As we approach the final decade of the twentieth century, some feel a sense of anxiety and foreboding about what kind of future awaits us in the twenty first century. As economical and societal trends change at a more rapid rate than ever before, some may find it an unnerving time to be completing the high school years. But I believe that just the opposite is true. There never has been a more exciting or propitious time for an educated and ambitious young person to begin "Rippin' Into The Future." An unprecedented number of challenges and career opportunities await those who are willing to take up the challenge. I firmly believe that the students of Bay City High School are approaching a time when their ambition and creativity will play a critical role in the development of our nation.

### **BCISD ADMINISTRATION**

Pictured left to right: Richard "Dick" Walton, Director of Personnel & Administrative Services; Dr. David Damerall, (seated) Superintendent of Schools; Eddie G. Jecmenek, Assistant Superintendent of Business Affairs.

Congratulations to the Senior Class of 1990!! We would like to offer you words of wisdom and give you assurance of your success in the future years to come, but these are the doors of opportunity you will have to open. Your choices and decisions will be made based on your educational experiences, the relationships you have formed, memorable experiences and the influence of your family.

We at Bay City High School would like to think that we have played a major role in the total development of each member of the Senior Class of 1990.

We want you to know that each of you hold a special place in our hearts and that we will continue to follow your progress in the days ahead. We hope that we can be a continuous influence and a strong resource for you to draw upon as each of you pursue your individual goals.

You will not have to be rich or famous, president of a corporation, or a world renown politician for us to measure your success. The most important wish that we have for you is that your choice in life be one that brings you happiness and fulfillment throughout your life and that you use your talents to work toward this end.

Sincerely,  
Bobby Kimball.

# RIPPIN INTO THE 90'S

Everyone has their own ideas and predictions about what the future will bring. Many students see themselves as successful, prosperous, and very happy. Most people agree that new technology will continue to make our lives easier, but many fear the possibility of war and an unsafe environment.

## WHAT WILL THE FUTURE BRING?

The annual staff decided to poll the students in various World Geography courses sixth period and found that, on the whole, the majority of them are very optimistic about life in the new decade.

Here are the results:

Q. Are you male or female?

A. 50%-male; 49%-female; 1%-did not respond

Q. Do you personally have the education you think you'll need to successfully prosper in the 90's?

A. 57%-yes; 26%-no; 17%-undecided

Q. Do you plan to pursue a professional career?

A. 83%-yes; 10%-no; 7%-not sure

Q. In ten years from now, do you believe the quality of schools will be better than the one you're attending now?

A. 56%-yes; 23%-did not care; 21%-no;

Q. Do you plan to marry within the next ten years?

A. 83%-yes; 10%-no; 7%-undecided

Q. Do you believe that schools should start testing students for drugs?

A. 51%-yes; 39%-no; 10%-undecided;

Q. Do you think America will experience a nuclear plant accident in the next decade?

A. 38%-no; 35%-yes; 27%-maybe;

Q. Do you think a cure will be found for cancer, Aides, diabetes, heart disease or Alzheimer's?

# Rippin' into the 90s

***IN THE BEGINNING THERE WAS SILENCE...***

# AND THEN...

The Aristocats brightened up football games by practicing early every day. They definitely started off on the right foot, but they're a little out of sequence.

Looks like the Blackcat Cheerleaders are having a rough day. Even with their mess-ups, they had a great football season and cheered their hearts out!

