Foreword

CENTENNIAL 1954 TEXAS PUBLIC SCHOOL SYSTEM 1854

This year while the schools of Texas are cooperating in a statewide program celebrating the 100th birthday of the Public Schools of Texas we, the Staff of the Black Cat Annual, have chosen for our theme, "OUR TOWN."

In looking back over the years we cannot help but give honor to the town that has contributed to the growth of our school and the education program of the State of Texas. We, therefore, feel that by pausing a moment to glance about us here in our own community we may develop a greater appreciation and a deeper understanding of the beauty and richness which surround us in this nation of our Birth.

Our town, and our county, often known as the "Cradle of Texas History" has run the gamut of time, beginning in 1685 when LaSalle founded Fort St. Louis on Matagorda Bay.

Bay City, 25 miles from the Bay, is located on Bay Prairie, from which it takes its name. With an elevation of 52 feet, unexcelled water, and cool Gulf breezes the year around, public schools affiliated with all Universities, churches of every denomination, free public library, municipal water system, swimming pool, and railway facilities, Bay City is attracting citizenship which is now over 12,000.

THE STAFF

Dedication

We respectfully dedicate this 1954 edition of the Black Cat to our beloved Principal, Mr. E. J. Myers.

Through his interest in our school and citizenship in our community, he has become an outstanding personage and example to all of us.

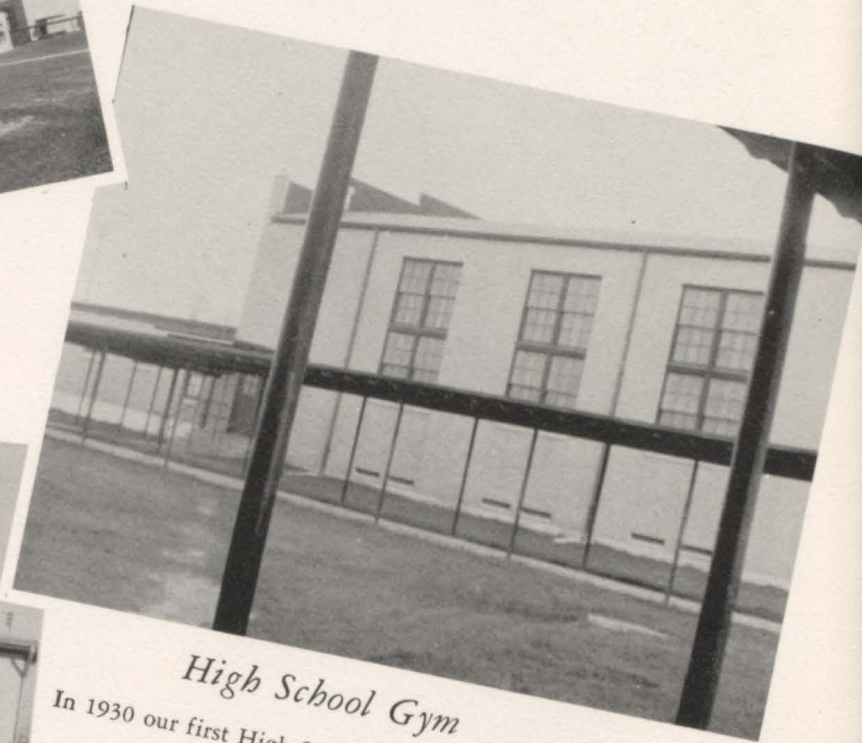

He is never too busy to help us with our problems, never too busy to talk to us and never too busy to do something for Bay City High.

Buildings

The story of the educational growth of Bay City had its beginning with the founding of Matagorda County. The first school building ever built in our county was at Matagorda in 1829. In 1854 we had our first free schools.

Superintendent's Message

TO THE GRADUATES OF 1954:

Education is essentially a creative unfolding of human life. It is the stuff from which come competent parents and substantial citizens. It teaches one to not only live with himself but with others. Our education for Democracy is a necessity for peace throughout the world.

You are progressing toward your place in the community. There is not a moment without some duty. You should consistently do your best to perform that duty. True happiness is the result of an enthusiastic performance of your duty. You can and must decide your destiny. Plant things in your mind which will later bear fruits of understanding and good-will. If you have faith in things unseen, it will give you strength and force in your conviction. Grow not weary in well-doing for whatever you sow, you will surely reap.

The amount of happiness and success that you obtain will depend upon you. There will be failures, but your greatest glory will be how well you may arise from your failures. "He who makes no mistakes does nothing; he who makes too many mistakes loses his job." So I entreat you to do your best.

A CITY OF BEAUTIFUL
HOMES

Our town has many beautiful homes located over a wide area of paved streets and avenues.

Located in a residential section is the Matagorda General Hospital which is equipped with the best medical equipment and staff for a hospital its size in the Southland.

