers.

March was the County Fair and the Judging Contest. The Land Judging team

advanced to state.

The FFA Banquet was held in April and was a big success. All-in-all, the FFA had their fair share of laughs, mistakes, and Mr. Miller's lectures. It was definitely a great year.

# Fellowship of Christian Athletes

The FCA had a productive year. They held the See You at the Pole Prayer Meeting on September 16. There was a good turn out, and a powerful statement was made. In December, the FCA collected food and gifts to deliver to needy families. They're looking forward to next year's activities.

# Business Professionals of America

**B**usiness Professionals of America is a co-curriculum organization for students enrolled in vocational and regular business classes. It promotes good citizenship, leadership, cooperation, patriotism, and scholarship among its members. Students have the opportunity to participate in a variety of activities including: competitive events, torch awards program, and various contests at the local, area, state and national levels.

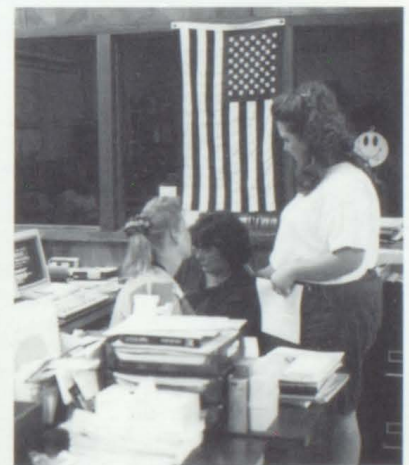

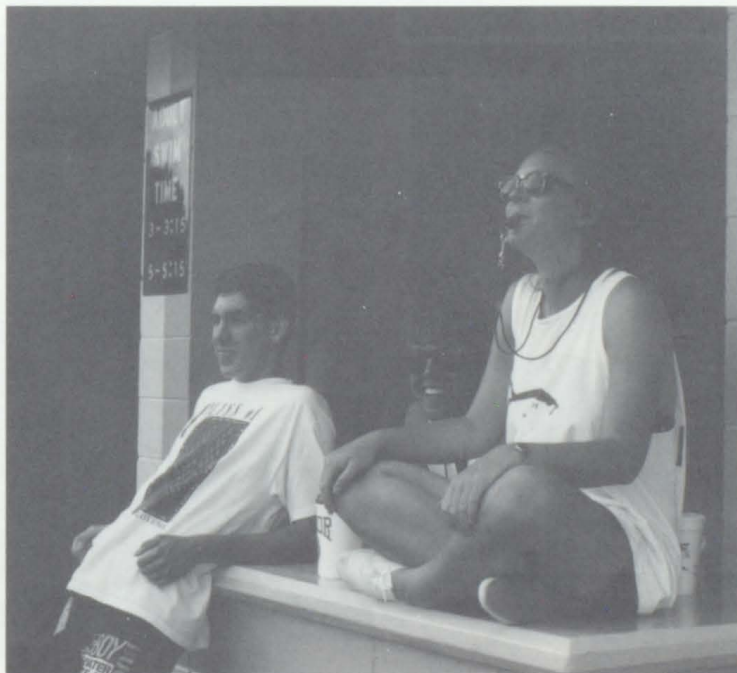

This year Palacios Chapter had four students participate at the area level; however, none advanced to state or national events. Local activities featured "Teacher Appreciation day", when organization members presented each teacher and staff member at the high school with a big shiny apple and a word of encouragement.

Other projects consisted of a new members party at the city pool and Homecoming mum sales. All in all, BPA had a fantastic year!

# YEARBOOK STAFF

Senior Editor, Lisa Dunn, takes a little time out to show you how frustrated she is. Inset: Lani Hutto, our assistant editor during the fall semester, did some very good work before she resigned due to schedule changes.

Candyce Dodd, Business Manager, works very hard at trying to reach the yearbook's first deadline.

Candyce Dodd takes her chance at killing the wicked editor, Lisa Dunn.