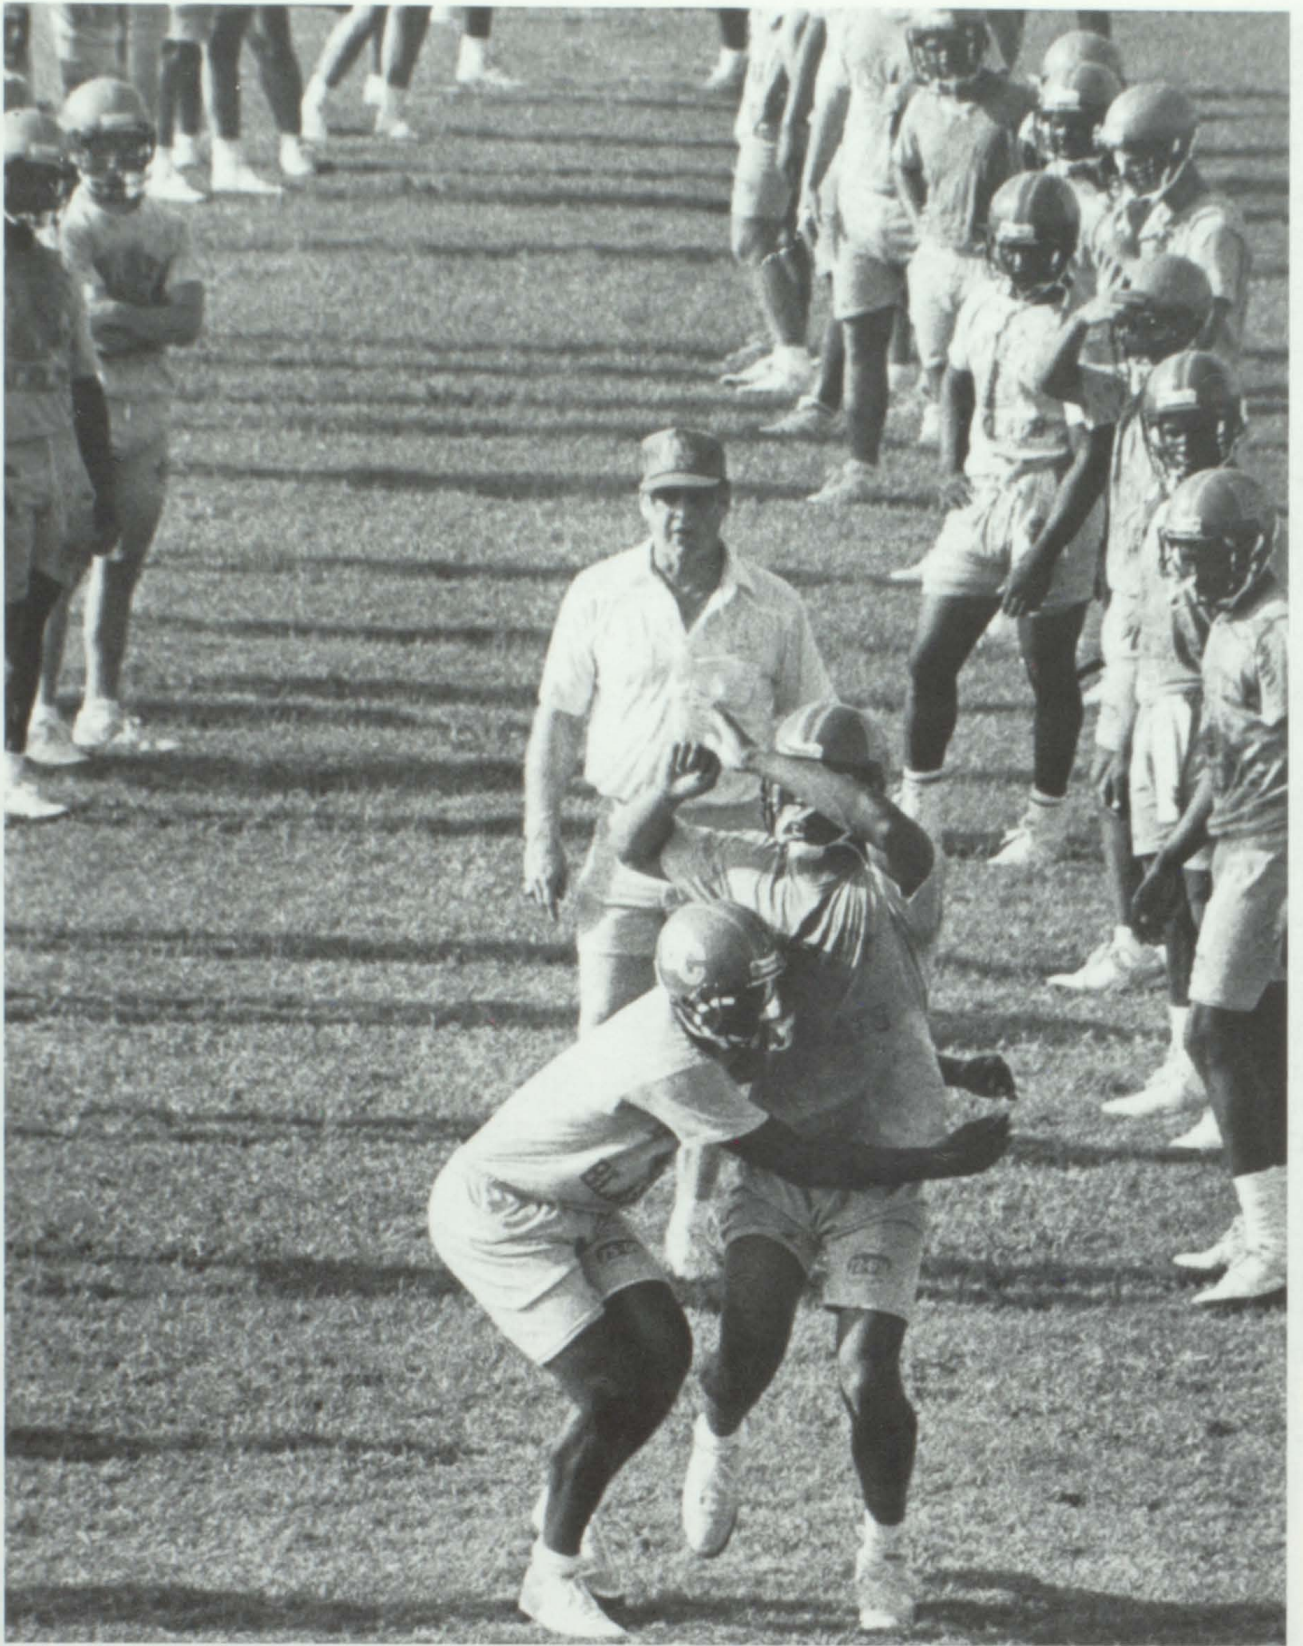

Morning Band got off to a good start thanks to Assistant Band Director Dale Mullins. Pictured here is Mr. Mullins having a position check: "Head up, back straight. . ."

All the players watch patiently as these two players practice love on the football field.

