THE LEOPARD

Foreword

In years to come we shall realize that some of the most pleasant experiences in our lives occurred to us during our school years. Memories of this year will increase in value as the years go by.

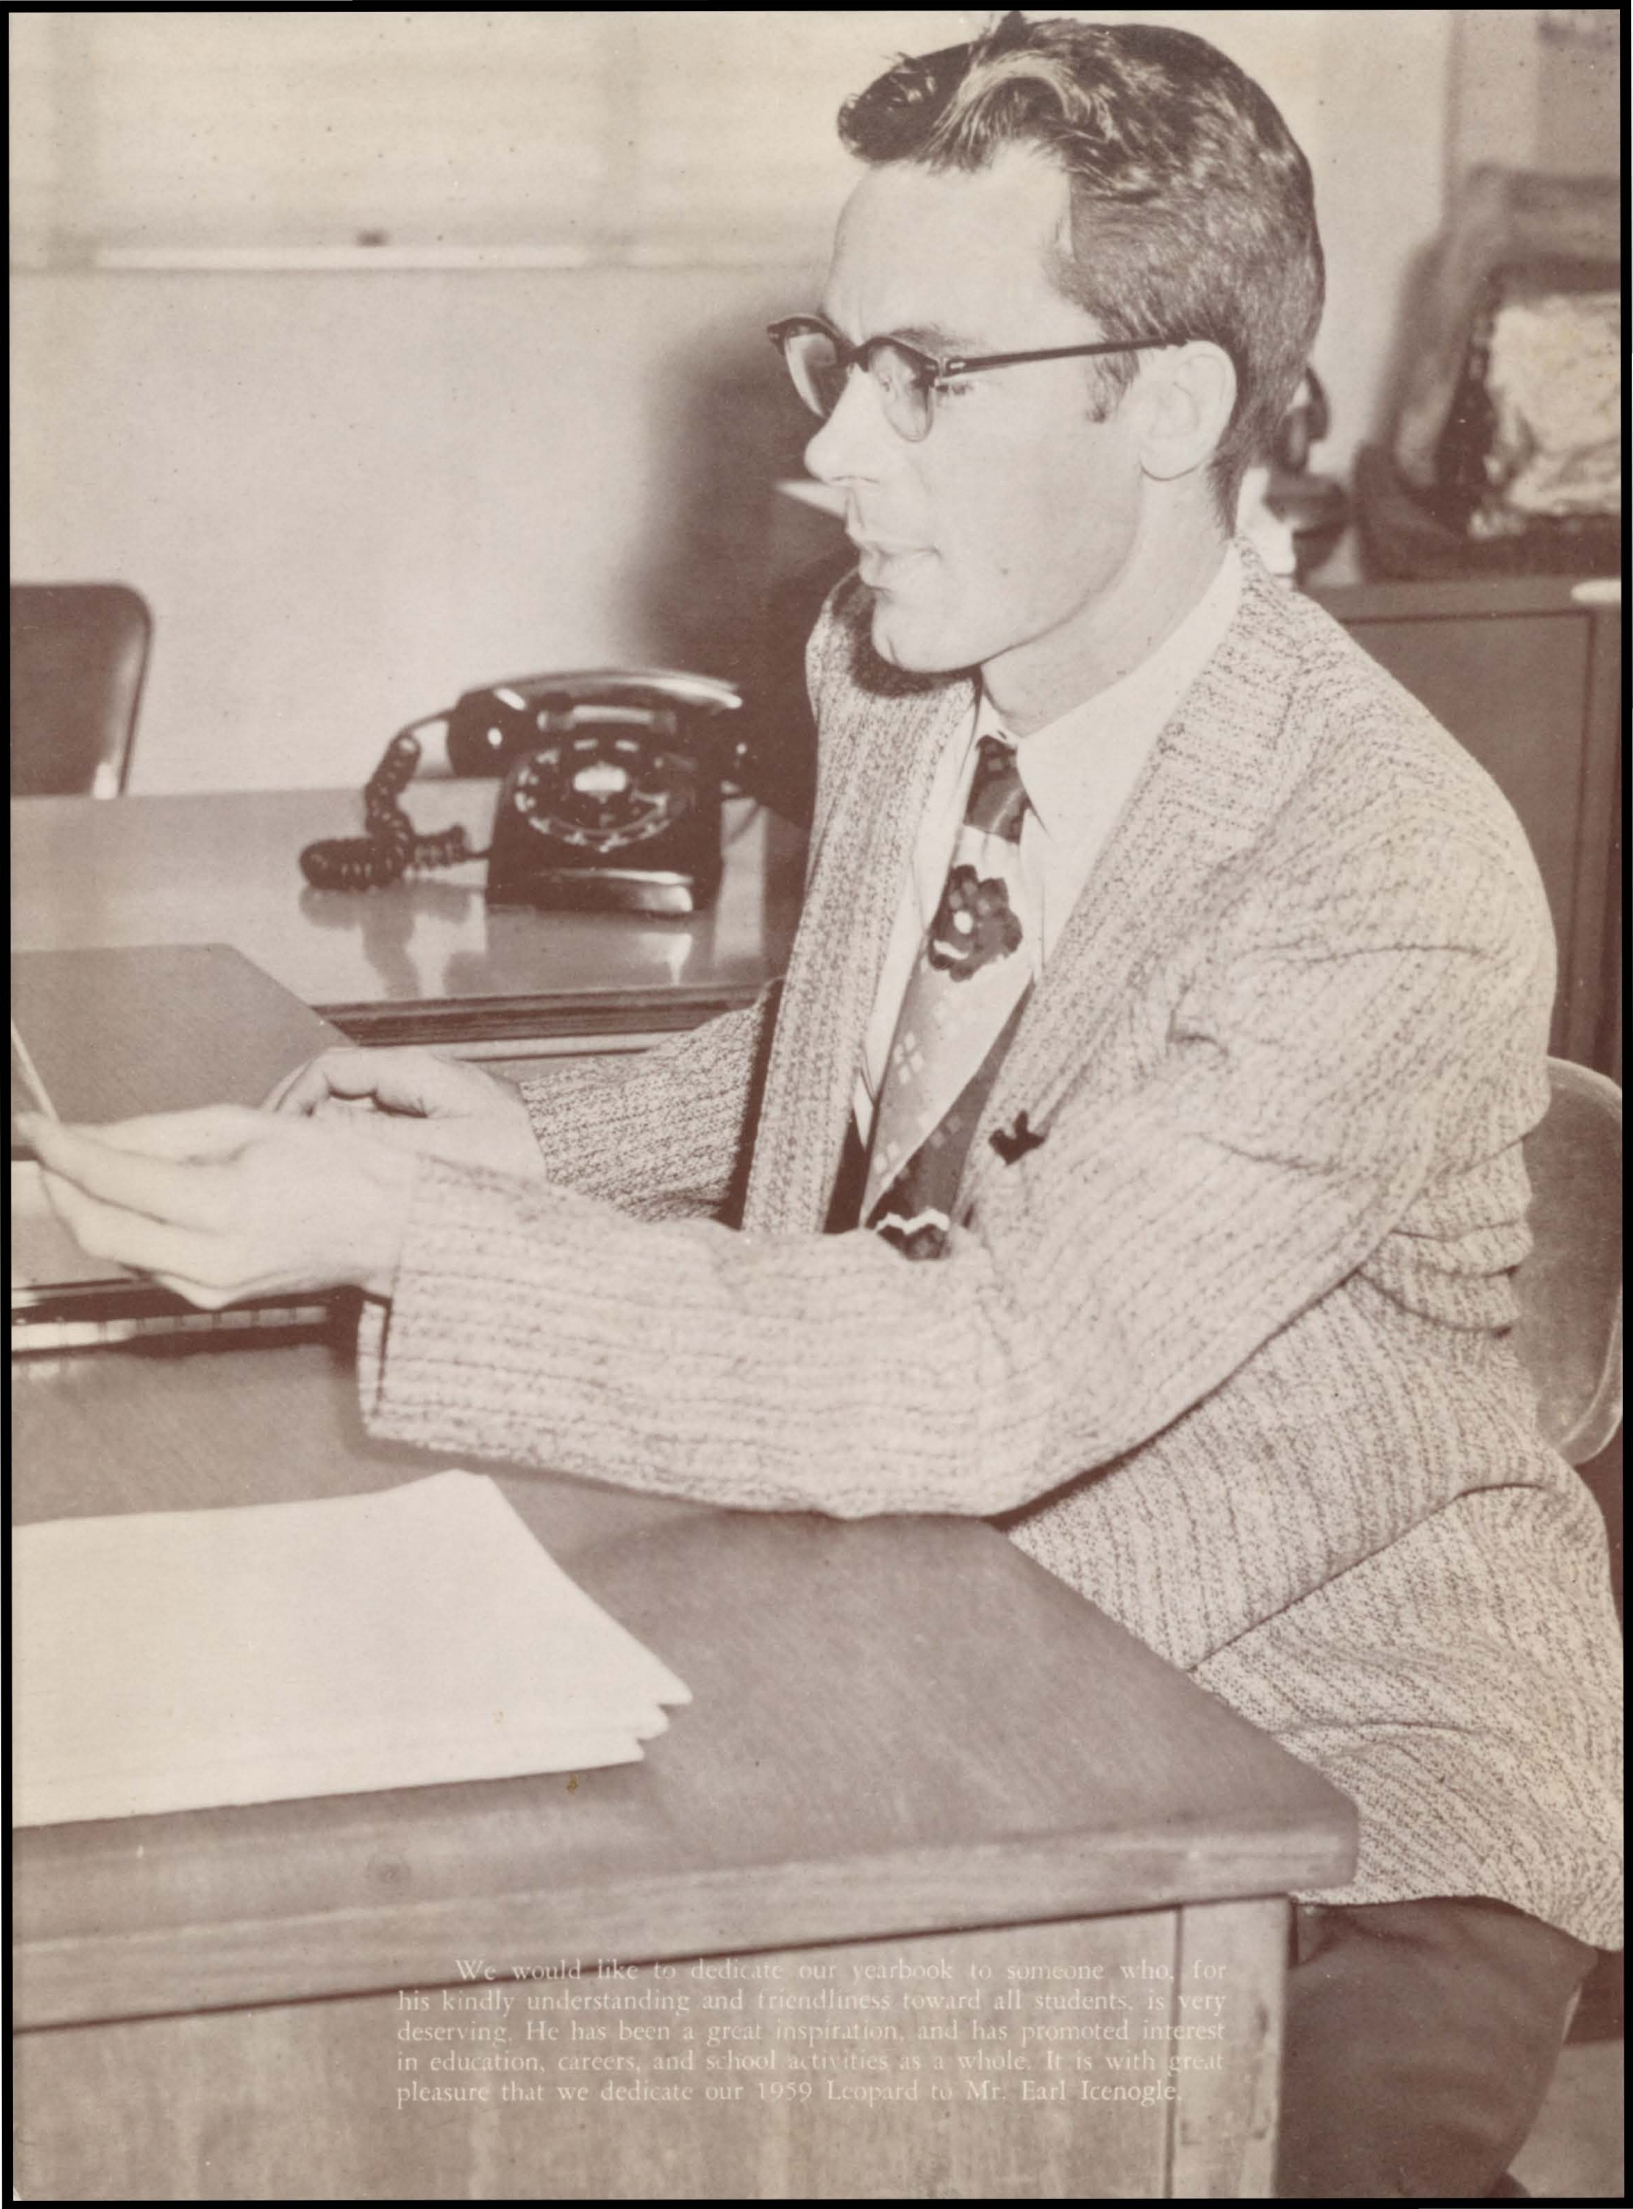

With the excitement of the end of another school year, so many of the activities of this year are all but forgotten. It is our hope that the 1959 LEOPARD will serve to help you remember with pleasure this past year, and to some this last year at VVHS.

We would like to dedicate our yearbook to someone who, for his kindly understanding and friendliness toward all students, is very deserving. He has been a great inspiration, and has promoted interest in education, careers, and school activities as a whole. It is with great pleasure that we dedicate our 1959 Leopard to Mr. Earl Icenogle.