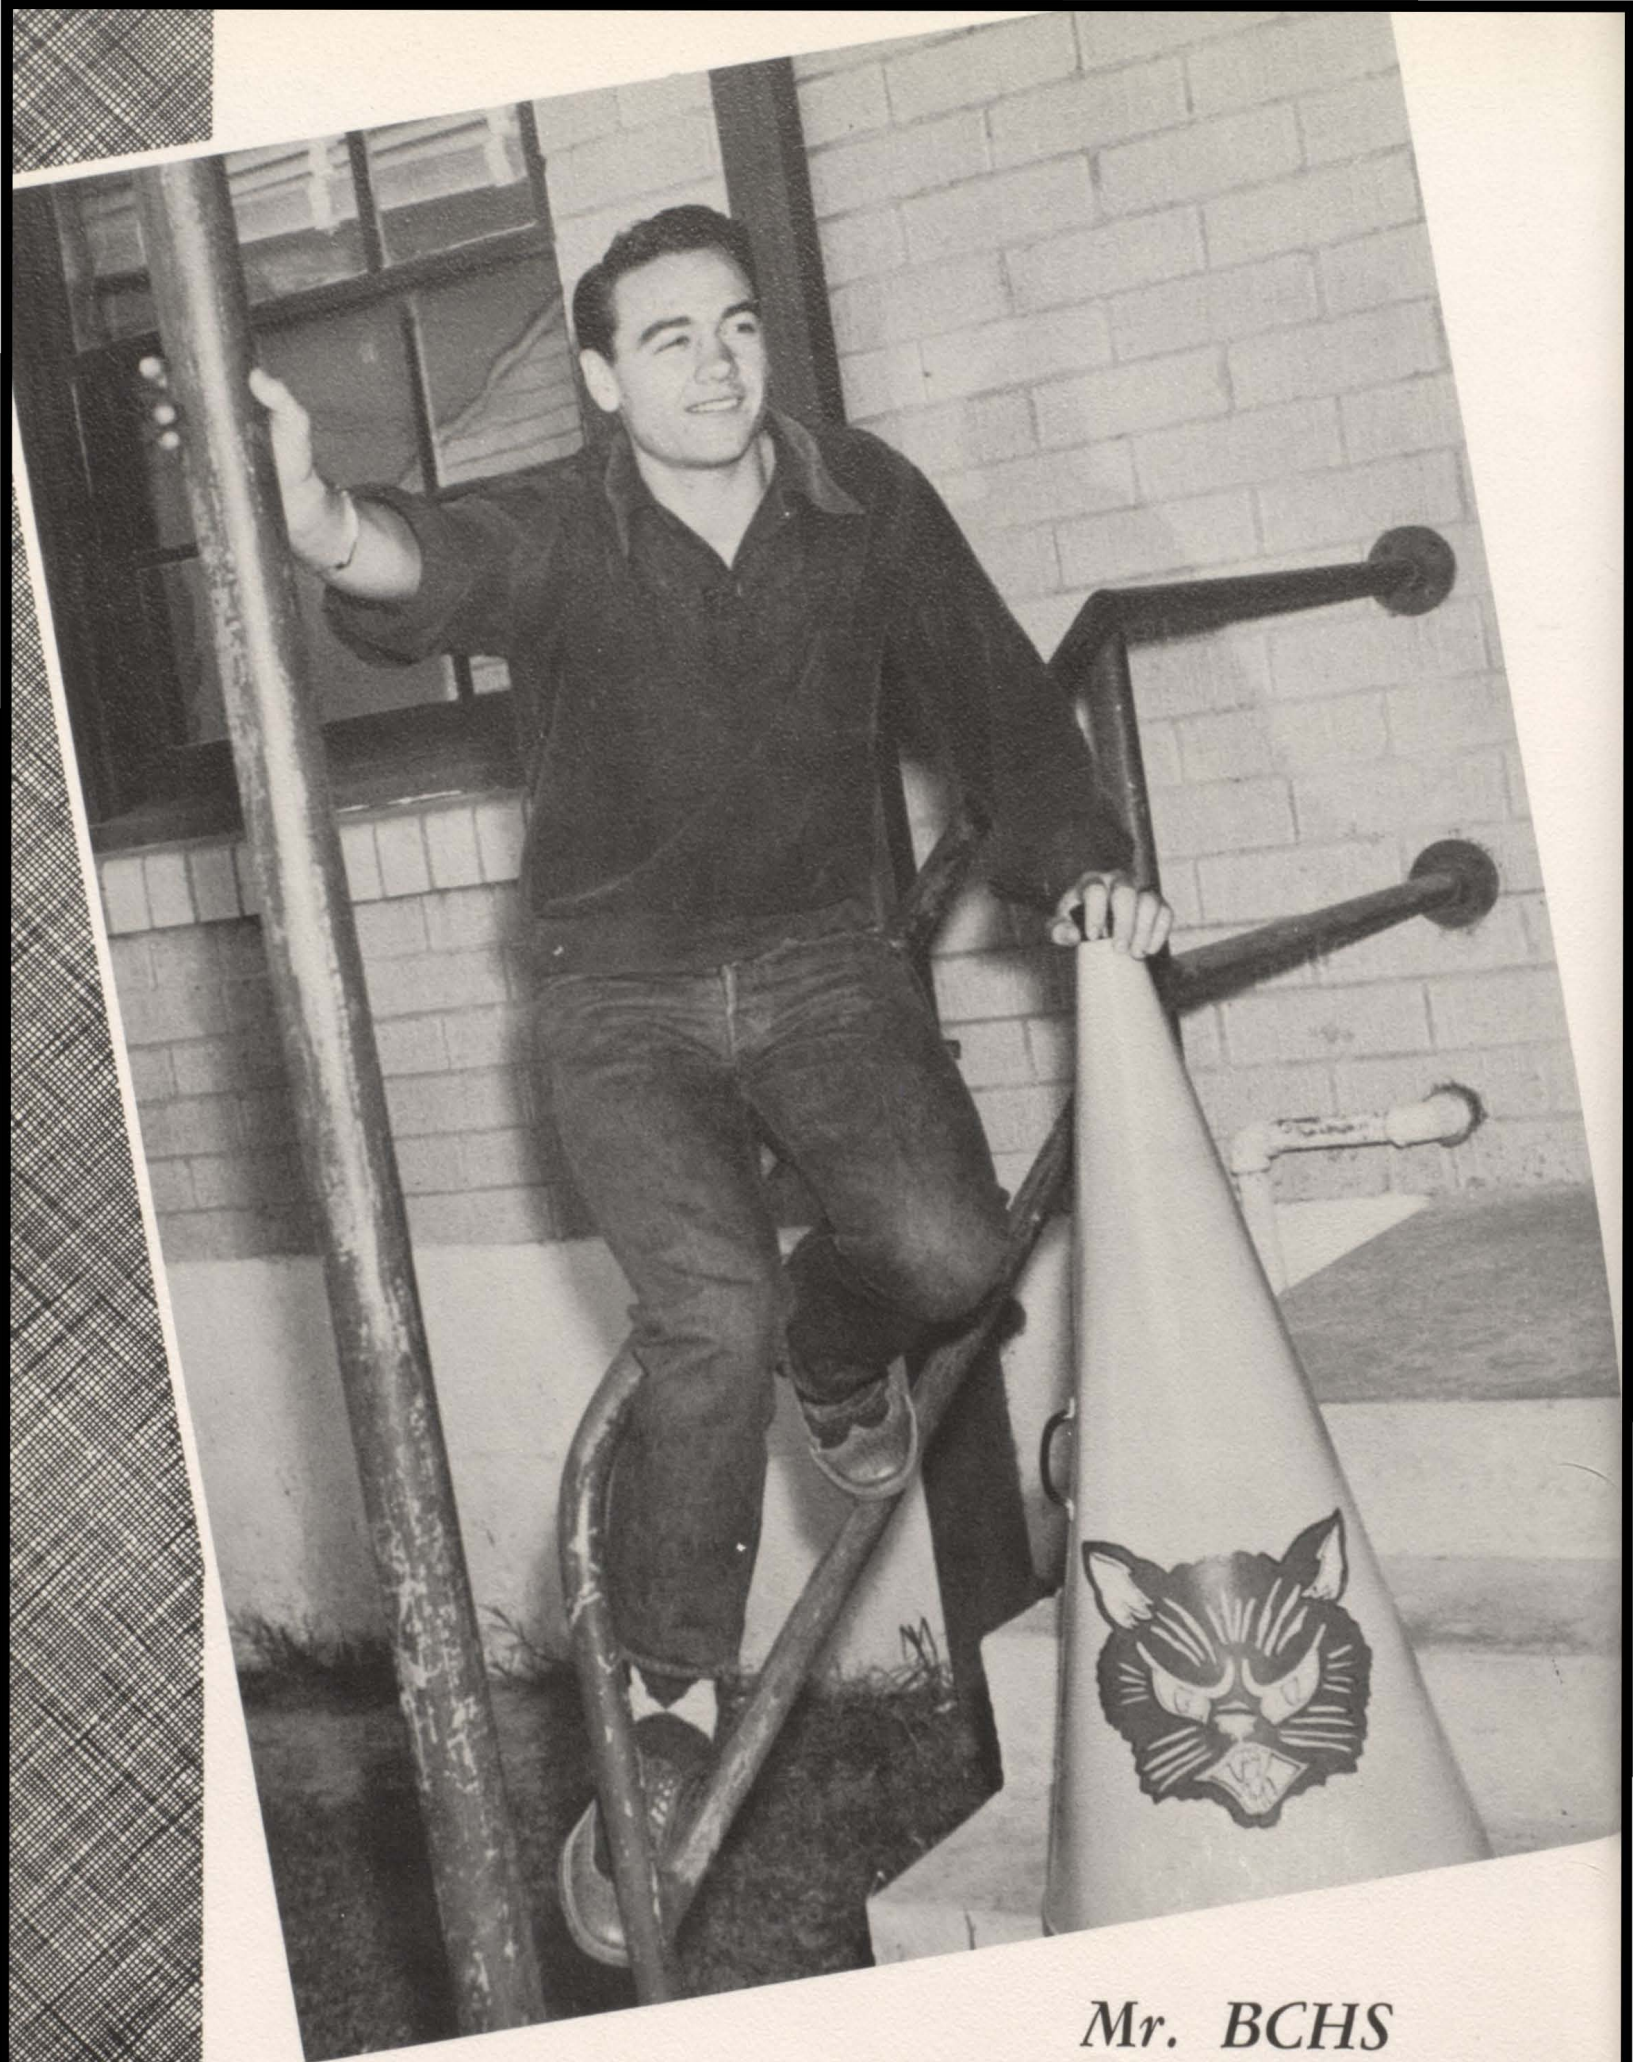

In a convenient location is the City's swimming pool. The neighborhood children and teenagers find this is a good spot when the hot winds blow in from the Gulf of Mexico.

One of the favorite places in town is the Service Center. During the year many social events are held in the ballroom