Angela LeMaster, leave a dictionary and thesaurus, as well as the "famous V cheer" to my first semester lunch table. To Cody Lantelme and Jordan Donaldson, I leave my Destroyer of All Worlds. I leave Kelly Corey the party boy skills I never had; you'll get far in life with those! To Jurika Mitchell, I leave anything you want because I know you would steal it anyways. To Tim Robles, I leave our ability to fit way too many people in a charter bus bathroom. For Nik Svoboda, I leave behind our ability to get under people's skin in the weirdest ways. To Nick Walling, I leave...uhm...nothing because I'm taking your nose with me. To Evan Rodriguez, I leave the last seat on the band bus and my mad drawing skills to Fergie's songs, and the knowledge to know to never change a composer's song last minute at a competition. To Poppie, I leave Cumberbun Boy and a can of pepper spray for the movie theaters. To these two I also leave endless amounts of fun in Huber's class. To Michelle Matchett, I give the presidency of the Lonely Buddy Club. To Dillon Hadash and Robert Tabares, I leave my screamo and Map's from the Yeah Yeah Yeah's. And last but not least I leave LC the ability to get through some of the worst situations with boys and a Chi-Chup-Chihuahua, oowa oowa! To everyone on this list I leave my love and thanks for being some of the greatest friends a person could ever ask for. I wish you well in life and I ask you to cherish every moment you have with each other. I love you all so much and will miss you greatly.

Allison Clary, leave my underclassmen a wonderful high school experience that they will cherish forever. I leave Taalor the ability to stay out of trouble in class. I leave Baylee turtle babies and uncontrollable laughter. I leave Kristen Mozambique Maputo, a penguin waddle to save, and dollah, dollah bills. I leave Britany Griffith gossipy gossip, cute boys, party-hopping abilities, and the ability to stay out of the drama. I leave Victoria Ruteledge gum wrappers to sniff, and the love of Edward. To Kadee, I leave a bubbly personality with the "glass half-full" outlook on life. To Kyla, I leave mean texting skills, and ice cream/raw cookie dough/chocolate anything/cupcake self-pity parties. To Nick and Big Papa Popp, I leave hugs, silly, crazy moments, and a double order of breadsticks.
