Dear Students,

Congratulations on a wonderful 2001-2002 school year! You are to be praised for your many accomplishments. And while, they are certainly stellar at this moment in time, they will be even more satisfying in the many years that come. This yearbook will forever provide you with documented “evidence of excellence” and real recollections of pleasure and pride in this great year in your life. May they be cherished memories of some of your greatest moments in time.

I am proud of you, and I am proud of your accomplishments! And I am confident of your pride in yourself as well. Forever “keep that Leopard Pride and Spirit up!”

Sincerely,

David C. Durham, Superintendent

***Bill Spivey - Principal***

Dear Students,

This was definitely the “Year of the Leopard!” In every activity, in every program the students of the high school campus excelled. When you leaf through the pages of this book, you’ll see that it tells a story of commitment by all students and staff working together. Our high school year culminated in an Exemplary academic rating by the State of Texas which is the highest rating possible. This rating also exemplifies our year. We have the best students, teachers, coaches and parents in this part of Texas. Our future tasks will be to continue to perform at this high rate and reach even higher into the stars. What a wonderful time to be a Leopard! Congratulations!!

Bill Spivey, Principal  
Van Vleck High School

Dear Students,

It was definitely great to be a Leopard this year. The seniors of 2002 did an outstanding job of leading the school in numerous accomplishments. The band won sweepstakes again, the TAAS scores were fantastic, the one act play did a great job and almost every sport that represented Van Vleck made the play offs with a State Championship in girls power lifting. The faculty, staff, and students are the BEST! Great job this year!

Bob Lantelme

Dear Students, Parents, and Patrons,

Hopefully you will find this year book an exciting reminder of what a terrific year this has been. The Seniors of 2002 have helped establish a legacy that will last for many years. Not only have they been a part of one of the finest athletic years Van Vleck has ever enjoyed, the school has had a great year in all aspects. Academics, the fine arts, and UIL competitions have all been successful. You underclassmen have a tremendous responsibility to uphold the honor of Leopard Pride. I am sure you to will be victorious.

## Students, Parents and Community,

Wow, what a wonderful year we have had here at O. H. Herman Middle School. It seems like just yesterday, when I too was walking the halls here as a student, not so long ago. I would like to thank the students, parents, and staff for making this year go so smoothly. We truly have the best Middle School in South Texas. We have so many things to be proud of here at our school. Things such as: A Sweepstakes in Band; A Super Academic UIL Team; Great Test Scores; and Great Athletic Teams. It truly is an absolutely wonderful time to be a Kitten and a Leopard.

Thanks,  
John R. O'Brien