of this building. Some of the events sponsored by the school are the Sophomore Sweetheart Formal and the Junior and Senior Banquet.

Basketball

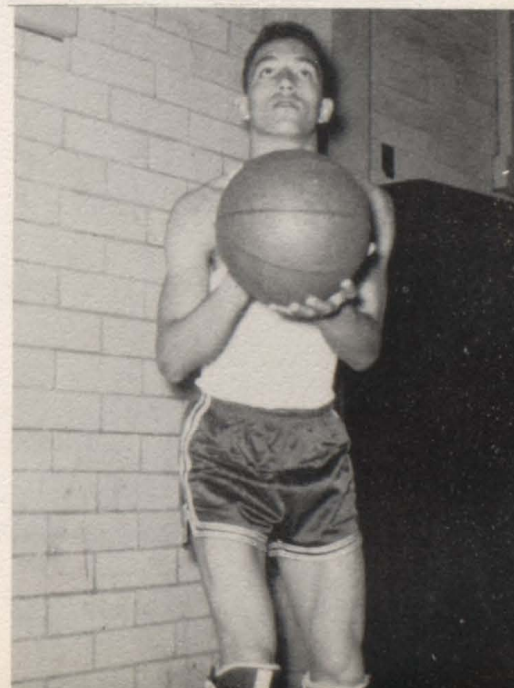

The Basketball team was coached this year by Coach Sam Maglitto who was a transferee to the high school from the Bay City Junior High School.

