## Rebuilding a Dynasty

Despite lack of size and experience, the young Tiger team came away with some impressive victories. The young team had only 1 returning starter and 3 returning lettermen joining them so it was definitely a time to rebuild. With so many things to learn and so little time, it was not surprising that they got off to a slow start. They did improve and surprised many opponents while giving others some tough times. Although their success was limited, they held their own in many tough situations and never gave up. This year was a *year of rebuilding* and our young Tigers showed many great promises for the future, most importantly the continued fight and determination that it takes to be a winner.

Even though the Tigers overall record (at this point in the season) of 5 wins, 13 losses and their district record of 4 wins, 5 losses is not impressive, they are still in the running for the district championship. In district competition 3 of their losses were by less than 5 points. Refer to page 27 for the exciting conclusion to this story.

## Hadden Wins State 400 Meter Run

Darrell flashes a winning smile as he crosses the finish line in 1st place at the state meet.

For two years, Darrell Hadden has been trying to beat Royce Avery of Woodsboro High School in the 400 Meter Dash. Last year he came up short, placing 2nd behind Avery at the state meet.

Not This Year, Though!

Darrell beat two-time state champion Avery to take first place in the 400 meter dash at the boy's state track meet May 12th.

Darrell, running in lane 2, took the lead in the first 100 yds. and maintained this lead throughout the race. At the finish line he was 6 yds. ahead of his nearest competitor, a trackster from Pottsboro.

"I was thinking about winning it and beating him," Hadden said after he crossed the finish line in 47.5 for first place, two places ahead of Avery. "It was the last 110 yards that did it."

Darrell was only .3 second behind the state record of 47.2 set by another Tidehaven trackster — Ira Gordon — in 1968.

## Join Forces to Accomplish a Common Goal

This year our chapter joined forces with the Young Farmers and 4-H. With three powerful and influential groups like these, we were able to break all Tidehaven fund-raising records ever posted. We exceeded the \$13,000 mark which will enable the Young Farmers to purchase our animals at reasonably high prices.

Cooperation is probably the most effective and promising part of not only an organization's success, but the success of every single individual in today's society.

We also would like to welcome our new Ag. instructor Mr. Steven Clontz. Already he has produced a fine radio team that placed 7th at state.

## *Prophecy*

It's the year 2004 and we are at the house of Professor RUSSEL BLOOM with his humble assistants EDDIE "FINGERS" GALVAN and CLINTON DYBALA. They have just invented a time machine and have asked the Senior Class of 1984 to join them in their expeditions.

The first to enter the time machine are KYLE CAIRNES and JOSEPH LEAL. They request to go back to the Stone Ages to seek their ancestors.

When we arrive, we find DALE TASKA rubbing his nose against the cave wall trying to create fire while his wife JODIE LOSOYA TASKA is waiting to cook his supper.

Next, we see HILARY RYAN and LEA JALUFKA competing for the New Miss Stone Age. Onlookers are SONYA BUIS with her newly invented stone camera and LINDA VILLEREAL taking notes just as she did in High School.

Just as we are about to leave we are sideswiped by none other than DARRELL SAHA in his new dinosaur-powered mustang.

Arriving back to present time we find the newly wedded MARY and ANDY AGUILAR, ready to go back to the Roaring 20's.

We enter Gardener's Good Times owned by GRAIG "GET DOWN" GARDENER. Over in the corner we spot JODY GUYNES and RUDY GALVAN being asked to dance by the Flapper Sisters, KATHY and TRACEY HEBERT. Rudy and Jody reply in unison "Why are you bothering me?" Suddenly there is a loud commotion outside. We rush to the door and find BRENT HARVEY and MATT TOVAR engaged in a holdup at Holzapfel Bank & Trust owned by CAROL RUTH HOLZAPFEL. They are searching for their get-a-way car but find that JESSE ADKINS, their accomplice, has taken off in search of his brother OTTO. We decide to leave and we see Sheriff LISA FLAGG with her two deputies, RACHEL CARRILLO and STEPHEN NANCE arresting them.

