

**Mighty Valiant**

Bay City High School  
**ALMA MATER**

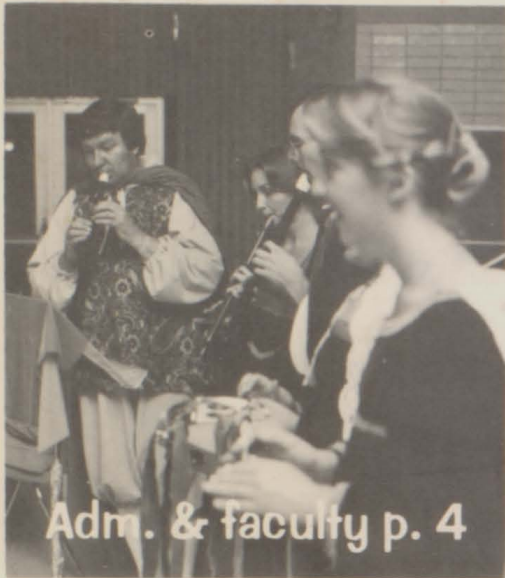

Proudly we hail the cherished gold and blue,  
To our dear high school we'll ev-er be true,  
While years go by, we place none a-bove you.  
Bay City High School, we'll always love you.

To our young hearts you have always been dear  
Enriching our lives through all of these years.  
For honor and game, joy, and gladness too:  
For faith and friendship, we'll always love you.

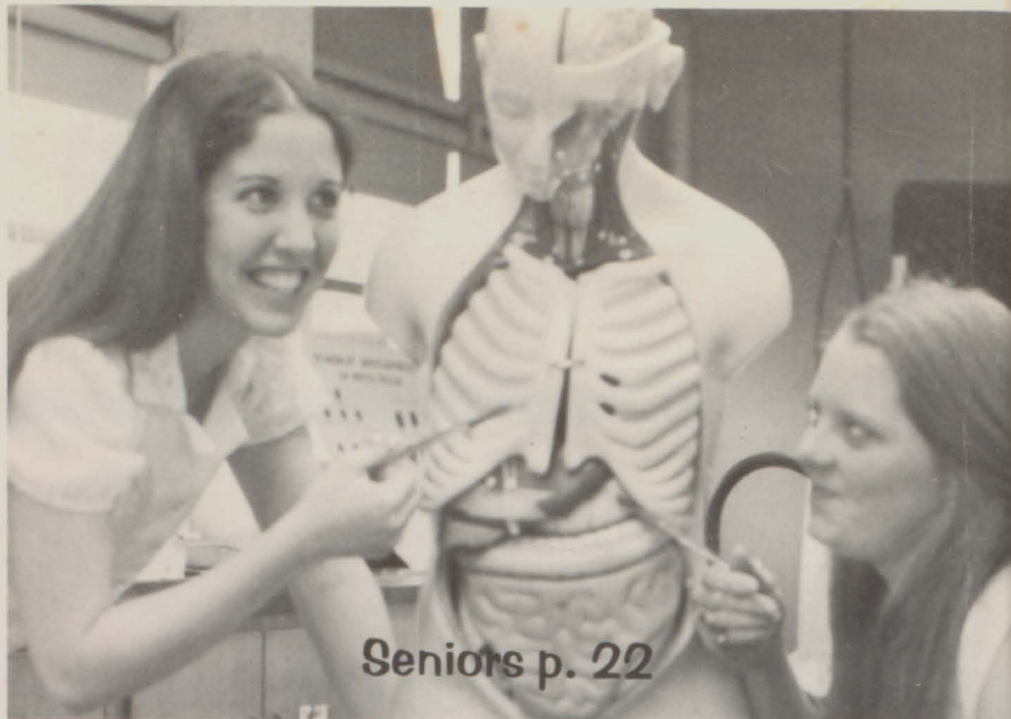

With pride we hail our dear B.C.H.S.  
Who gave to our lives so much happiness.  
To your ideas, let us ever be true  
Our dear old high school, we'll always love you.

## Fight Song

Let's give a cheer for Bay City High!  
Wake up the Choes singing her name,  
Send a volley cheer on high:  
Shake down the thunder from the sky!

What though the odds be great or small,  
Bay City High will win over all.  
While her loyal students go marching  
Onward to victory — Rah! Rah!

Let Me At It

It Got Stuck

Where Did All These Hands Come From

*Final Evaluation*  
 Refer to your responsibilities list (each person). Did each person bring what was expected? Did they have to go to the store because of not bringing something in? Be sure and describe the plan and assignment accomplishment.  
 Was your meal very expensive or do you feel it was reasonable for the number of persons served?  
 How does your meal stack up nutritionally, was it well balanced, how could it have been improved?  
 Did your meal require too much time to prepare, and you didn't have enough time to eat and clean up?  
 Did every person work on the whole job? Give credit where credit is due.  
 Evaluating all things, what kind of grade do you feel you deserve?
