Cheerleaders take time out to have a little fun at camp.

The Leopard, Stephanie Walker, tries to figure something out.

This past summer at cheerleading camp, the cheerleaders had a lot of fun. They met many people from all parts of Texas. They also had fun learning new things. but in addition to having fun, there was plenty of work. The cheerleaders spent a lot of their time at camp sweating, listening, watching, learning, practicing, and performing. But all the hard work paid off in the end. The Varsity squad won four blue Superior ribbons and a Spirit Stick for one night. The JV squad won two red Excellent ribbons, two blue Superior ribbons and a Spirit Stick two nights in a row. The JV and Varsity squads won a Spirit Stick on the last day to take home. The Leopard mascot, Stephanie Walker, won a mascot Spirit Stick one night out of 18 mascots at the NCA summer camp, she was selected best mascot and was awarded a trophy and a chance to go back to NCA next summer and become an official NCA mascot instructor. This only starts off the busy year the cheerleaders have. There are many summer and after school practices that the cheerleaders must attend. They perform at JV football games, Varsity football games, and pep rallies. After football season ends, the cheerleaders have more practices and perform at home, and some out of town basketball games. The cheerleaders put a lot of effort and time into everything they do to make sure they get the job done right!!
