I run in the cold, I run in the heat. I run on the trails, I run on the streets. Good days and bad days, I run through pain. Snow, sleet, I even run in the rain. So if you aren't a runner please understand if you ask a runner they'll just say, **"That's who I am."**

When you see a smiling face
Their happiness all over the place
Singing, laughing, cries of glee,
Come they say, Play with me
The slide, the swing, the monkey bars.
Look at them close to see who they are.
Lots of races, Ready, Set, Go.
This is how children go.

If you watch them everyday
You'll see they learn as they play
They'll do what they see, and say what they hear.
You're their teacher through out the years.
Their ideas and thoughts in their eyes shine.
Imagination is a glimpse of their mind
When you're not looking, don't you know
This is when children grow.

Watch them as they learn to walk
Listen to them when they talk
Keep them safe, away from harm
Wrap them gently within your arms
Teach them to share and how to take turns
Set good examples from which they will learn.
At home, at school, where ever they go
This is where the children grow.
