Happy Birthday from a native son.

The Lone Star.

For a hundred and fifty years now
it has shone.

A solid anchor at the base of America.

Texas.

There's no place else we'd
rather all home.

And home it's been
since the day we were born.²

The 3-b's! Who?

Some people ask, "What's the 3-b's for in T.H.S.?" "Well," some answer, "what else do you call a team picked last in District, with a Bohemian coach, a black quarterback, and a blind center?" While others say, this team with 4 returning starters, *The Dirty Dozen*, a first time player, and 10 freshmen, came a long way with 7 losses, 2 ties, and 1 win. These are the same people, who say the 3-b's stand for the boys who became men to win third in District. Oh! You're wondering about the *Dirty Dozen*. Well, now that's another story — it was the J.V. who had 12 players for 4 losses and no wins. These players were moved up to varsity early in the season and proved themselves quite well."

VARSITY VOLLEYBALL

The Tidehaven Tigerettes battled fierce competition this year to end up with a 6-15 overall record. The district competition was also tough. The Tigerettes ended the 1985 season in 4th place with a district record of 4-6. Although the record does not show it, the team was full of winners. The Tigerettes worked together as a team, won as a team, and lost as a team. Three team members were placed on the All-District team. They were Maribel Garcia — 1st team, Carlotte Savage — 2nd team, and Robin McMillan — Hon. Men.

The Tidehaven Tigerettes were inspired by the song "Let's Go All The Way," by Sly Fox. The song almost carried them to the Regional tournament. However, they were stopped by Troy in a hard fought area game. The 1985-86 Tigerettes traveled a long, hard road to get to the area game, and to become the best team Coach Paula Jasek has ever had. The 1985-86 basketball season started out slow, but with practice, the Tigerettes started to improve. The Tigerettes attended three tournaments and won third at Industrial, and consolation at Austwell — Tivoli. With an 8-7 record the Tigerettes entered district play. The long hours of practice finally paid off. The girls won district with a record of 9-1. The

Tigerettes proceeded to the bi-district playoff game, which was against Yorktown, and won. Five girls were placed on the All-District basketball team for their hard work. 1st Team — Maribel Garcia, Kim Phillips. 2nd Team — Yvonne Gomez, Julie Davant. Hon. Men. — Robin McMillan.

This team of young athletes led by Coach Haines placed third in District with a 5-5 season. This team made up of one senior, two juniors, three sophomores, and four freshmen played a fast-paced game in which there was a lot of action. We wish this team the best of luck next year.

Athletic Banquet

The Tidehaven Athletic Banquet honoring all athletes was held at the Celanese. This year the Boosters Club broke the tradition of having the banquet at the El Maton International Hall. The banquet began right after school with most of the Tidehaven athletes jumping into the Celanese pool. Afterwards, a banquet was served and awards were presented. Jimmy Nemecek received the outstanding boy athlete award and Maribel Garcia received the outstanding girl athlete award.

FUTURE TEACHERS OF AMERICA

The Tidehaven FTA Chapter was very busy throughout the 1985-86 school year. Some of the activities included "FTA Hat Day," a Halloween costume contest, and the annual Veteran's Day Assembly. Four members attended the District III Convention at Industrial High School. Kim Phillips was elected Dist. III Parl. for the 1986-87 term.

The runder raiser this year was selling stuffed animals and bellringers.

CONGRATULATIONS GRADS

Prophecy

Captain Johnny Tise enters in his log, "the date May 30, the year 1986, ten years have gone by since graduated from Tidehaven and I wish to take it upon myself to find my former classmates."

Tise, now owning a large ship, decides to travel the world in search of his former classmates and to record their ten years of progress. He writes, "I did not have to go far to find John Jasek, for we killed Libyans together on my gunboat after high school and he is the pilot of my ship with my wife Lamona Lemarr Tise and my six children.

We left Port Garrett early this morning and saw Jennifer Garrett on the docks where she and her partner, Polly Lezak, had built the elaborate On the Bay Malls, with the help of the now famous engineer, Adam Gomez. As we entered the Tres-Palacios Bay, we saw Coy Rooks, the editor of *Texas Fisherman* and skeet-shooting gold medalist winner of the '88 Olympics. He is now married to Lisa Piwonka after divorcing Pam Cruse, owner of *Texas Fisherman*.

Leaving the bay and entering the Gulf of Mexico, we found Efrain Sanchez branding cattle for his boss, Nick Carrillo, on Matagorda Island. Nick married Dallas Cowboy cheerleader, Lisa Burt Carrillo. Both retired from the Cowboys when Kenneth McCarter took Nick's position punting.

