# Last Will & Testament

- I, **Scott Mead**, leave my parking spot to Sydney Bludau. I leave all my memories to all of my friends in the underclass to enjoy their years in school and to not rush your years in your life.
- I, **Gabrielle Serrano**, leave Kyla, Lyndee, Alana, Megan, & Jessica my leadership skills for the softball team. Remember ladies if you respect them, they will respect you. Be authoritative, not rude. I will miss ya'll. Also, to Kamille Kucera, I leave my center field position, and the right to keep Jessica in line when she misses a ball shouldn't, kick hard Millie. David, I leave you the orange sunglasses I found on the tennis courts, I'm sorry a dumb junior high kid stole them. To my little brother, when you get to high school, cherish the time here, it will be your best memory. Goodbye VVHS. I won't miss you, but I will remember.
- I, **Amanda Brooker**, leave Percy Tyler Owen the band hall because even though he isn't drum major, he will own it anyways. I leave Victoria Rut a man that sparkles. I leave Levi my study skills, and Lakin my red hair dye and ability to sneak out. I leave David Vincent Galvan the pretzel wrestling move Wednesdays. I leave Bronson Mckinney the nickname Bobman, low-calorie oreos, and all my love throughout the rest of high school. I leave Johnathan Hallman a song and Sean Keller his "chambers".