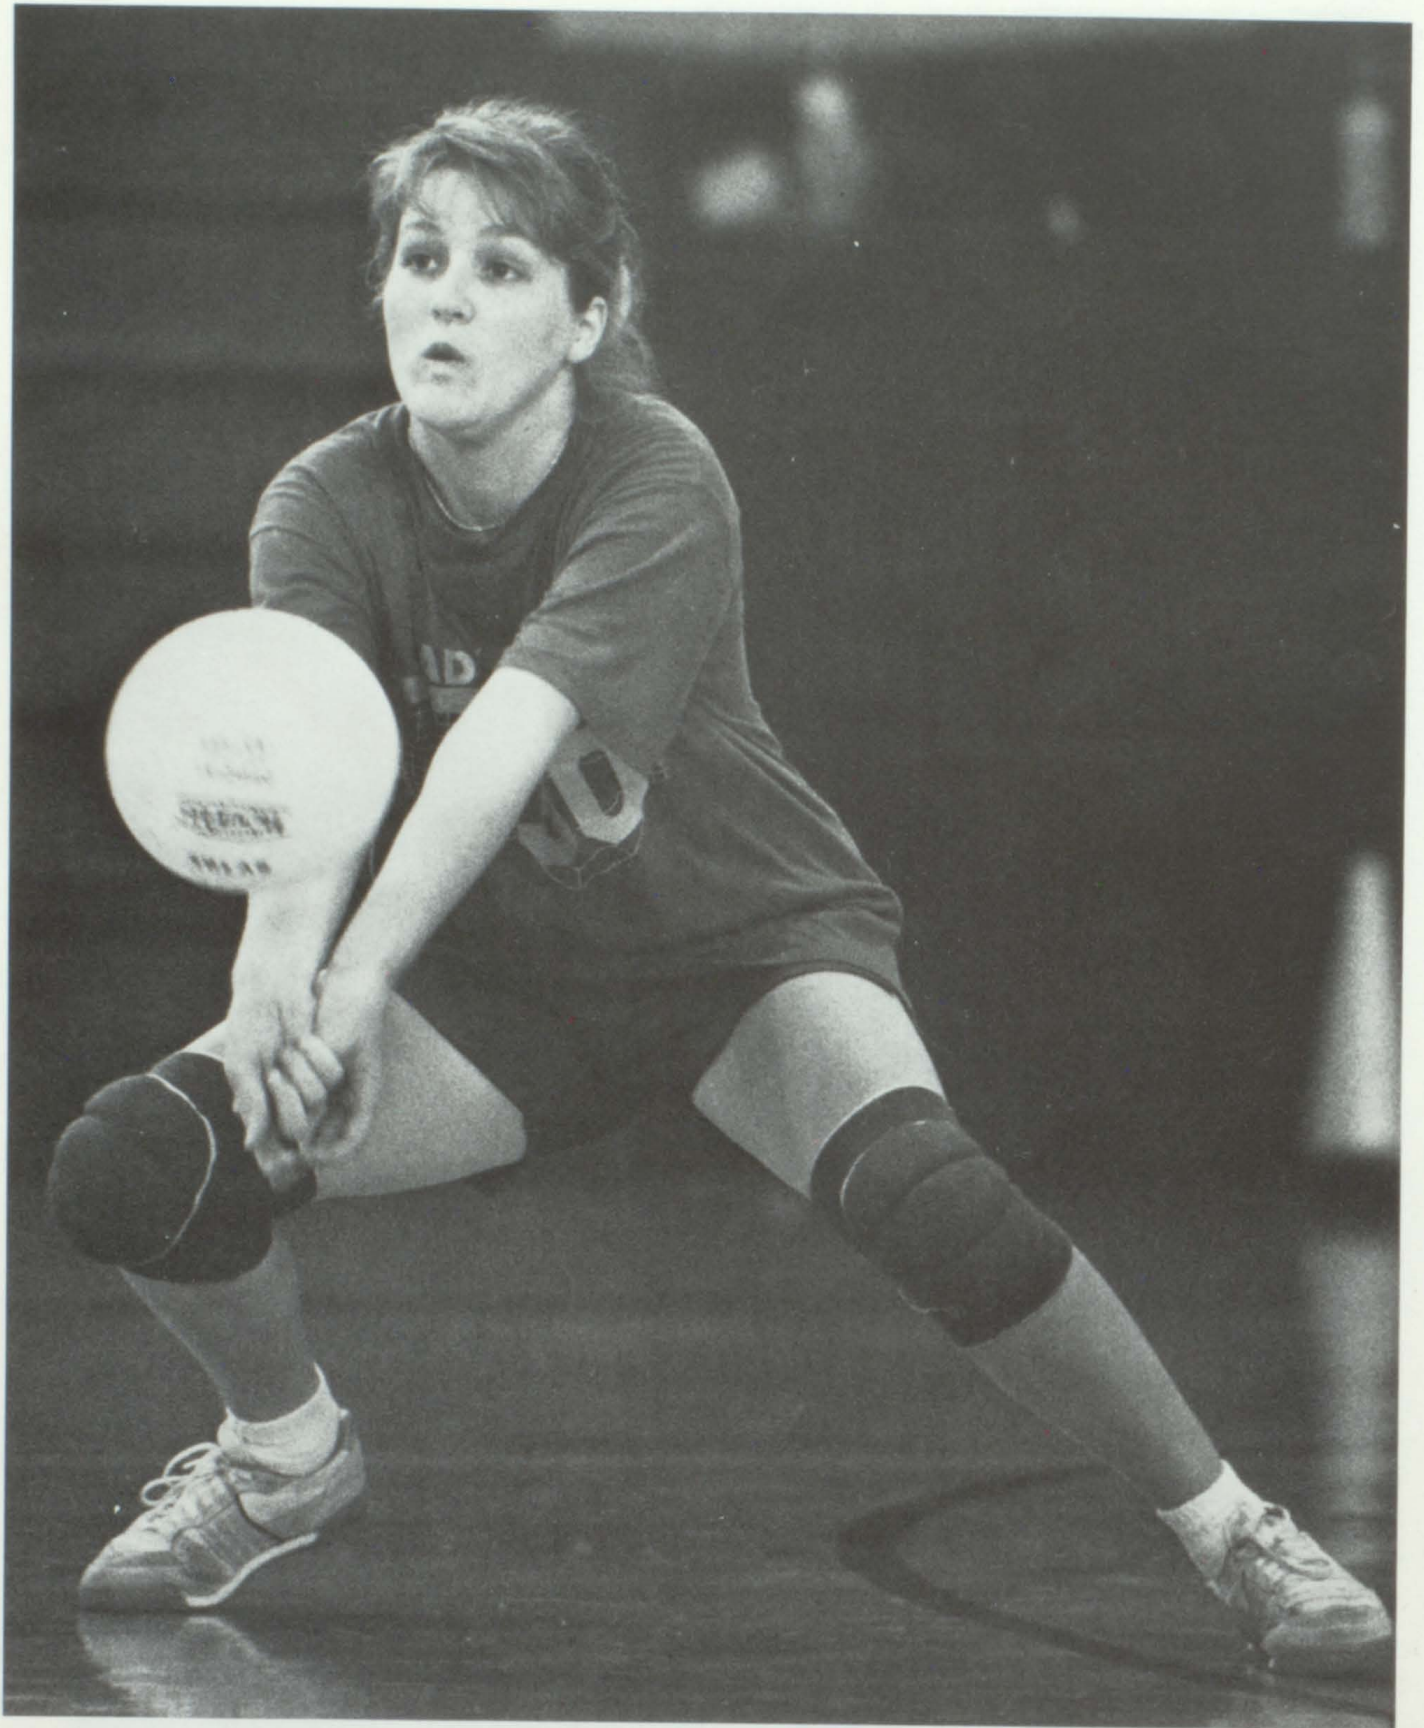

Summer band can be a fun and exciting experience. Marching in step and teaching freshman how to play the game are just two of the many functions performed. But for these two, it was a tiring and back-busting experience. Bounce back, and get ready to go!!

#30, Casey Kennedy, gives her all in practice.

Coach Sitka demonstrates her great athletic ability by taking a dive for the ball.

In the beginning, Student Council must have really been desperate for money. Selling Lemonade, really girls, you can be more original than that!

# Rippin' into Foreign Affairs:

*Meet our foreign exchange students.*

Hi, my name is Cecile Collangettes, but everybody calls me CoCo. I live with the Purcell family and I enjoy being with them very much. I decided to be an exchange student because I love the United States. I like Bay City High School's football games, pep rally's and victory dances; it is so different from France! My subjects this year include English IV, U.S. History, American Government, Economics, Pre-Calculus, French, Health, and Theatre Arts. My hobbies are tap dancing, movies, and reading. I like to read both French and English books.