After a brief talk with Efrain, we learned that he had married Lois Losoya and that they were attending the Cattleman's Association Banquet that night. Efrain said his friend, the president, invited them. Not knowing his friend, we asked and he said, "President Dean Rush, the Cattle Baron."

We were heading at mach 1 knots for New Orleans when the Coast Guard stopped us for going too fast in the Blackmon Zone, a zone in the water marked by Nona Blackmon, a surveyor, so as not to disturb LeTicia Allen by waves when she sunbathes as Miss Texas, for her boat had a flat top. The Coast Guard Officer, Mike Brown, released us in the port after confiscating one case of beer. Then, Reverend Cedo Sardinea blessed my ship.

We ate at a French Cafe owned by Dena Neuman and was served by Shelly Michalik and Anna Quinney. They threatened to have the manager forcibly remove us when I could not find my checkbook, but before Vincent Galvan could remove us, Kayla Longoria reimbursed me for money I had loaned her in 1986.

I had forgotten that she had borrowed money from me to build "Mi Segundo Casita" in New York. She was here in New Orleans getting flour. We left for New York after eating. When we entered Manhattan Bay, we saw the Lady Liberty was being repaired. Stopping to look, we were approached by the President of the United States, Cassandra Clark, who asked us to donate to the foundation and we obliged.

After docking and entering New York, we were picked up by cabby Gilbert Vasquez and he told us his wife, Ramona Coulter Vasquez, is having their third child delivered by Doctor Pam Bucek. Then he took us to the U.N. Building where we met Richard Chavez, Ambassador to the U.S., along with his wife, Maribel Garcia Chavez. They told us James Nemeč lived in a shack at the top of a sky-scraper.

I really hate to see what they lived in because James Nemeč lived in a Penthouse Suite. He was a photographer with top models — with top names like Sherry Dybala, Robin McMillan, and Mary Nell Landers. I thought I was dreaming and pinched myself to make sure. After talking with James, we learned his wife, Christi Rutherford Nemeč, was expecting Marina Sanches, the building tenant, for supper.

When we were ready to leave, the booster engine would not kick in and we called for Mechanic Mike Horton to fix it. I feel my day was not wasted, for today I had learned that May 30, 1986 would live in my memory always as the day I graduated with my classmates from Tidehaven to enter the tide, to wither sink or swim.

Will

We, the Senior Class of 1986, being of sound and superior mind and physically great bodies, do hereby will the following to the Junior class:

I, LeTicia Tarra Gennae Allen, being of fatigued mind and body, will my superb artistic ability along with my compatibility with *all* Tidehaven students to Lorenza Garcia. And to the entire Junior class, I will my love for and growth in our Lord and Savior Jesus Christ. May He richly bless your lives with as much joy and peace as He has mine.

I, Nona Blackmon, leave to Mario Lara my straight leg jeans. May you never wear bell-bottoms again!!!

I, Michael Brown, will my ability to pass Ag. Co-Op without studying or doing a bit of work to Kevin McKissick, who will be with Mr. Clontz next year.

To Andrea Jager, I, Lisa Burt, will my truck so that she doesn't have to ride "shotgun" with her brother, Dennis. Also, I will all of my freckles to Carlton "Boo Boo" Revis.

I, Nich Carrillo, football star, will to Frank Kelley my ability to get along with "Daddy Tobola."

I, Richard Chavez, will to Baldemar Garcia my ability to get along with Coach Tobola and play at least one tennis match a season, and to Stacy Horton my ability to rush home to watch Transformers at 4:00 every day.

To Kathy Wilcox, I, Cassandra Denise Clark, will my petite figure, and to Tami Saha and Debbie Loose, a month's supply of my boyfriends. (I know they'll find something to do with them!!!)

I, Ramona Coulter, will my ability to take a test in peace and quiet to Diana Rodriguez.

I, Pamela Jean Cruse, being of very sound mind, will to Robert Cruz my spelling abilities. May he learn to spell his last name correctly.

I, Sherry Dybala, being of sound mind and good rhythm, will my dancing abilities to Dennis Jager. May you never trip over your two left feet again!!!

I, Vincent Galvan, will to Yvonne Gomez the ability to walk down the hall without looking as if I were about to die, and to Lora Lee Lara the ability to allow someone else to touch my sister.

I, Maribel "No Middle Name" Garcia, will to Charlotte Savage my height so that she may attempt a decent spike and to Julie Davant the originality to think of a better excuse than "the eye doctor" or "the bone specialist."