Coach Maglitto's boys showed great sportsmanship throughout the season. The home games were attended well by the community and student body. The out of town games were also attended with great enthusiasm.

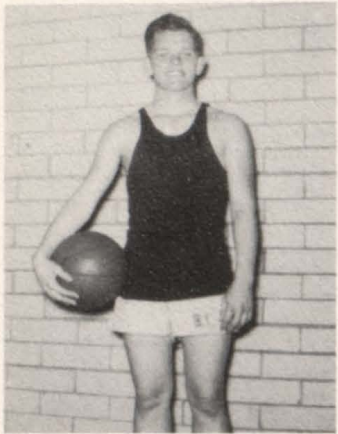

The "A" team was mainly composed of the following players pictured in the group below. Kneeling on the bottom row are: Quentin Watkins, the Manager; Jerry Genzer, Jimmy Williams, Maurice Ashcraft, Larry Huitt, Paul Whaley, and Tommy Uher, Manager. Standing, we find Harper Augsburger, James Shaw, Coach Maglitto, Ollie Falks, Bolton Gregory and Mike Williamson. In the picture to the left we find Bolton Gregory who played the forward position.

In the picture to the right we find Paul Whaley who played guard. Paul was one of the top scorers in the district.

Choir News

The A Cappella Choir had a very busy and eventful year. Mr. Karl A. Hickfang came to Bay City High School as the new director.

Performances before Christmas included concerts for the junior and senior high schools, the annual Winter Concerts, and a trip to Houston as one of the selected choirs for demonstration in the University of Houston Choral Workshop.

After the holidays, the events and appearances of the A Cappella Choir were many and impressive. The first of two tours included concert appearances in Galena Park, Green's Bayou, Houston, and a festival appearance in Conroe. Mr. Neil Kjos, nationally known composer, arranger, and critic was very impressed by the Bay City Choir and was complimentary of the poised and dignified appearance of it.

In March, the Choir launched a successful series of thirty minute radio programs once a week on Radio Station KIOX. Another tour was made taking the choir to central Texas for an appearance at the University of Texas, and other concert appearances in and around Austin and Bryan. The Choir did not make a contest appearance this year because of the many other events that were scheduled the same week.

The Girls' Chorus made appearances locally in concert, on the radio, and on assembly programs. This group entered the University Interscholastic League Music Contest at the U of H, April 13, and received an excellent rating. The judges were very impressed by the maturity of tone for such a young group.

The Choristers, a group of 30 students, was organized this year and selected from the membership of the A Cappella Choir.

And Joseph and Mary were there, the days were accomplished and she brought forth a firstborn son.

And she brought forth a firstborn son, and she wrapped him in swaddling clothes, and laid him in a manger, because there was no room for them in the inn.

And the angels appeared to them in a field, keeping watch over them all night, and the Lord said to them: Fear not, for I have brought you good tidings, as ye see that I have done.

which shall be a sign and wonder unto you, and to all people.

And when the day was come that they should depart into Galilee, they departed into Galilee, and they found the child and his mother, and they worshipped him.

But Mary kept all these things, and pondered them in her heart. And the shepherds returned, glorifying and praising God for all the things that they had heard and seen, as it was told unto them.

ACCORDING TO SAINT MATTHEW:

Jesus was born in Bethlehem of Judaea in the days of Herod the king, when certain wise men from the east came to Jerusalem, saying, We have seen thy star in the east, and are come to worship thee.

When Herod the king was troubled thereat, he called together all the chief priests and scribes of the people, and said unto them, Where is born the King of the Jews?

And they said unto him, In Bethlehem of Judaea: for thus it is written by the prophets, Thou Bethlehem, in the land of Judah, art not the least of the cities, for in thee shall a King be born unto Israel.

Then he had privily called the wise men, and said unto them, Go and search diligently for the young child; and when ye have found him, bring me word again, that I may come and worship him.

And when they were departed, behold, the star which they saw in the east, it went before them, till it came to stand over the place where the child was.

And when they saw the star, they rejoiced with exceeding joy. And when they were come into the house, they found the child and his mother Mary, and they fell down, and worshipped him: and they presented unto him gifts of gold, and frankincense, and myrrour.

And when they were departed, they departed into their own country. And when Herod heard that they were departed, he was wroth, and he slew all the children of Bethlehem, and about that age with them, in order to destroy the young child.

And when Herod was dead, Joseph took the child and his mother Mary, and fled into Egypt, and was there until the death of Herod: that it might be fulfilled which was spoken by the Lord, saying, I will send my sign unto Egypt, and will bring my firstborn out of Egypt.

And when Herod was dead, Joseph took the child and his mother Mary, and came into Galilee, and went to Nazareth, and was there.

The Pep Squad, an organization now composed of eighty girls, was originally a drum and bugle corps formed under the sponsorship of Mrs. Keye Ingram in about 1932.

Today the Black Cat football team is led to many victories by the support of our Pep Squad. Mrs. Irl Coyle is the present sponsor.

Foreign Language Club

In the early days of Bay City High School, there was a Spanish Club and a Latin Club. At that time many of the members took both Latin and Spanish since there were not many electives, so the membership in both clubs overlapped. The organizations were much alike and had programs very similar. About 1937 the two sponsors, Mrs. Ingram and Mrs. Early, with the approval and consent of the superintendent, Mr. Hutchenson, combined the clubs into a Foreign Language Club.

