Students, Staff, Parents & Community Members,

I would like to first congratulate the VVHS yearbook staff and Mrs. Tiffany Oncken for this wonderful timepiece. Secondly, I would like to thank all of our students, staff and parents for making this past school year a great success. The past is always the cornerstone for the present. This pictorial record of the 2010-2011 school year will provide immediate enjoyment to students, parents, staff and community. As time goes by this yearbook will serve as a historical reflection of our past year in Van Vleck ISD, as well as showcase all of our accomplishments. We should be quite proud and grateful for that, as this school year has been filled with remarkable victories and accomplishments.

Ode to Graduation

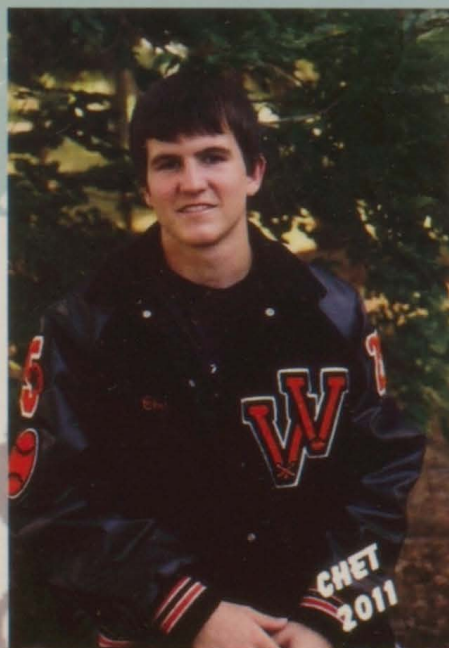

by Chet Champion

Elementary is all smiles
Where friends are first made
Tall slides and monkey bars
Relaxing in the shade

High school is for maturity
Where you make friends for life
Coming together and splitting apart
4 years of bonding and strife

Graduation is the end
Or is it just the start
Diplomas and speeches
Everyone plays a part

Junior high is for having fun
Where relationships grow strong
Football and basketballs
Playing all day long

Then comes the next step
Different for all
Whether college or career
It all changes come fall

CONGRATULATIONS

To Raquel Montalvo, don't forget to PARTY, PARTY, PARTY!!! Just don't party too hard without hitting me up. Lol. And to the Mighty Leopard Band, good luck through the years and succeed in everything y'all do. I will miss everyone i didn't mention here. E. Rudd Intermediate

Mrs. Roper Principal

To Our Students and Parents:

The past two years here at E. Rudd Intermediate School have been a wonderful experience. We are so very fortunate to have such great students and supportive parents. Our knowledgeable staff provides the best possible learning environment for our students in Grades Four and Five.

Our campus has had a lot of improvements this year and it is because of the generosity of the late Mrs. Carrie Rudd. We have had the hallways painted, new carpet installed throughout the main building, added several new pieces of equipment to the playground, and replaced the gutters. It looks great and we are so very proud.

E. Rudd is once again a TEA “Exemplary” campus. Our students and staff work very hard all year and could not do it without the support of our parents. A combination of parents, teachers, and students working in partnership is the reason for our continued success. We are committed to making sure that each child has the opportunity to have a great education.

I am very glad to be the principal at E. Rudd Intermediate School.

Sincerely,

Sarah Roper

Van Vleck Elementary School

**An Awesome Place Where Kids
Can Learn and Enjoy!**

Congratulations on a successful school year! Our students have worked hard to accomplish many successes this past year. The past is always the cornerstone for the present. This picture record of the 2010 - 2011 school year will historically record all the fun times and hard work our students and faculty have accomplished.

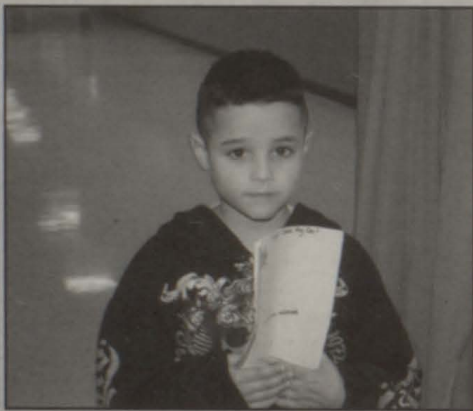

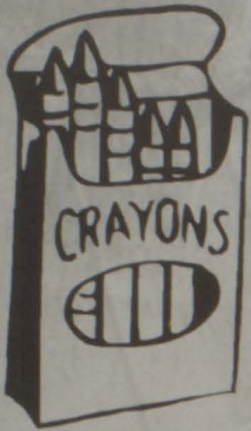

This yearbook should provide many pleasant memories in the years to come, which we will all certainly cherish.

It is a pleasure to work with super students, supportive parents and an excellent faculty and staff. Thank you for a great year!

David Holubec, Van Vleck Elementary Principal