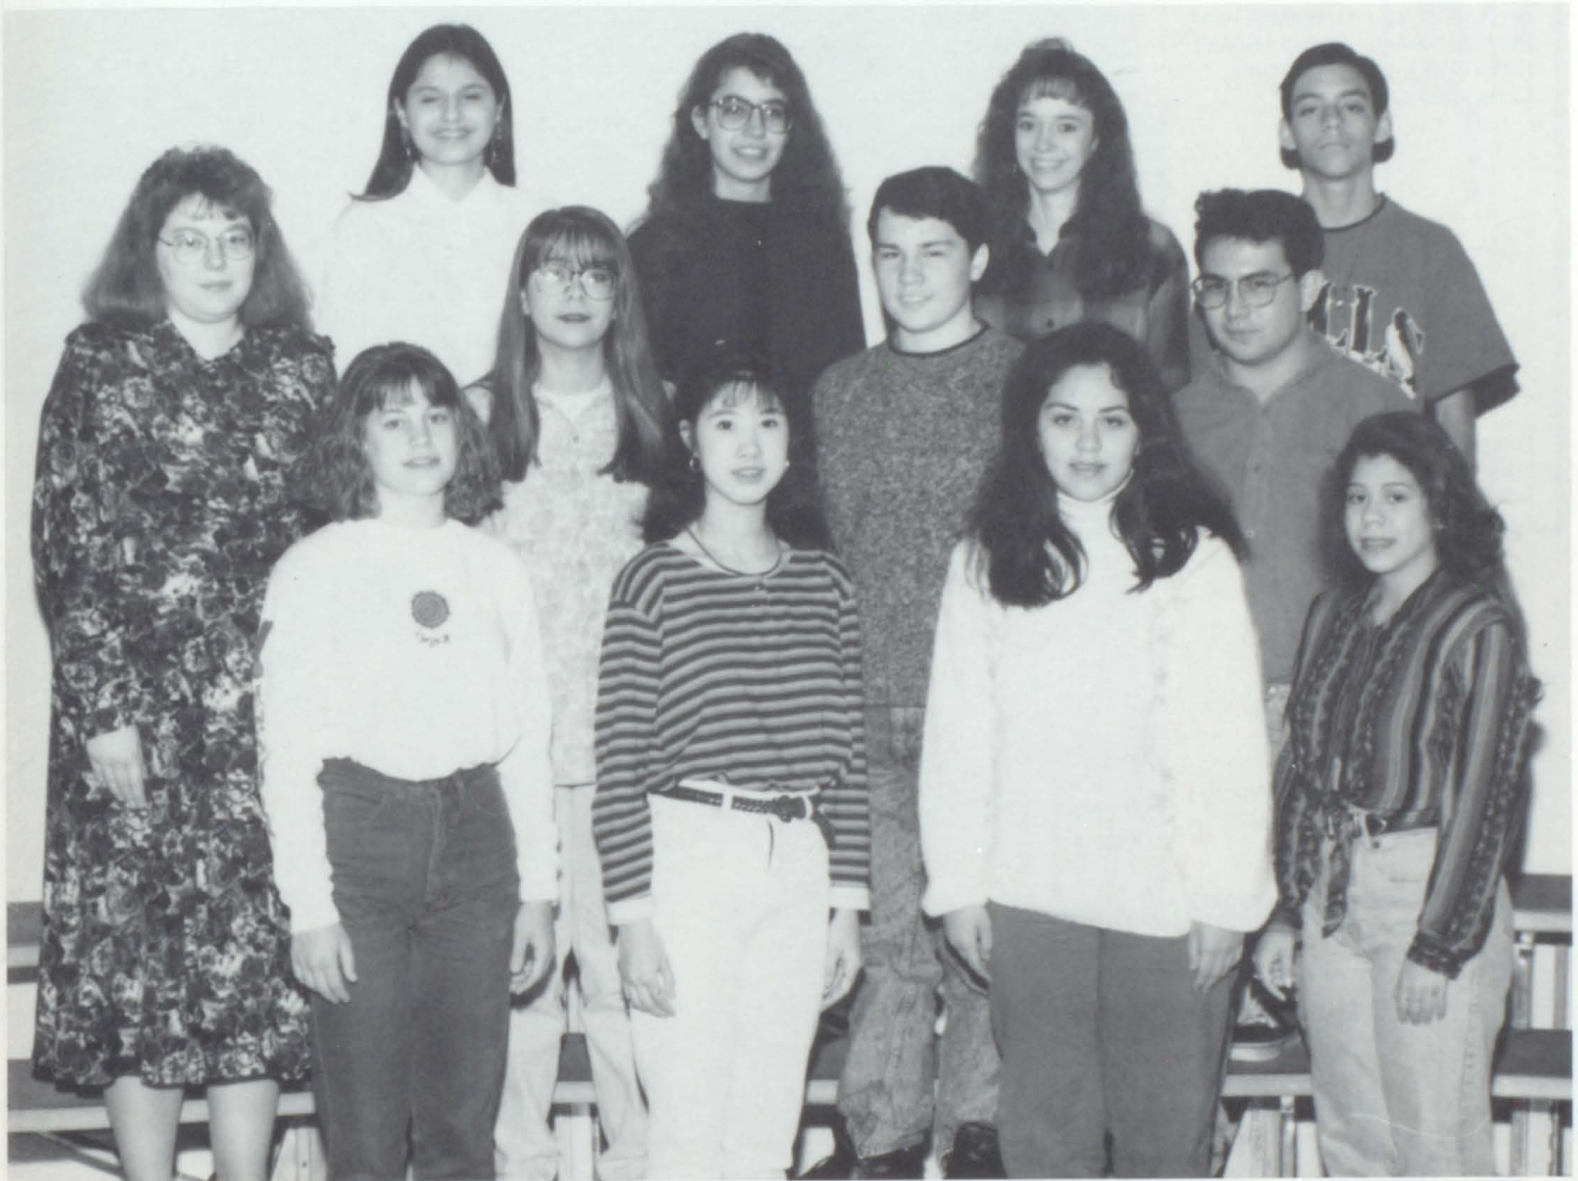

Thanks go out to Dee Ann Falks and Eric Mallory for working so hard in selling ads.

Don't be fooled by our small numbers; it takes many people to produce a yearbook. If you sold (or bought) an ad, wrote a summary or caption, I.D.'d pictures, gave us pictures (or clued us about good ones to take), or typed for us, we thank you and appreciate all your help. Special thanks to Mrs. Harvey and Mrs. Bates in the office, Mrs. Cunningham for computer help, the faculty for patience with our class interruptions, and, of course, the students for buying the book. May your tribe increase. — The staff

## We've Got Spirit!

The 1992-93 PHS Varsity Cheerleaders and Mascot had an exciting year packed with activity and spirit. They spent many summer hours preparing

for the upcoming school year. At cheerleading camp, the squad earned trophies for being the most improved program. Sharky was awarded a superior trophy for being the most improved mascot. In addition

to supporting school teams throughout the school year, the cheerleaders and Sharky entered the Fifth Annual Texas State High School Cheerleading Championship and placed fourth.

Cheerleaders rescue Sharky after falling. Highlights to every game was watching Sharky do crazy things, but this was the funniest.

The sun rises, the alarm clock sounds, girls all around Palacios bound out of bed and get dressed for that first volleyball practice of 1992. The gym has a cool feeling, there is chatter and laughter throughout. Excitement and anticipation are in the air.