We had a program celebrating the union—the wedding of the Spanish and Latin Clubs which was very clever.

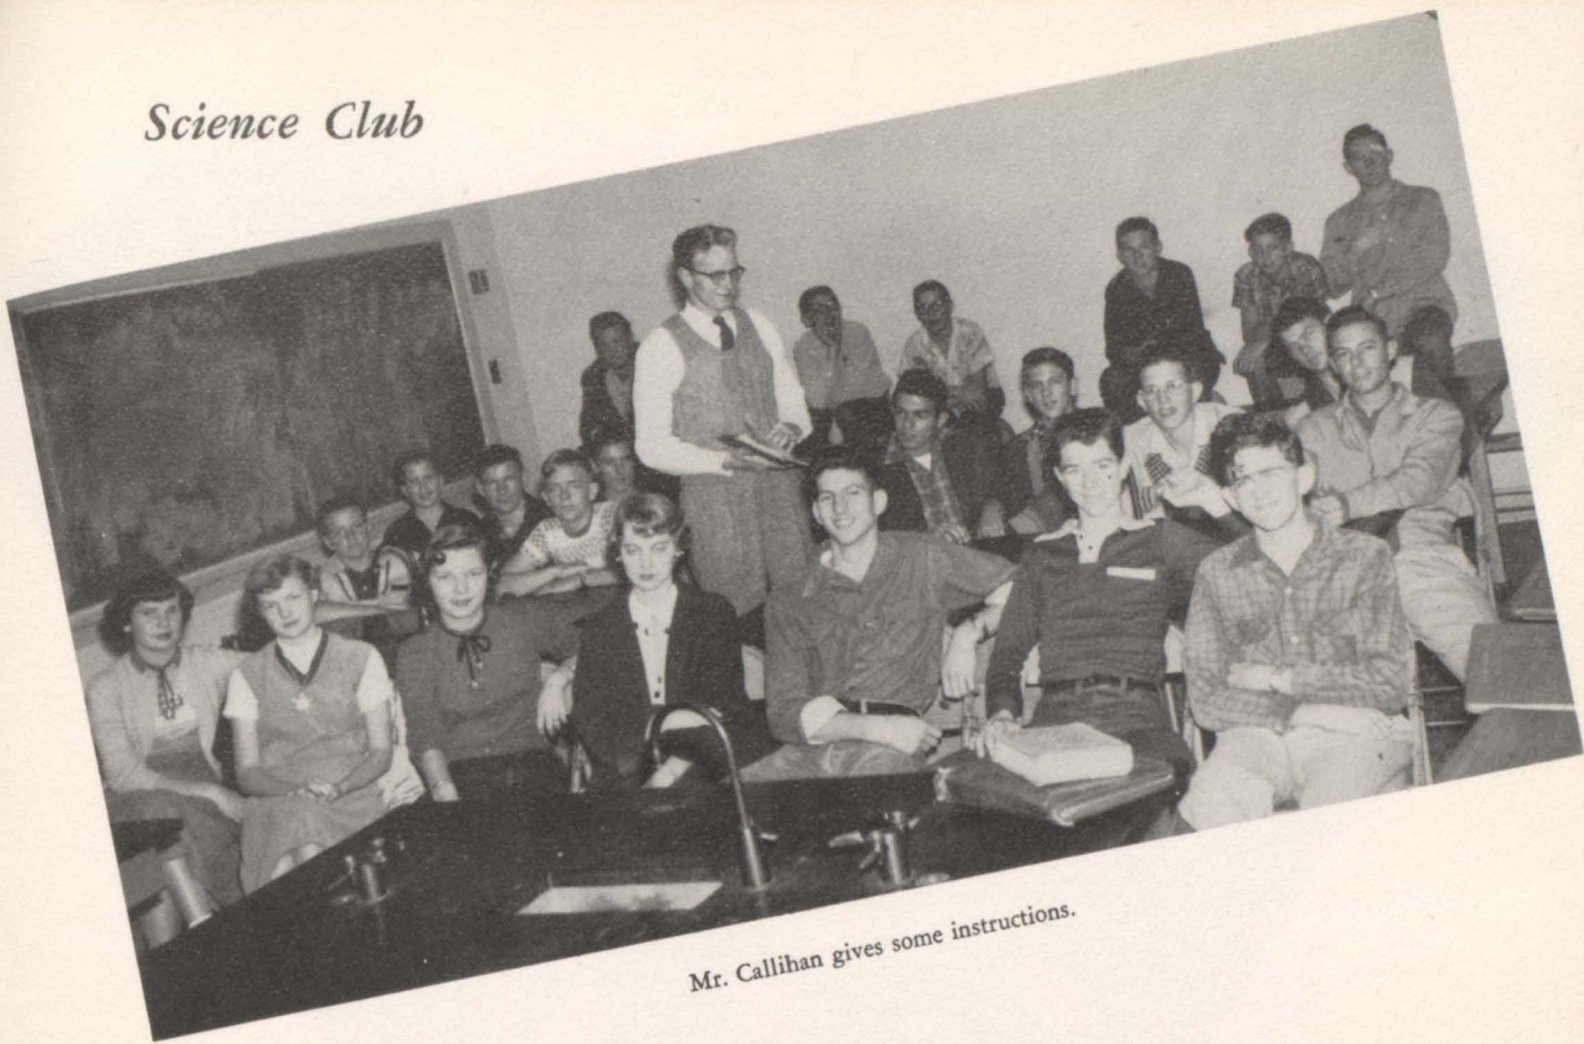

The Latin Club pin was a Roman scroll, and the Spanish Club pin, a dagger. We put the dagger through the scroll and had the pin for the newly organized club.

