Board of Education

Left to Right: George E. Ratliff, Loren F. Henderson, James D. Young, John M. Stevens - President, Billy Brown, Ben Towler, Jr. - Secretary. (Not shown: Otha Birkner, Vice-President, who resigned January 1, 1963, because of duties in Austin as State Representative.)

Our School Board is not seen by our students in everyday school life, yet the school could not function without it. With the welfare of the school and the student body in mind, the Board does all the long-range planning for new school buildings, new teachers, and better facilities.

The Board members give many hours of their time freely to enable our community to have a better, more efficient school system.

*Superintendent's
Message*

May 24, 1963

A year in the life of each of us has come and gone, and some of it is recorded here. May the learning and experiences work significantly for good in the lives of all of us. May the memories stirred by the words and pictures on these pages serve to inspire us toward yet greater accomplishments.

I extend to you my sincere personal regards.