Suddenly there is silence as instructions are given and the hard work begins. Several hours later the gym is "hot" and "sticky". The girls are

exhausted and dripping with sweat, but they have survived the first workout of 1992.

These young ladies of the Sharkette volleyball team represented Palacios well. Their desire, dedication, and a "never give up" attitude helped them bring home two trophies — third place from St. Joe (Victoria) and consolation from Boling. Cassie Kubecka and Roberta Buckley were selected to the All-Tourna-

ment Team in St. Joe.

Even though our win-lose record was not what we set our goal at, we did end the season on a winning note. We defeated the district's 2nd-place team, Edna, in their own gym by a score of 15-13; 15-11.

All-District selections for the 1992 volleyball season were Tiffany Johnson (2nd team), Debra Stoffel (2nd team), and Cassie Kubecka (Honorable Mention).

# ootball Survivors Only

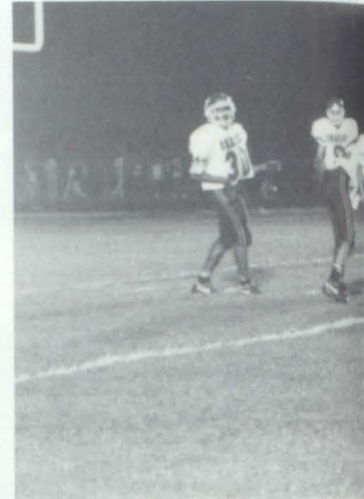

In 1992, The Sharks enjoyed what many people thought a very successful season. Playing most of the year with less than twenty-two players, the Sharks still managed to win four games. Any one who watched them can

attest that the Sharks displayed a lot of heart and determination in every contest. They made up for an apparent lack of talent with hard work. Many players were rewarded with post-season honors.

