(18 losses in the last two (2) years)

Coach Haley's 100th Win was in 1966 — Against Wharton

Bay City won or tied for District nine (9) out of the first fourteen (14) years Mr. Haley was Head Coach. From 1958 through 1962, Bay City won or tied for District Championship five (5) years in a row.

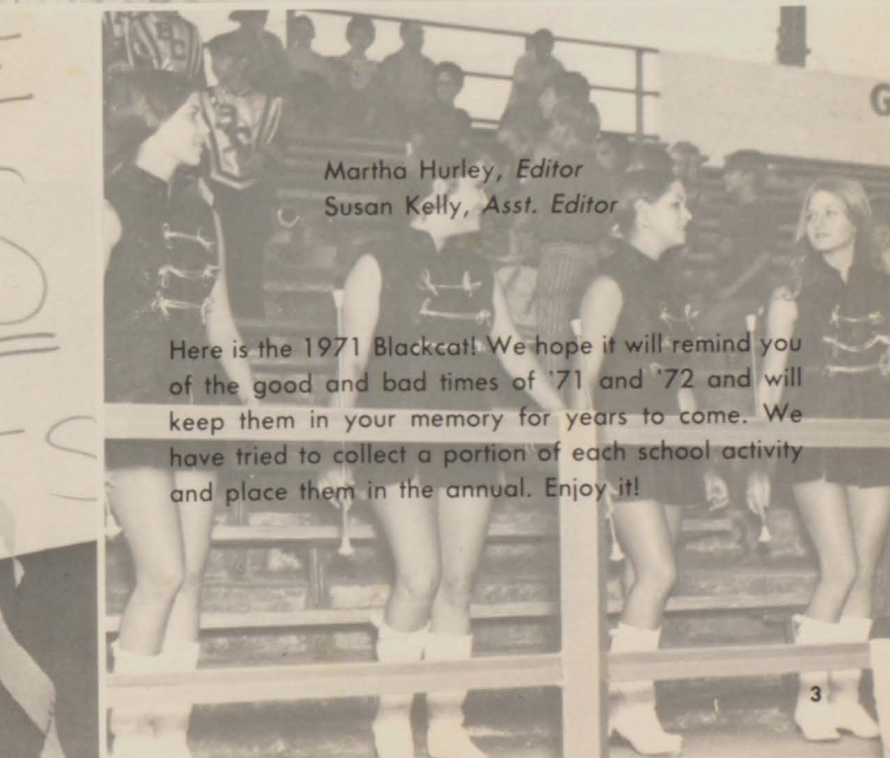

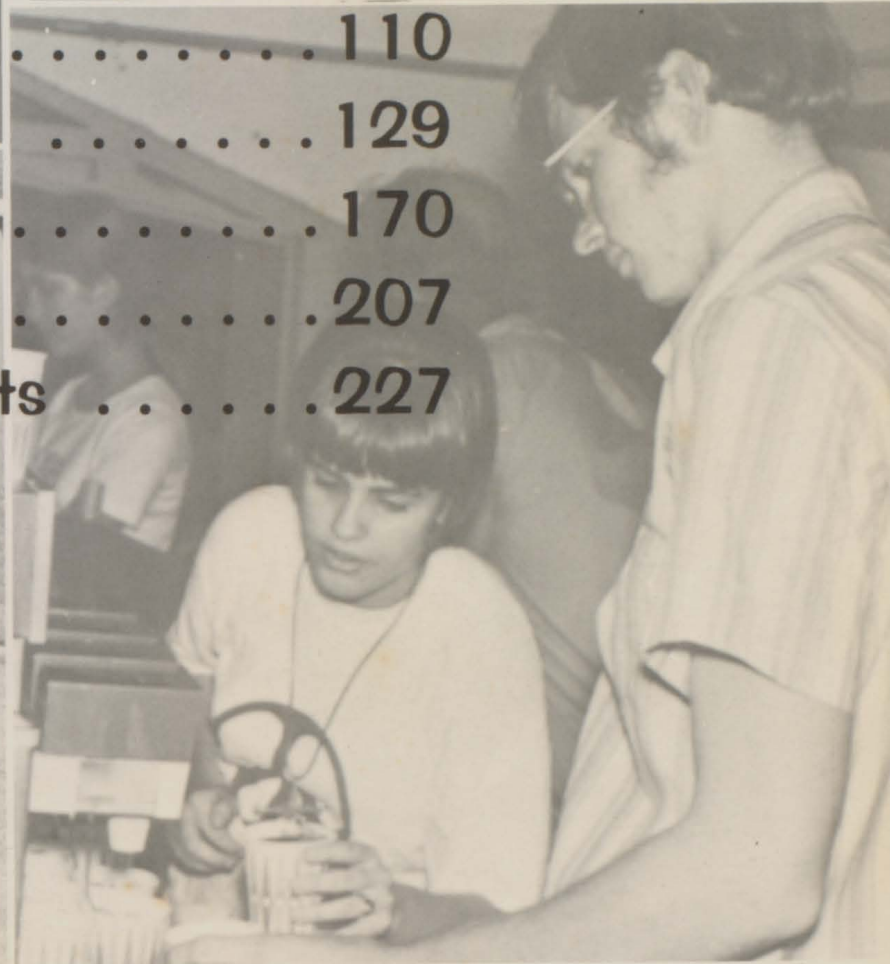

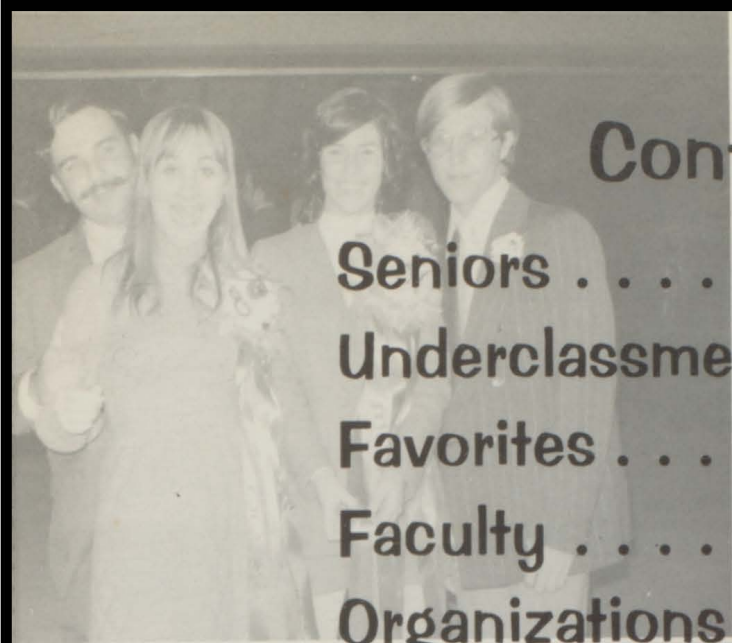

From the latter part of 1958 season until the Bi-District game with LaMarque in 1960, Bay City was undefeated twenty-three (23) straight games.

Bay City has represented its district five (5) times out of the nineteen (19) years Mr. Haley has been Head Coach. Three (3) of these ventures into the State Playoffs were lost at the Bi-District level, but twice Bay City advanced to the quarter-finals.

As of November 10, 1971, Don Haley turned in his resignation as Head Coach of B.C.H.S. Mr. Haley has been with our school for twenty-three years. Our student body both respects and admires those qualities in him as a coach and as a man. He has been a builder of men! Although he might now take his place in the classroom, he will always be known as just "Coach."

Here is the 1971 Blackcat! We hope it will remind you of the good and bad times of '71 and '72 and will keep them in your memory for years to come. We have tried to collect a portion of each school activity and place them in the annual. Enjoy it!

## THE 1971 VARSITY FOOTBALL TEAM

Football, a fact of life for Bay City athletes. They gave of themselves for their sports and in return they experienced the agony of defeat and the jubilation of victory, the satisfaction of a good game and the frustration of stupid mistakes, the fleeting glory and the everlasting pain, the constant competition for the elusive title, and the criticisms of the coaches and the doubts of the fans. But their lives were not all work and pain. They had the fellowship of their teammates, the vast opportunities for college scholarships, the undying devotion of the Bay City Blackcats.

