*I love you
very much
and I am
very
proud to
have you
as my
daughter.*

*Love,
Mom*

Trust God when everything seems to go wrong
when life's dark shadows shut out our song
God is there in the darkness as well as the light
so walk on by faith and not just by sight.

Sometimes dark clouds overshadow the sun
but raindrops then fall and new life has begun
as we need rain to refresh the earth
so clouds are a blessing and not a curse.

If clouds never came and the sun always shone
the earth would be dry and all beauty gone
so be glad for the dark days, they soon pass away
but they are working a blessing you'll see one day.

Thespian Troupe #6773

Mark, Jennifer, Jenna & Clint,
We love you, and your talents will be
missed. You will always be part of our
troupe no matter where life takes you.
Best of luck always!

Love, Mrs. Smizzle & the Leopard Playe
