The atmosphere seemed to bring out the humorous side of everyone, as it gave all a chance to really "let their hair hang down."

## Fifty's Day

## Rice Festival

The favorites assembly this year was a big success. The theme was "HAPPY DAYS" and thanks to the Art II students and Miss Marques, the backdrop gave the theme a splash of color. And with the help of Torrey Adams, Harland Holt, and Dan Hall the music brought a "touch of class" to everyone and a great assembly.

Head is crooked; cap is straight

You're kidding! I did pass?

Yep, this is the right list.

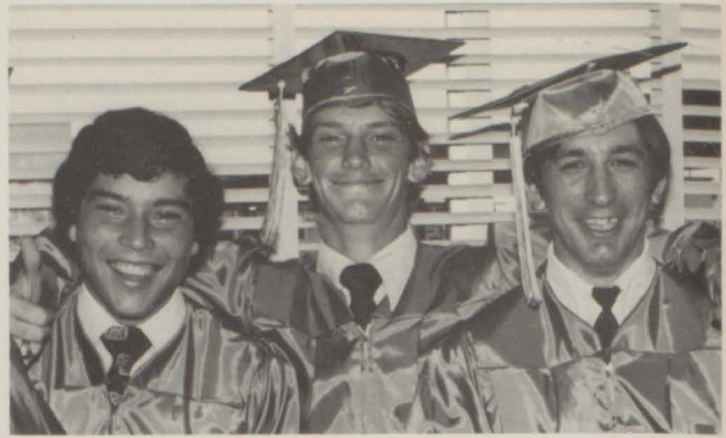

Look at all those people.

# Commencement 1978

No, Janie, not you!

"Come Sail Away"

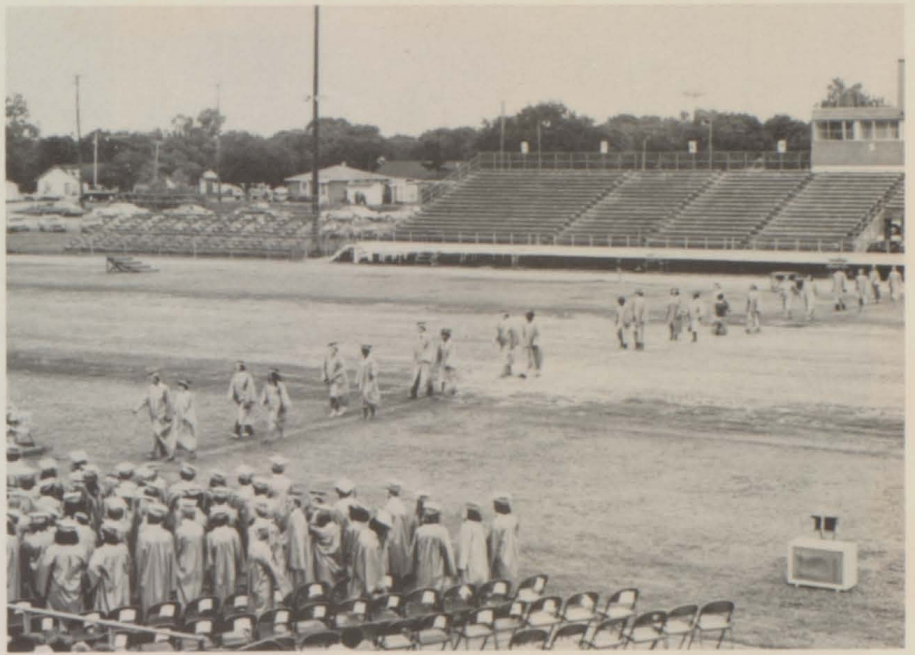

Told you I could do it Mom.

You shouldn't tease her like that.

Time for the firing squad!

We actually made it.

This collar is killing me.

What do you mean "nobody brought the right music!"

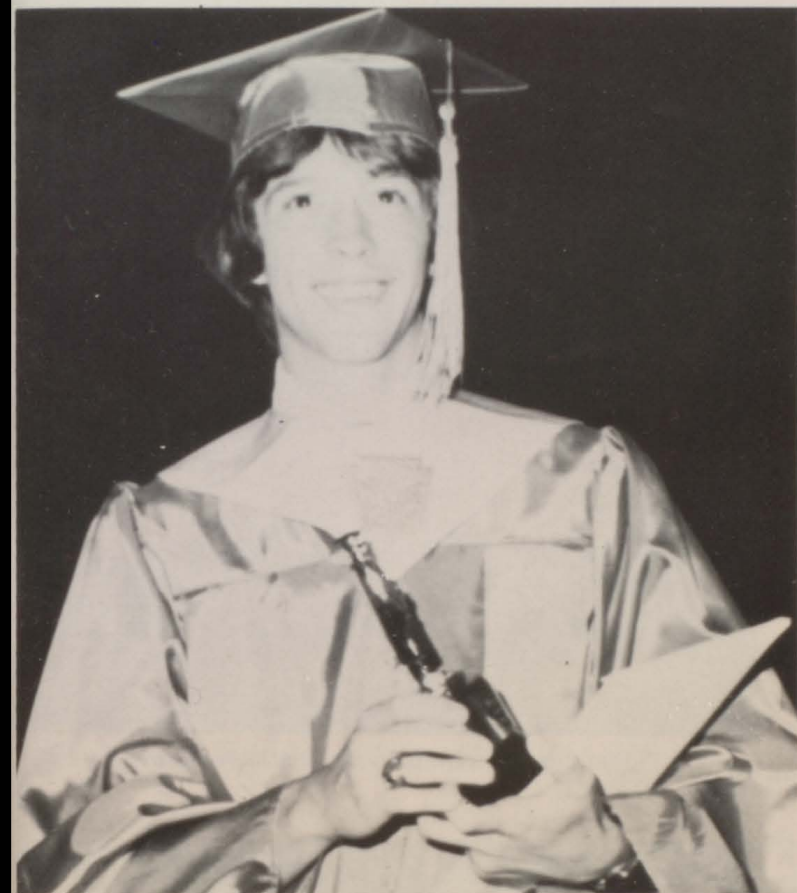

It's a happy Fizzy party!!

Just a couple more stitches . . .

Say cheeze . . .

You mean I have to walk out in front of all those people?

That sure was some party. This hat looks square.

What a classy bunch of characters.

My girdle is killing me.

TO YOU, FROM ALL OF US

Looking back over the past four years,  
We've shared many laughs and many tears.  
But though we're finished, and may be gone,  
Our memories of B.C. High will live on and on!

To all of our teachers, one and all  
Who have helped us through each spring and fall,  
We wish you the best that's brought by fate,  
We the class — MIGHTY SENIORS OF '78!
