STEADY INTO FUNK

Steppin' Into Time

*Steppin' back into time,
Steppin' back for life to unwind,
Wishin' you were young and free,
Seeing all the things there is to see.*

*Thinking back into the past,
Hopin' life will be long and last,
This is not just for me,
This is the time for all people to be free.*

*Steppin' ahead into time,
This time will take a while to find
For people live from day to day,
The future seems so far away.*

*We never think of the future or past,
We are only wondering how long life will last,
But one thing will always be here,
And that is love which brings many joys and tears.*

Edna J. Justice

*The 1978-79
Van Vleck
Annual is
dedicated to
Mrs. Bessie
Richardson in
appreciation of
her years of hard
work and
friendliness.*

Mrs. Richardson has been working for the Van Vleck Schools since 1965. She was the manager of the cafeteria until the Fall of 1974. At this time she became the High School's Library aide, the position she is in now. Mrs. Richardson is married to Kenneth Joyce Richardson. They have three daughters: Gayle, Wanda, and Patty and three granddaughters: Patricia, Angie, and Amy. We would like to express our appreciation to Mrs. Richardson for keeping the library in order, and always understanding.

Mr. Lester C. Cobb
Superintendent

To the Students and Patrons of V.V.I.S.D.

This annual represents the completion of another stage of preparation in the lives of the Senior Class of 1979 and of our student body.

The most educated and best trained minds will control the destiny of man. One of our late presidents said, "Only the strong can be free and the free can be strong." These words are even truer today.

May this fine Annual remind you of the happy and pleasant events of your school days at Van Vleck.

Sincerely,
Lester C. Cobb
Superintendent

Boys' and Girls' State

In order to combat lack of awareness of students, American Legion sponsors a junior boy and girl to experience and participate in the operation of a State government.

Each person is allowed to run for a state office, thus giving us first-hand method to learn about state government and develop a patriotic attitude toward the United States of America.

Van Vleck
Elementary Principal

I believe the right to an education is a part of our American heritage. This community can be justly proud of this school system and the dedicated educators we have working in it.