Bay City High School sent several students to the University Interscholastic League District Literary and Academic meet at Brazoswood. Sherry Thomas placed second in Poetry Reading and Debbie Wehman placed third in the Science Knowledge contest. Bob Shield came in first in Ready Writing, Lamar Evans finished third in Spelling Contest, and Steve Reis placed first in Poetry Reading.

## A Word

In this book alone there are over two thousand pictures. And yet, even they represent only a small glimpse of the school year 1971-72. As sponsor of the Annual, I cannot begin to thank everyone who had a hand in shaping it; however, a few must be mentioned. First, The Annual Staff did a "great" job! They are wonderful young people. Next I should like to thank Norma's Studio, The Daily Tribune, the photography department and Mr. Pennington, and David Sparks. (David took a number of pictures for us.) Of course, there are many others too numerous to mention.

Another year has come to an end, and one more senior class has gone. Many of our instructors will leave us. Those retiring are Mrs. Grace Young and Mrs. Mary Elizabeth Hurst. Also, perhaps we should make a comment (especially in this book) that Mr. Jerry Crossland is leaving BCHS. Jerry was sponsor of our annual for a number of years. And, most recently, as sponsor of The Misfits, he directed our Favorites Assembly. We will miss them all.

God speed — and good luck — especially to the SENIORS '72!

By the way, how about this picture of me? Thanks, David.

# Go Power

... CPL electricity ... the power behind the good things in life. Like your music loud? Turn on power that gives you real volume at a low cost. Want a break from dishwashing? Load them in an electric dishwasher and away you go. Want convenience? Get a load of little things ... like an electric toothbrush, coffeemaker, hair curlers, power saw. Then cool it ... with electric air conditioning. The hidden asset behind them all is low cost, dependable electricity ...
