(Above) Whoa! Look at them legs!!!

Junior Varsity Cheerleaders and sponsor, Mrs. Chrane went to San Marcus for the UCA camp. Arriving home all were ready to work during the summer making lots of posters, run throughs and getting to participate in Friday pep rallies. Plus the enticement of going to playoffs and getting to cheer for the VARSITY team. Football ends and it is time to get to the gym to cheer-- defense/offense for the basketball teams.

**VARSITY CHEERLEADING**--what does that mean? Practice, tryouts, summer camp, squad practice, lots of paint on selves--as well as the hall banners, and a lot of fun preparing for Friday pep rallies. Or maybe it is the nights when members of the squad(Michelle) forgetwho we are playing! Or throwing footballs into the stands after a touchdown.

During the summer we sponsored a commuters camp through UCA. Our squad did well receiving a superior trophy, spirit stick, blue and gold ribbons, Mascot, Sabrina Pierce also received a spirit stick, a trophy, blue and red ribbons.

School started, Mrs. Atkinson appeared as the new sponsor and gave the squad new insite. "Thanks Mrs. A."

# HOMECOMING '95

The week of October 9-13 was a fun filled week for members of the student body that participated in "Spirit Week" sponsored by the Cheerleaders. On hat and shades day we found Mrs. Atkinson walking the halls in her 'cool, custom-made yellow shades'; Backwards day found people turning their heads as Amy Price walked backward

down the halls. Weird/wacky day brought out the best in Randi Rickaway and on Friday Crystal Downs showed her true spirit painting her self red and blue. Also on Friday mums and garters could be found in the halls as self, parents, or that special friend recieved and gave for the occasion-- Homecoming '95.

Guy and Amanda may be breaking the rules, but at least they are showing their school spirit on Homecoming!!!

Let the Homecoming game begin!!

*Prom 1996. CASINO NIGHT, was a fun evening for those who participated in the grand march and the casino games. As the evening progressed the game tables were opened and everyone was given chips to gamble away (a first for THS). # *An Eye on Tiger Pride Football...*

The 1995 football season was a great success. We accomplished a great deal as a team and individuals. The seniors showed tremendous leadership and the team showed what hard work, dedication, and what a lot of heart can accomplish. They won the District Championships and went to the playoffs for the sixth time in the last seven years. Also, we finished seventh in the state rankings for Class 2A.

During the playoffs, the Tigers played Schulenburg for Area. The Tigers were in the lead until late in the fourth quarter when Schulenburg scored. This put Schulenburg ahead of the Tigers by three. The final score was a disappointing thirteen to ten.

Well, the 95-96 year brought about a new track coach, but only after one year as head track coach, Coach Housson has decided to resign as the track coach so that he may spend more time with his family. He did very well with the track guys this year. He ended up winning the district track meet, and sending many people to the regional track meet in Wimberly where they placed second only to the Schulenburg track team who only beat the track team by four points. They also sent many people to the state track meet where they ended up placing fifth in the team competition. So after all this is over the sports program at Tidehaven High School would like to thank Coach Housson for his contribution to the sports program.

Chris races for second.

Chas soars over the pole vault

Jeffery jumps out of the blocks.

The people who participated at the state level were **Chas**-2nd in pole vault, **C.J. Babik**--4th in the 300 hurdles, and placing third was the mile relay team consisting of **David Pluss, Jeffery Williams, C.J. Babik, and Troy Davis.**

The Tidehaven Tigerette track team welcomed in the new head track coach, Coach Whyburn, by doing very well at track meets that they went to. Like the boys track team, the girls also sent many people to the regional meet in Wimberly. Out of the people that went to regionals for the girls they sent super junior **Jamie Johnson** to the state meet where she won the gold medal in the one hundred and ten meter hurdles. While winning the gold medal she also set a new school record by running the best time of the year.

Sixth graders yell for a victory at Homecoming Pep-Rally.

## Junior High--

means making new friends from both Blessing and Markham, joining extracurricular activities such as football, volleyball, basketball, band, cheerleading, and UIL. Also reward dances, volleyball games on Monday and going to the high school stadium

for a football game on Thursday night. Also we had to remember we were having several teachers per day, assignments to be done on time, and again keep up with our friends. Think of the reams of paper that are used yearly writing notes! Not necessarily the kind to turn into Mrs. Boyett.

Trey Muston loves that cafeteria food.

Mat Krenek and his sixth grade friends show of their costumes.