Four made 1st Team All-District and two players made All-State. No doubt, every senior on the 1992 team will look back at their last season with pride and a sense of accomplishment. (By: Michael Harvey)

## Strike 'em Out!

This year the Palacios Shark Varsity Baseball team had the 3rd best record in the history of PHS. (The best record was set in 1989 when the team, coached by Scott Kurtz and Robert Boyd to a 14-5 season, went to the state playoffs. Second best record was in 1988 with 14 wins and 7 losses). This year's team was composed of many talented athletes who displayed definite baseball skill. Such an athlete was pitcher Reed

Bowers, who held the most outstanding record of the team. Reed's strikeout percentage, 1.7 strikeouts per inning, led the district and state on all levels. Justin Bowers also showed his skill as a pitcher, especially when he pitched a no-hitter against Hitchcock.

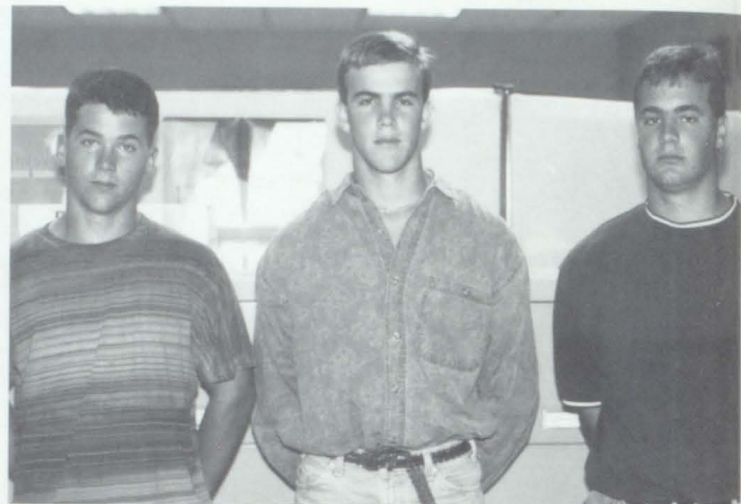

As a team, the Palacios Sharks had the best pitching and hitting for the entire season and led the district throughout most of the

season, winding up 2nd only to Needville in district statistics.

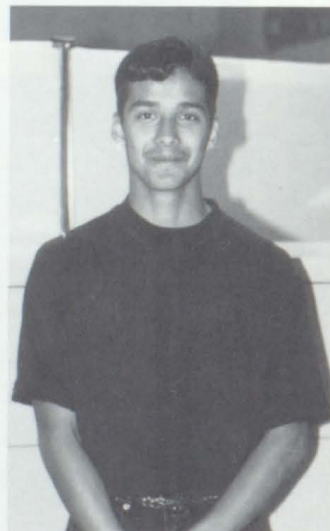

The resulting game record was 12 wins and 8 losses. The Sharks placed 4th in district. As senior Reed Bowers remarked, "We gave it our all and had an overall successful season. Unfortunately, there were too many bad breaks which came as a result of Murphy's law."

**Honorable Mention All-District:** Justin Bowers, Trent Weixelman, and Anthony Taylor.

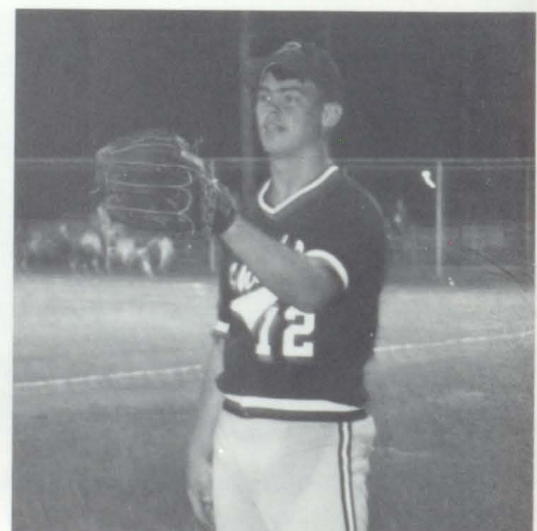

**First team All-District:** Jason Barker (catcher), Reed Bowers (pitcher), and Michael Harvey (outfield).

**Second Team All-District:** Gabriel Solis (1st base)

## *Pride Lasts Forever*

The Cross Country Team of 1992 proved once again that getting to state meant dedication and hard work from the beginning. Week after week, meet after meet, times would improve. Each week, there was something to build on for the next week. District was soon upon them, as they took district champions. Then at regional, they placed third, which mean they were headed to Georgetown. All miles they had run, all the days they sweated, all the pain and tears had paid off. They ran with their hearts and their bodies followed.

