WELCOME TO OUR ADVENTURE

A new school year comes with new experiences for both faculty and students. Many things were accomplished this year from getting into the football, soccer, and baseball playoffs to having the robotic science team go to state. PHS was on the move with other extracurricular activities going far as well. It's evident that the sharks and sharkettes were preying hard. Based on our achievements, this year proved to be a year of success and adventure.

Palacios High School students had a successful time at the 2019 Matagorda County Fair. Students participated in many competitions including Ag Mechanics, Home Economics, and exhibiting their animal projects in the livestock shows. Along with winning ribbons, buckles, and plaques, these students made lots of memories with their friends and projects that they will cherish for the rest of their lives. The PHS band, under the new direction of Scott Simmons and Briana Harmon, received a first division rating at the UIL Region 13 Marching contest for their show, Espana. The band had many changes in their program this year, but the biggest change they faced was having a new band director. Scott Simmons had some big shoes to fill with the departure Mr. James Popham. Based on the successes of this year, Mr. Simmons has proved to be a wonderful asset to the band program and we look forward to many more successful years.

“Statistically, this has been a baseline year for the Sharks under new direction from a new staff. I thought we made huge strides on all three phases of the game. We have given up less points defensively than recent years, scored more points offensively than recent years, and have been more successful in the kicking game. Our overall record has improved from recent years. To point particular games, plays, or players that are memorable would be very tough without leaving some off.” -Coach Graves

Coach's Recap

"We finished 3rd in District and played in Bi-District against New Waverly. One of the games that stood out for the team was the game against Giddings. We battled back and forth-point for point against a very good team. They were tall and had a dominating player. The second time we played Danbury, we played very well and dominated each set. It was a great team effort and a lot of fun."

Palacios Cross Country has qualified for the Regional meet 39 years in a row. The boys regional meet was their most memorable because the boys came so close to qualifying for state by finishing 6th in the region.

The Girls were runner up at the District meet which was fortunate enough to be held at Palacios. They then advanced to Regionals at Huntsville which was very exciting for them because they had not been in 2 years!

A few words by Coach Wex- "Every game is memorable. When you're on a good team like we have, every game is a joy to coach". The team went on and made it to the first round playoffs with a 10-2 district record.

Balling on and off the Court!

Some Wish for it

The Sharkettes had an astounding season with a record of 8-4 in district and 23-9 overall. "Play Fast, Run Fast," is the team's motto. The girls always use this motto to help motivate them before a game. The girls never let the non-believers get the best of them. They hustled hard to earn a spot in the playoffs. They worked very hard all the way until the end of the season, but sadly fell short in the first round.

"It was a tough season, but I kept preaching our team message of Family. The kids rallied around each other win or lose. We reached the playoffs, but the game didn't go our way. Due to their hard work, they jump started the rebuild process of Shark Soccer. The foundation of what is expected of this program has been established, and our 2020 season goals are set."

Senior Captain's log...

"Making the playoffs was my number one goal before I graduated. Being able to go when the team hasn't gone in 7 years, was the highlight of my senior year. I love all of those fart-knockers on the team. Thanks for making my senior season the best."

DAVID CRUZ

"I had an awesome time this year and I was honored to be their captain. Although they acted like a bunch of fart-knockers and kept saying it was my birthday, I wouldn't change anything for the world. Keep up the tradition, familia forever, and go Sharks!"

A few words from Coach Bates: "The last two district games were both highly significant to our season with the two victories over Tidehaven and East Bernard. Beating them led to the second place spot in district seeding for the playoffs. This was the 1st time in school history to be Area champs." The SHARKS then went on to play in the Regional Quarterfinalist game but fell short on a hard-fought series.

The Palacios Sharkette softball team had a very improving year this year. Everyone worked hard and never gave up. A Significant game was the game against Van Vleck. " This was the best game we played all year. Everyone played extremely well," says coach Yvette Garcia.

The boy's regional qualifiers gather together for a picture with excitement and joy.