Back at the Professor's house, DARRELL HADDEN and BARRETTE SARDINEA are eagerly awaiting their turn in the time machine. Their request is to go to the year 2045 and visit Damon's. We find that it is now owned and operated by BILLY "BILDO" FELLERS. For entertainment we have DANNY KRENEK and the Crewcuts with DARRYL RUSH playing the keyboard with his teeth and JOHN MONDRIK playing his built in bagpipe. As we venture into the parking lot we find ROGER LARA waiting on a shipment of merchandise from Hawaii. We suddenly hear a deafening sound coming from the "Farmall" machine, driven by none other than PAT BROWN with his new lightly sophisticated Bowman stereo which he purchased from the new dealer of the town, CHRIS "VAN" RICKAWAY. As we are walking back to the time machine we are captured by a group of Lowriders which are ROSE CHAVEZ, BECKY GALVAN, and PETE GARCIA. But fortunately CHRIS CRUZ, MARGARET LONGORIA, and LAURA GARCIA came to our rescue driving a Border Patrol truck and chased them away. We thanked them then we went on toward our time machine to go back home. We are happy to say the Senior Class of 1984 has enjoyed their adventures through time.

## *Senior Class Will*

We, the Senior Class of 1984, being of extremely intelligent minds and sexually attractive bodies do hereby will the following to the Junior Class:

I, CRAIG GARDNER, will my ability to "pop" to Darrell Holliday and John Adome, and to Ricky Lara my ability to "slam dunk."

We, JOHN MONDRIK and KYLE CAIRNES leave ourselves for next year.

I, PAT BROWN, leave my nickname "Farmall" to Sonya Besch.

To Mary Lou Fields, I, RUDY GALVAN, leave my frequent trips to the bathroom.

I, BECKY GALVAN, leave to Jana Rickaway my ability to like my natural hair color.

I, CLINTON DYBALA, leave my excess body weight to David Sagissor and Mike Davant, they need it more than I do. To David Rutherford, I, CHRIS RICKAWAY, leave my ability to smooth-talk the teachers.

To Michelle Merta, I, LINDA VILLEREAL leave my cosmetic techniques, may she use them wisely.

I, ANDY AGUILAR, leave my chicken to Raul Caballero and Bruce Calhoun.

I, LAURA GARCIA, leave my giggles to Tina Bloom and Kellie Inman.

I, ROGER LARA, leave my nonchalant attitude toward school to Robert Usry.

I, DARRELL HADDEN, leave my ability to dunk with two hands to Steven Horton and Kevin Wilson, but you must get up with the elements.

I, SONYA BUIS, will to Cathy Cano, Patti Lara, and Judy Sagissor all the fun of being a Senior in and out of school.

I, LISA FLAGG, will my ability to take my position on the basketball court to Paula Frick.

I, BARRETTE SARDINEA, will my ability to "slam dunk" to Steve Sliva.

I, TRACEY HEBERT, leave my loudness to Michelle Miller and to Faye Coulter and Jessie Baugh the ability to carry on.

I, DALE TASKA, will my ability to make Mrs. Pierce's bad days even worse to her son, Lee Edward Pierce.

I, DARRYL RUSH, leave my sleeveless T-shirts for which I no longer have use to Gardner Powell.

## More New Faces

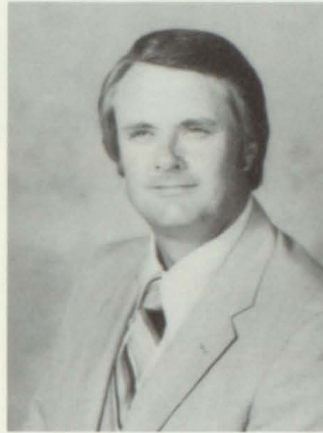

At the end of the first semester, Mr. Charles Alley transferred to Dilly and was replaced by Mrs. Caroline Elkins. Mrs. Chris Ray retired after 20 years of service and was replaced by Mrs. Linda Mathis, a former 1971 Tidehaven graduate. Because they came after pictures were taken, we regret that their pictures are not available. Also we would like to welcome Mr. Steven Clontz as the new Ag. Co-Op teacher.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial data. This includes not only sales and purchases but also expenses and income. The document provides a detailed list of items that should be tracked, such as inventory levels, customer orders, and supplier payments. It also outlines the procedures for recording these transactions, including the use of specific forms and the assignment of responsibilities to different staff members.

The second part of the document focuses on the analysis of the recorded data. It describes various methods for identifying trends and anomalies in the financial performance. This includes comparing current data with historical trends, analyzing seasonal fluctuations, and identifying areas where costs are higher than expected. The document also discusses the importance of regular reviews and reports to management, providing a clear and concise summary of the financial situation. It includes a sample report format and a list of key performance indicators (KPIs) that should be monitored.

The final part of the document addresses the overall financial health of the organization. It discusses the impact of the recorded data on the company's profitability and growth. It also provides recommendations for improving financial management practices, such as implementing tighter controls, negotiating better terms with suppliers, and optimizing the pricing strategy. The document concludes with a summary of the key points and a call to action for all staff members to adhere to the established procedures and maintain the highest standards of accuracy and transparency.