The club has always been a social rather than a service club. The Foreign Language Club meets once a month and has a variety of programs. They have a large social function once a year for the entire student body.

Y-Teens

This "Y" represents the Y-Teens of B.C.H.S. It is one of the service clubs and each girl in school is entitled to be a member. This year there are about 110 members. They are known as the Junior members of the Y.W.C.A. The club's purpose is to grow as a person, to grow in friendship with people of all races, religions and nationalities, to grow in the knowledge and love of God. They try to fulfill this purpose by doing several different service projects. They give boxes to needy families on Thanksgiving and Christmas.

The Y-Teens also participate in world-wide Y-Teen service projects. During the year they have various money-making projects to raise money for the big Y-Teen Spring Formal. They elect an Ideal Girl and twelve representatives from the girls that have done the most to improve the club. These girls are presented at the formal dance to which the entire school is invited.

Every year for the past several years the Foreign Language Club has sponsored a slave sale to make money for their various functions. "Curtain Going Up" was the story of the production of a play in high school. The action took place on the stage and in the auditorium, during rehearsal and after the performance. Among the myriad comic obstacles with which poor young Miss Burgess was faced (it was her first play) are: a grouchy janitor with a sharp tongue, the disappearance of the play books the first day of rehearsal, a set of comically crossed up high school romances with a capital "R," a charming young heroine, her disgruntled athlete, a professional actress with advice, a banker's daughter driven to theft by dirty tricks of her father's ambition . . . and then a romance for young Miss Burgess herself. Presented the eleventh and twelfth of March, this three act comedy was directed by Miss Marjorie Farmer.

This is one of the many amusing and hilarious scenes from *"Curtain Going Up."*

On February 16, the Annual Staff presented to the student body of the Junior High and the High School a Variety Show made up of talent from both schools. In the picture to the right we see Jimmy Westmoreland who played the part of a Hero-lover in the pantomime "And the Lamp Went out." In the bottom picture we see Steve Gasaway who played the part of the Villain in the same pantomime. Other members of the pantomime were Shirley Darby, Glenda Starnes, and Mr. Spielman who was the narrator.

In the center picture we see the Filthy-Five minus One who furnished the music for the occasion and Bobby Petre who stole the show with "Ricochet Romance." Others who participated in the show were Ann Caseman, Dickie Dye and Michael Fricke, Anthony Acosta, Barbara Broughton, James Gobert, Regan Stone, and Darla Martindale, Calvin Smith, and Nita Reeves.

Looking Back Over the Pages of Time

Marian Lloyd was editor of the 1936 Blackcat Annual and Lewis Matchett was the Business Manager.

Frank Montague was president of the Junior Class in 1936. Today he is doing well in the insurance business in "Our Town."

The Pep squad had its beginning back in 1924 under the leadership of Mrs. Keye Ingram.

Quotation from the 1924 Edition of the high school yearbook:

"If it causes you to be more indulgent to the school kids of 1924 because you realize they are no worse than you, then the purpose of this little book will have been accomplished."

Quotation from Senior class of 1924: Nola Mae Williams (Our own Mrs. McWilliams, teacher of Math) "A veritable encyclopedia."

The first glee club in Bay City high school was organized in 1920 under the leadership of Mrs. Phelps.

In 1924 Thelma Curry won by a majority of votes a beauty contest sponsored by the second annual staff of the high school. The contest was held for the purpose of raising money for the publication of the annual. Votes were sold ten for ten cents.

Central high school of Houston defeated the high school of Bay City in the tennis finals to become the District Champs of 1923.

In 1942 Bay City had one of its worst storms. In 1945 the Colorado River overflowed into the town.

Yvonne Lyle, sister of editor Claire Lyle was editor of the Blackcat Annual in 1948.

Chil Wills, Susan Cabot, Wayne Morris and Vera Ellen, Movie Stars visited our campus in 1953.

Mr. Phillips, Commercial teacher in 1952, tied for third place in Worldwide Short-hand Contest sponsored by Gregg Publishing Company.