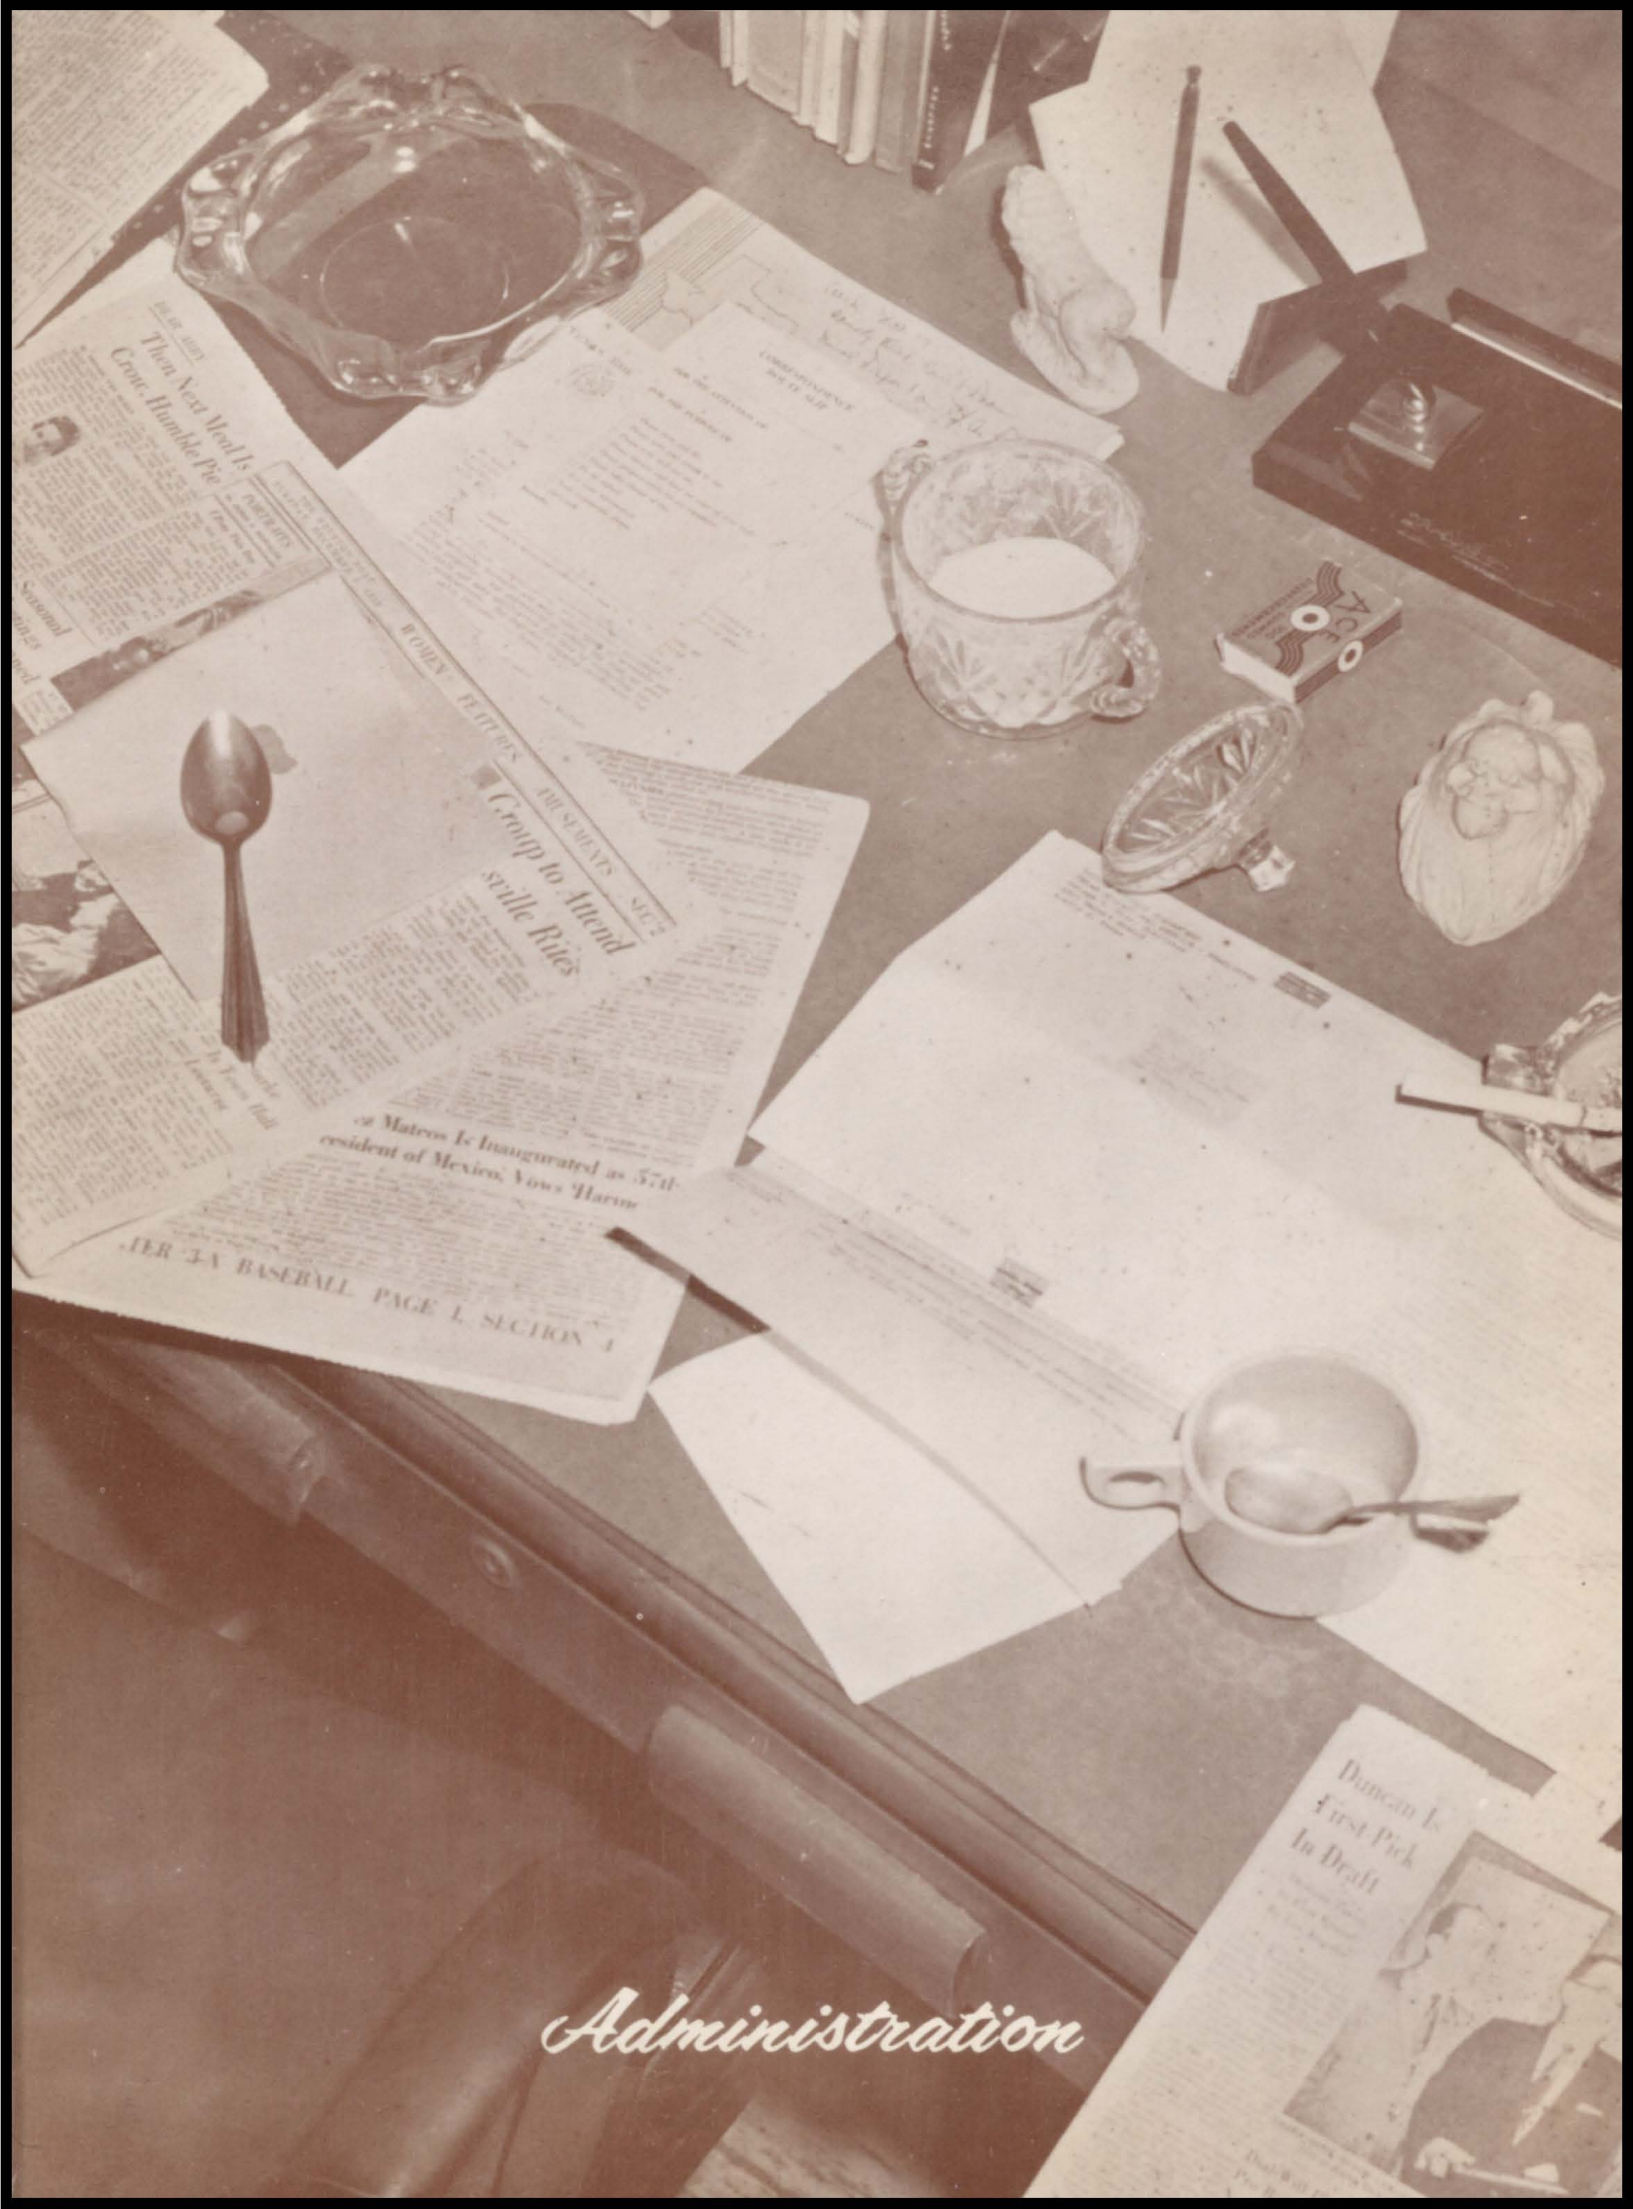

Editor's Message

What is there to say at the end of such a happy school life? The things that some of us have participated in will now become memories, and the dreams we have dreamed will be lived in reality in the near future. But for others the end of this school year is just one more step in the ladder of success. We, the seniors, have reached the greatest step and feel proud of it, just as every other student attending Van Vleck High School.

I wish to extend my appreciation to the entire student body and faculty, who helped make this annual possible. It is my desire that this book will live in the hearts of every person who views its pages. I am proud of it, and am proud to have been able to serve it.

Sincerely,

Phyllis Hanna

Superintendent's Message

Ours is a government of, for, and by the people. It is a trust handed down to us by our forefathers and we must keep the light of liberty burning. This task becomes more difficult with each ensuing year but as this Nation has citizens such as are enrolled in our schools, it is a task that will be accomplished.

May your future be most enjoyable and the success you so richly deserve come your way. Ours is a most remarkable student body and in the future will bring credit to yourselves and to our school.

Yours most sincerely,
William R. Dendy

When pictures of the Staff are taken, so often the photographer is not in it—someone had to take the picture. Soon we tend to forget that the photographer is even a member of the staff.

We are fortunate to have on our staff a photographer who has worked so diligently at his thankless job since 1956 without having been more than mentioned in the Leopard.

This year we want to take this opportunity to thank our photographer, Layne Hoppe, for a job well done.

Pictured above with Layne are his able assistants, Clyde Bickham and David Jacobs. THANKS BOYS, IT WAS NICE HAVING YOU ON THE STAFF!