"I gave my fighting heart to Xzavier Haynes because he deserved it. He competed in more events and won more medals than any other team member. My MVP award was given to two people; Vincent Nguyen and Matthew Aparicio. They were outstanding athletes this season and showed true heart in all their versatile events. Matthew and Vincent are both signing to go off and compete in track and field as an collegiate athlete. TAMU at Kingsville got Matthew and Vincent has not picked a school out of his many offers. We had great participation this year with numbers of thirty three student athletes competing in track in 2019." - Coach Treybig

The distance runners and sprint relays worked very hard this year. They ran hard every second and it really showed during the season. The pictures below catch them in action!

Some memorable moments that stood out this season were when our 400, 800, and mile relay all qualified for the regional track meet at their area track meet. With great success came struggle. We had several injuries throughout the year, but most all sports do. We had tremendous leadership in various areas of track and overcame the obstacles. Coach Recap

"We had a lot of great performances this season. Meagan Ramirez had a PR in High Jump at five foot! Olivia Filip also had a PR of 62.13 seconds in the 400 meter dash. There was never one memorable moment during Track this year. The post-season as a whole was a distinguished memory all together. We had a small group of Varsity Runners and out of 10, eight advanced to Area. Then seven advanced to Regionals. My girls worked really hard this season and it showed. At the beginning of the year, Armelia White and Meredith Seamen joined the team as JV and Varsity managers. They were a great help this season and were greatly appreciated. Many doubted the program after we graduated a great athlete last year, but my returning kids picked up the slack and made it very far this year. Eighty percent of my varsity advanced past district to compete at their best. and also seventy percent of my girls made it to Regionals. Hard work equals a successful season." - Coach Peeples

SHARKS. SHARKS ARE THE BEST! PHS Cheer had a most memorable, awesome year. The squad cheered the varsity football team to victory and straight into the first round of playoffs. GO! FIGHT! WIN! echoed a rockin' gymnasium as the girls lead Shark fans cheering for our hometown teams. Shark spirit can be found on the field, on court, or on turf and it is always led by our JAWSOME cheer squad!

Saying goodbye

After cheering and supporting our athletes with shark spirit, the senior cheerleaders prepare to say goodbye.

"I loved being able to have the same stunt partners for 3 years. Creating bonds with all of my favorite people was my favorite memory." - Dorothy Nguyen

"In the years that I was in cheer, I learned family is over everything and that these girls are crazy. My favorite memory was when we beat Tidehaven while it was raining." - Alyssa Acosta

Cheer taught me how to be more outgoing and supportive of people when things are not looking good. My best memory was when we won the game to get into the playoffs." - Maria Muniz

Faculty Spotlight

Scott "Doc" Kurtz

PISD Athletic Trainer

Did you feel welcomed at PHS when you arrived?

"I have always felt welcomed here. With the administration, my thoughts and concerns about the student athlete were listened to, and acted upon. Also after I retired from teaching the administration thought enough of me to keep me on as the athletic trainer. As for the student athletes I always received a "Thank You" for the treatment received as they left the training room. I appreciate the coaches for the way they listened to me when it came to injuries. Sometimes they received a report that was not what they had hoped to hear, but my professional advice was always respected."

If you could describe the athletic students in one word, what would it be and why?

"On the girl's side: desire and tenacity. The girls have always been able to compete well, no matter who their opponent was. On the boy's side: satisfied. The boys have played in districts where the possibility of a winning season was unimaginable. With the expectations were low, so when winning took place the players didn't seem to recognize their abilities. In my years here the one word that has stood out for me has been: Hopeful. With each new year, all athletes started with a clean slate. So for me there was a renewed hope that each teams' season would be successful for the student athlete."

What set apart this years' team from the team 11 years ago about going to the playoffs?

"The team 11 years ago had exceptional athletes. That team had the offensive and defensive players of the year in class 3A. It was a group of athletes that I had never seen the likes of in Palacios up until that time. This years' group did not have the same talent of the group 11 years ago, but they had a great deal of desire to play well. Everyone got along well on this team, which makes a difference in their desire to succeed, and made it an unforgettable season. Both teams were very well coached."

Why MRMB?

MRMB is a third-year organization at PHS. Members are chosen through their interest in the medical field. As part of the organizational duties, members participate in monthly meetings at the Matagorda Regional Medical Center. At the meetings, they have the opportunity to listen to various speakers who have extensive backgrounds in the medical field. Interacting with individuals in the medical realm brings forth a whole new insight and interest to this growing field of expertise.
