## *Foreword*

As you turn through the pages of your 1952 LEOPARD, we hope that the classes, organizations, and activities that are portrayed will recall to your mind the happy memories of days spent at Van Vleck High School.

In this annual we hope to preserve many laughable and cherished memories that otherwise would be forgotten.

You might find some imperfection but we know that you sympathize with our efforts in endeavoring to bring you an annual that you will always treasure.

## *Superintendent's Message*

May I congratulate the annual staff for this fine production of THE LEOPARD. I trust that each time you scan the pages of your annual in your life after school that it will bring back pleasant memories of your school days at Van Vleck High. We have endeavored to make your school environment a pleasant one as well as one that is conducive to an education.

Your teachers and I will follow your life after school with much interest. Your success will add to our pleasure and your adversities to our sorrow. Our aim has been to equip you to live a happy life and to earn an honest living. Our success as teachers can be measured by your success in accomplishing these goals.

Sincerely

*E. Rudd*

## *Principal's Message*

To The Annual Staff:

Through your efforts the material which will make up this year's annual has been assembled and arranged in proper form. This has required many hours of thought, planning and work on your part. One reward for this effort will be a feeling of satisfaction by reason of a job well done.

Each annual should be better as the years go by. This is one way in which you may show the public that our school is making progress. Strive to produce a product of which you may be justly proud.

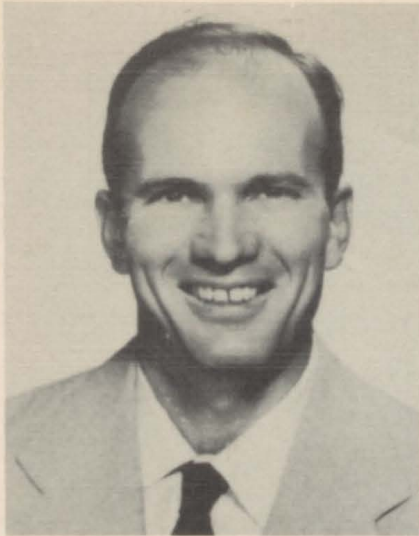

Sincerely,  
Byrl Clayton