To Debbie Bradley, I, Jennifer Garrett, will my superior driving abilities (You need them more than I do!) and to Tonya Gardner my hoop skirt since she kept it a whole year.

I, Adam Gomez, will all of my tiny curls and styling mousse to Michael Krause and my ability to hit the tennis ball and not my face to Baldemar Garcia.

I, Michael Horton, leave my brown hat to Bruce Parks. May you catch as many girls wearing it as I did!!

I, John Jasek, will my ability to do absolutely nothing in Ag class and get away with it to Kenneth Parks.

I, Mary Nell Landers, will to Charlotte Savage my ability to participate in class discussions.

I, Lamona Lemarr, being of unsound mind, will to Kathy Usry Walker my nickname "Beer Wolf." May she have as much fun with it as I did.

I, Kayla Anne Longoria, will to Kimberly Ann Wilson my Tina Turner hairdo.

I, Kenneth Marvin McCarter, will all of my tools to Mike Wakefield. Be careful with the wrench. It's devastating!!!

To Bruce Parks, I, James Nemec, will my ability to skip Ag Mech. to go fishing.

I, Dena Neuman, will my nickname "Miss Bluebonnet Bowl" earned because of my great twirling talent to Cindy Reyes and to Julie Davant the skin I left on the Stafford track to cover her frostbitten leg.

I, Coy Rooks, leave all my empty beer bottles to Wade Rush.

To Jerry Lee Payne, I, Dean Travis Rush, leave my accounting abilities. Maybe now you'll do more than put your name on the test and turn it in. Also, to Brent Crosswhite, I will my ability to raise Grand Champion chickens. Good Luck!!!

I, Efrain Sanchez, will my "John Travolta looks" to Fernando Cruz, and to Jesse Edwards, my "Bill Blass" glasses.

I, Cedo Sardinea, will my fabulously intelligent brain to Edward Waldrep, and my ability to know the difference between a local current event and an international current event to Mark "Khaddafy" Locklear.

I, Johnny Tise, leave Pablo Aguilera my ability to copy English IV compositions from the "Reader's Digest."

I, Gilbert Vasquez, will to my sister, Rita Vasquez, my ability to rise and shine bright and early every morning to make it to school on time, and to Mario Adame, all of the produce he can eat from HEB's.

We, Anna Marie Quinney and Lois Marie Losoya, will our mathematical ability to any Junior taking Geometry three years consecutively or any Junior stupid enough to get yourself into such a predicament.

We, Lisa Burt and Kayla Longoria, will our Accounting and Computer abilities to all the Juniors since we are so talented in these areas.

We, Polly Lezak, Robin McMillan, Shelly Michalik, and Lisa Piwonka, will our ability to be on *every single page* of the Annual to Jason Foltyn, Yvonne Gomez, Robert Kowalewski, Janeen Mallette, and Kim Phillips. May they chase the camera as fast as we did!!!

We, Pam Bucek, Marina Sanchez, and Christi Rutherford, will our abilities to make our will to Mary Williams, Kathy Bloom, and Sherry Seals.

We, the Physics class of 1986, will to the Physics class of 1987 our abilities to define Sir "Awesome" Nelson's terminology, decipher his penmanship, keep a straight face while he gives crazy examples to make us understand, and live through his "lead foot" without pushing the "panic button" a single time.