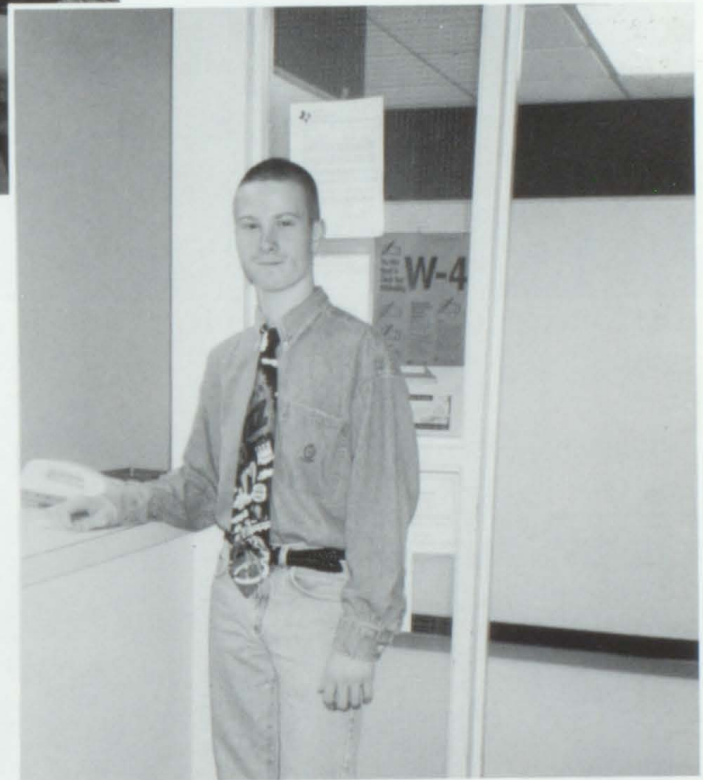

Kenneth Quinn and all his friends say hello.

Bill and Hillary Clinton or Trenton Carroll and Lacie Schneider.

Can you believe he has brown eyes and brown hair? That is what these girls always whisper about.

Another day in the office for Matthew Finley.

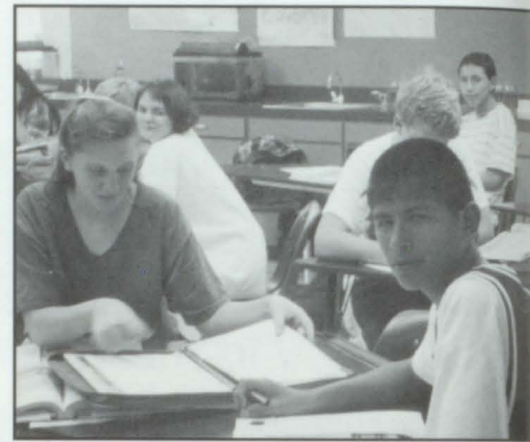

Derrick Nance has another one of those long writing assignments from Mrs. Boyett.

The decorating committee is planning to dance the 50's away.

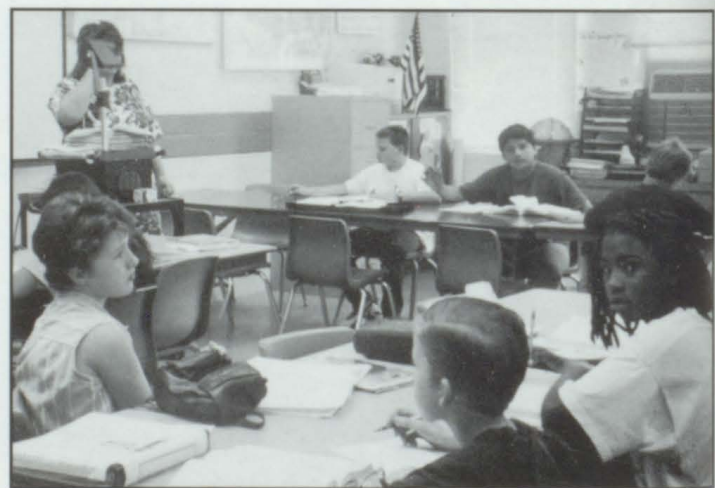

The Kitten Pride band waits for their turn to play at the pep rally.

Heather Vaculin and Rocky Galvan sharing notes in science class.

Stephanie Green and her social club say the food is A O-K.

Victoria did you hear what Mrs. Gilbert said?

Elaine smiles while the rest of her friends sing.

Charalette is doing the "Groove."

Go Kittens!

Yuk Girls!

Amy with her newest dance partner.

We love to dance.

Jennifer McGee and Carrie Crain show their new personalities for one day.

The couple of the month.

This cowboy of the year seems to have lost his hat.

Bottom: Check the T J H out.

Come on stop peeking.

# Yearbook Staff

## Tim Hurley

I had a great time helping to put this yearbook together. I learned a lot, like how to deal with somebody yelling at you to get your work done and how to do something that I didn't know how to do.

## Guy Krueger

Now that this school year is over, I look back at it and I think it was a pretty good year for mostly everyone in yearbook. We got off on a slow start but we worked really hard and actually finished the yearbook, which no one on the staff thought would be possible.

## Jenny Harris

This year has been an experience. There has been a little laughter, there's been a lot of yelling, but all in all it's been great.

## Jodi Roecker

My first year on the yearbook staff was all that I expected and more. Hard work and making new friends became a part of the everyday activities.

## Phoebe Parks

My senior year in yearbook was a fun-filled and exciting one. I could have done without the pressure from Mrs. Maupin and the deadlines, but in the end it was all worth the effort. Thanks to everybody in yearbook for making my senior year in yearbook GREAT.

C-ya later!