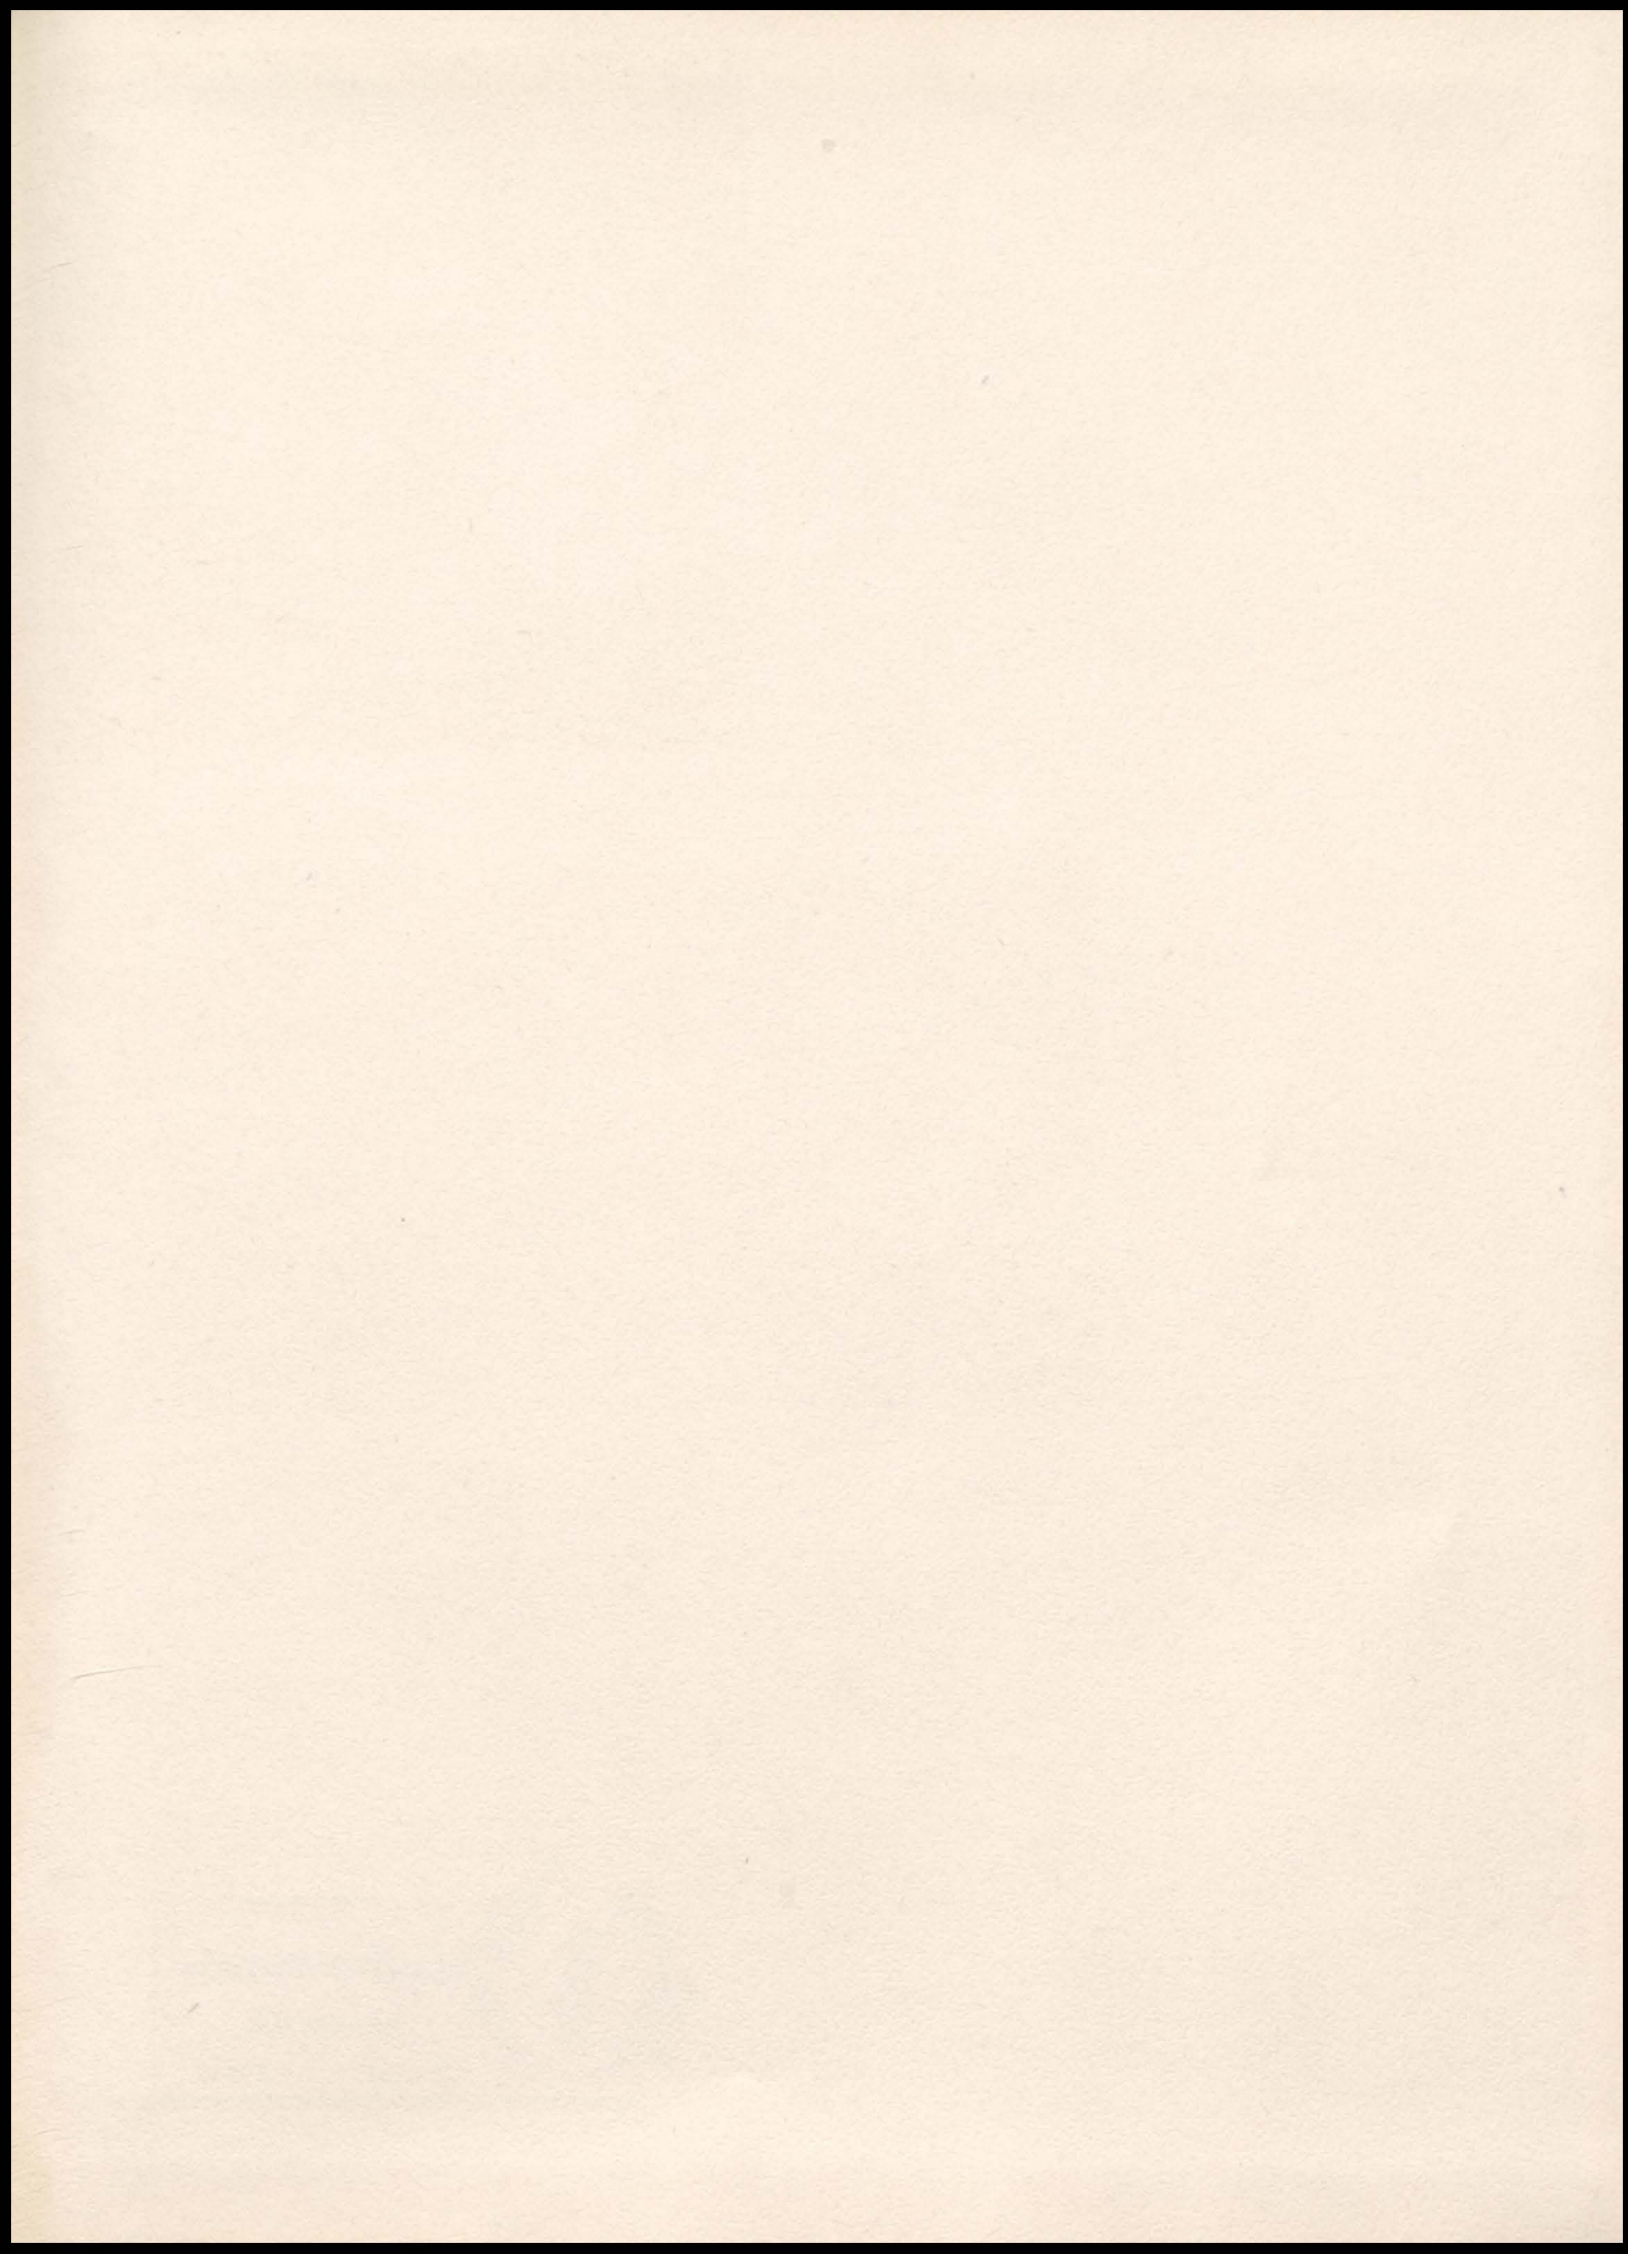

The Teachers of our High School, Junior High, and Elementary Schools and their families get together for a barbecue.

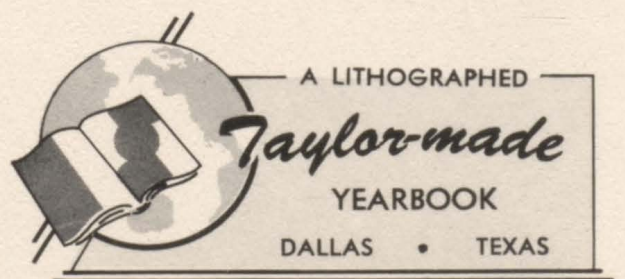

The ladies at the barbecue find something interesting in the distance.

President of the School Board, Tillman, congratulates Edward Ottis at the F.F.A. Father and Son Banquet.