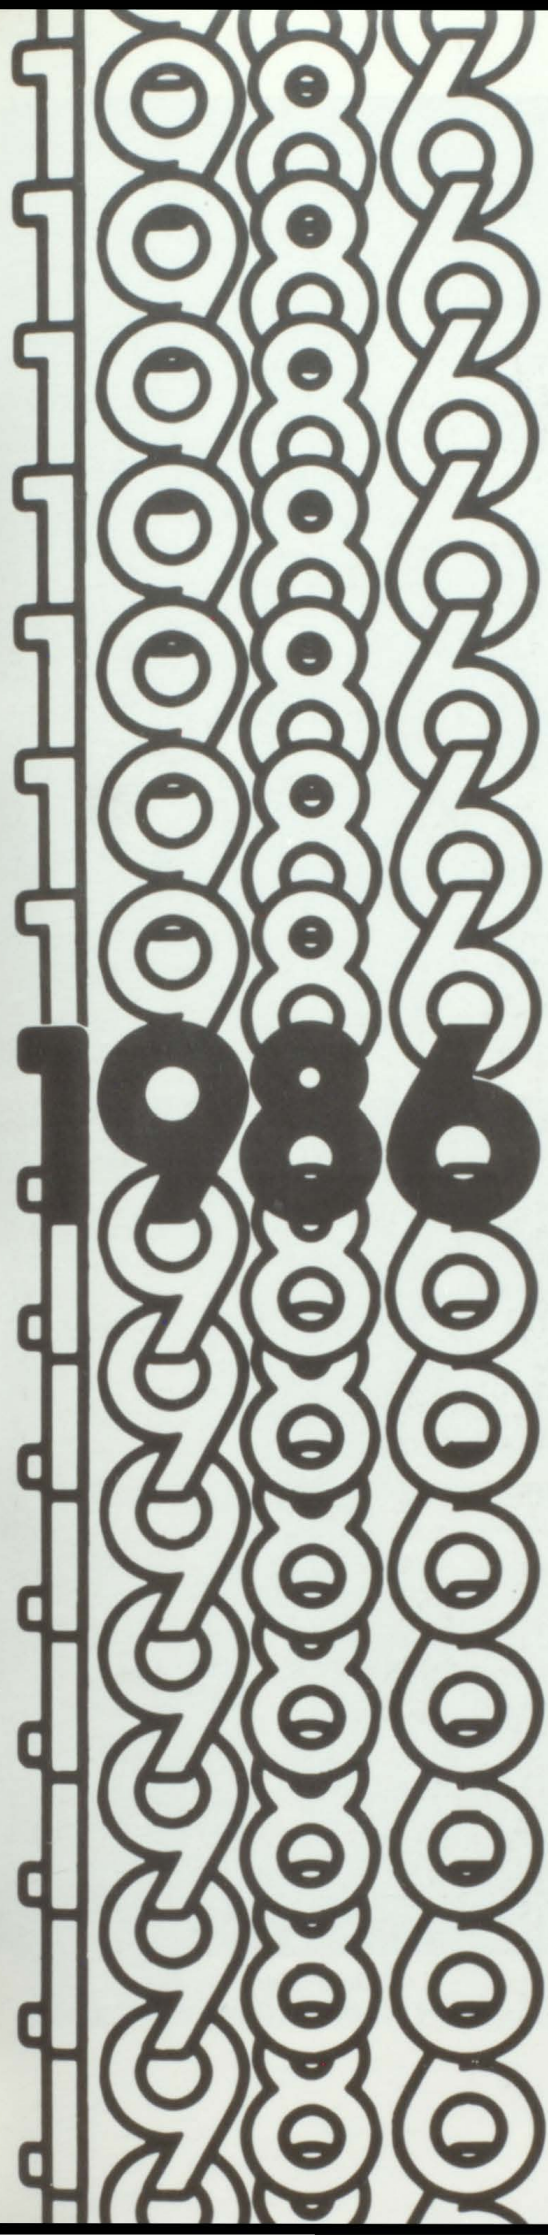

We, the Senior Class of '86, being of highly intelligent minds and superbly fit bodies leave the Senior class of '87 our ability to pass the exit level exams and our ability to get the teachers to change test dates because we supposedly have tests in other classes.

Dedication Delvin L. Taska

Mr. Delvin L. Taska was born in Austin County on July 19, 1926. In November of 1932, he moved to Matagorda County. He graduated from Blessing High School in May of 1944 and in August of that same year he volunteered for the Army. There, he served as an enlisted man and an officer.

Mr. Taska attended college under the G.I. Bill and received his B.S. Degree from Southwest Texas State University. He has done additional work at Texas A&M University, Northwestern State College of Louisiana, and other colleges.

In September of 1950, Mr. Taska came to Tidehaven as principal and girls' coach. He was principal until May 1972. From July of 1972 through June of 1973, Mr. Taska served as Assistant Superintendent.

Since July of 1973, Mr. Delvin Taska has been Superintendent of Tidehaven. The students and faculty have been fortunate to have had such a fine Superintendent. He will be greatly missed.

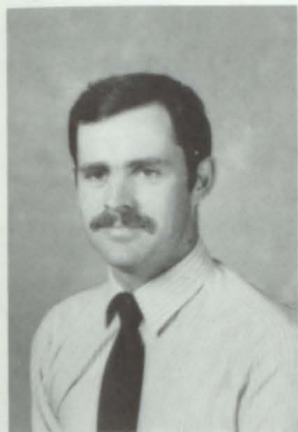

History In The Making

Yearbooks may come, yearbooks may go, but teachers will always remember TECAT. March 10th was a vacation day for all students, but a day of infamy for all teachers.

The 1985-86 school year was considered a landmark year because of TECAT. The consensus of the THS faculty was that the test was not a test of ability, but rather a test of endurance.
