VAN VLECK, TEXAS

Foreword

In preparing this, the 1960 LEOPARD, we have endeavored to give you the life and activities of our school. In years to come, we hope that "THE LEOPARD" will enable you to recapture the routine of your school life, the activities, the fun you had, and friends you made. We wish to express our appreciation to the merchants who contributed toward our annual and to the students and faculty members for the assistance they have given us in collecting the material for this yearbook.

The benefits of education and useful knowledge are essential to the preservation of our democracy, when both have been diffused throughout a community.

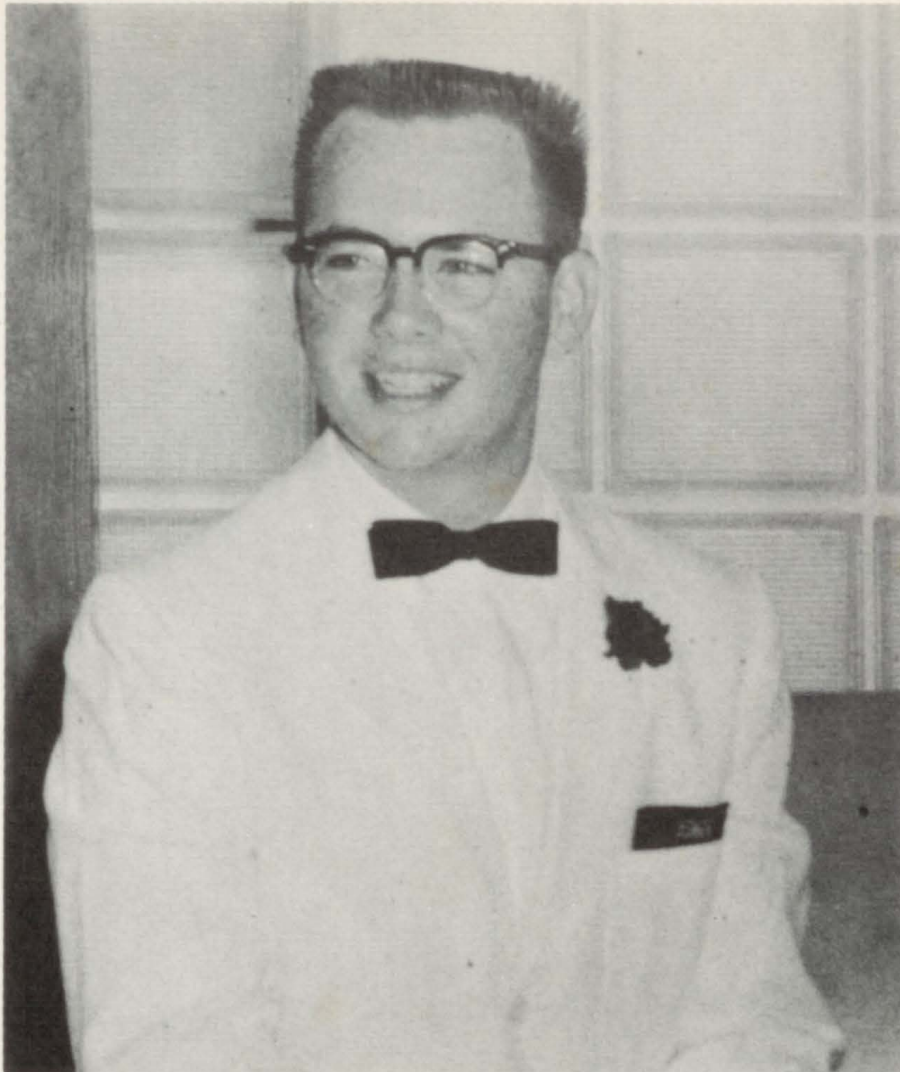

Yet, we feel that education alone would be of no avail without Divine guidance made possible through all the churches of our community.

For that reason, we proudly dedicate this year's annual to every church represented by our student body and faculty. We are especially grateful to the pastors of our churches for their interest in us, and their untiring efforts to aid us in our spiritual needs.

The Staff

Editor's Message

It is indeed an honor to climax my twelve years of school at Van Vleck by being appointed editor of *The Leopard*. I wish to thank my church, faculty, friends, and especially the Wyse family for making this year a happy, and surely a long remembered one.

Probably more pleasant experiences occur to one during school years than at any other period of life. These memories usually increase in value as the years go by. It is our hope that the '60 LEOPARD will serve to help you remember with pleasure this year at Van Vleck School.

Speaking for the LEOPARD staff, I should like to say it has been a pleasure and a blessing to work with our staff sponsor, Mr. Earl Icenogle. Only through his untiring efforts and able assistance have we been able to prepare this book for you. We hope you will enjoy your yearbook as much as we have enjoyed preparing it for you.

The Superintendent's Message

TO THE STUDENTS OF 1959-60:

This issue of the "Leopard" Annual is the product of hard work by a staff of Students and their sponsor.

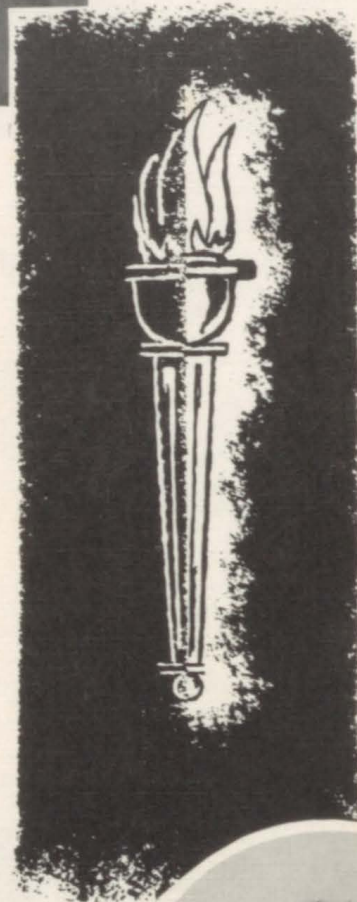

They have spent many hours in planning and preparing this yearbook for the printer. Through their efforts it is yours. I know you will join me when I say the staff is to be commended for their achievement.

This book is a record of the school year of one of the finest schools in South Texas. I wish to take this opportunity to acknowledge the contribution the students of our school have made to make the 1959-60 school year a success.

I sincerely hope that each year will be as gratifying as this one has been.