The theme this year was "Casino Night." Eddie Ford's mother deals a poker hand to Squeaky Flores and Fabian Marroquin.

## Seniors '93

Some people took home some big winnings. Alison Johnson, center, won the grand drawing of \$500. Gary Haynes, two heads to the right of Alison, walked out with over \$200 when everyone exchanged their casino play money for the real thing at 5:00 in the morning. As the latter event was kept as a surprise to everyone, the scene was utter chaos for a bit while everyone scrambled to find their play money.

Hmm — who's next to get thrown into the swimming pool? Buses carried the students to the pool for about 45 minutes of swimming, then toured the town at 4 a.m. before coming back to the school for breakfast.

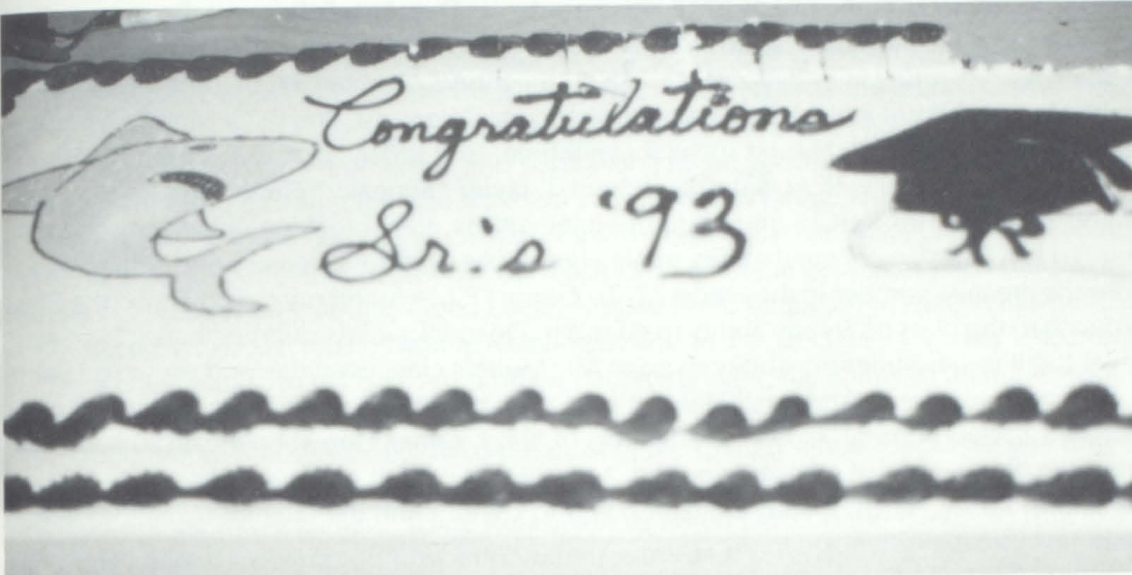

Cary Todd, left, is hoping to win the roll with his pick of numbers, but he'd better keep an eye on Jason Lesley, right. Are you trying to tell us something with that wink, Jason? Others watching are Phong Tran, back, and Todd Day.

Participants in the field events group around a big "93." Cross court volleyball, water balloons, and a piggyback relay were some of the games enjoyed.

This cake, measuring a gigantic 2x3 feet, was donated by the grandparents of senior Justin Bowers. Other parents and relatives also donated food: egg rolls, breakfast tacos, donuts, sandwiches, chips and dips, and cookies. The food dominated one end of the cafeteria, and Sound Supply, the music company from Louise who provided a DJ and special lighting, dominated the other end with a dance that started off all the festivities.

All of their hard work raising money paid off as seniors now wait patiently for the prize drawings. Parents shown are Mary Jo Harvey, Jack Lesley, Kathy Weixelman, Reba Ford, Lee Ann Bowers, and Mary Lesley. The fundraising events were soup & sandwich suppers, quilt raffle, bake sale, garage sale, and car wash, all of which brought in over \$9,000 with another \$3,000 in donations. Each PHS senior went home with at least 2 gifts from the drawings.
