Dedication

We hereby dedicate
this 1948 annual to an
ideal — left to us by the
lives of great men —
statesmen, writers, and
sportsmen.

The spirit of freedom,
tolerance, and good sports-
manship, the love for peace,
that these men believed
in and fought for should
be a guide to we who
will have a part in the
shaping of a better world
in the future

The Black Cat Staff

We, the Senior Class, have tried to make for you a mirror of your school activities of 1948. We hope that in the future as you turn back time to High School this will help you remember the happiest days of your life.

The members of the staff pictured on this page are not the only ones who contributed to this year's Black Cat. Every person in the Senior Class has helped in some way, whether it be in selling, buying, or just pasting pictures.