Hi, my name is Francisco Javier Gutierrez Albaladejo, but people call me Javier. My host family is James and Linda Hubbard. I was born in Barcelona, Spain, on October 13, 1973. I speak several different languages including Spanish, Catalan and some French and English. The subjects I am taking this year are French II, Physics I, Spanish II, U.S. History, Geometry, and English III. My hobbies are soccer and reading.

## STUDENT LIFE

Have you ever been afraid that an embarrassing moment of you would be captured on camera and printed in the yearbook?? Well here are the most gruesome and embarrassing shots we could come up with.

Keith Brents seems to be enjoying his pizza, or is he choking on it??

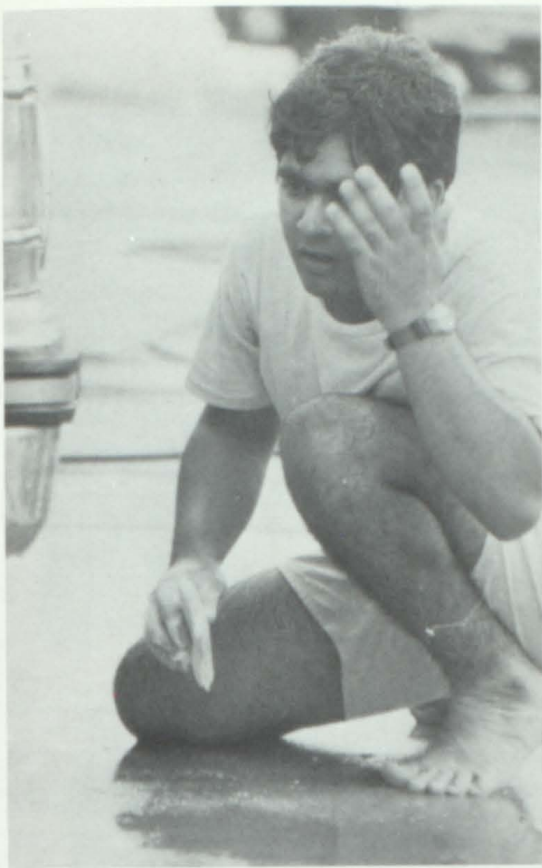

What's the matter Enlow, did you lose your car???

Here's Melissa Cox looking lovely for the camera.

What's wrong P.K., did you miss a spot?

Aren't we all paying attention.

Julie admires her reflection.

P.K. shows Erika the proper way to rinse.

Here's some members of the Ag. class goofing off and avoiding work as usual.

Cheryl Denham gives Jennifer Frontz the evil eye. Must be yet another bad day in English class.

P.K. Gugnani tries to prove himself a distinguished camera man. It seems as though he needs to change his field of interest from BCHS to making movies. You never know, maybe P.K. will be the next Steven Spielberg.

# ANGER

Have you ever had a really AWFUL day? You feel terrible and going to school only increases your misery. You create a million and one excuses to leave and the only cure for your torture is going home. Here's a small sample of some angry and bored BCHS students.

Here's David Dannels after an apparent fight with his girlfriend.

Jeff Cerny dreams about heading for home.

What's the matter Tommy? You must have a chip on your shoulder.

# PEP RALLY

The football team sheds a tear or two for the last game of the season

The chosen Homecoming Queen for 1990 shows off her mum.

The BCHS prep squad shows off their Pep Rally Spirit.

This group is waiting for the Pep Rally to start.

Mark De La Rosa seems to be having a good time!

### Having Fun After School

Tony Steele & Joey Melton show their team spirit before half time.

(Below left) Shonta Lewis & Christy Siptak watch girls basketball.

(Below right) Andy do you always park your car like this, or is this just another prank?

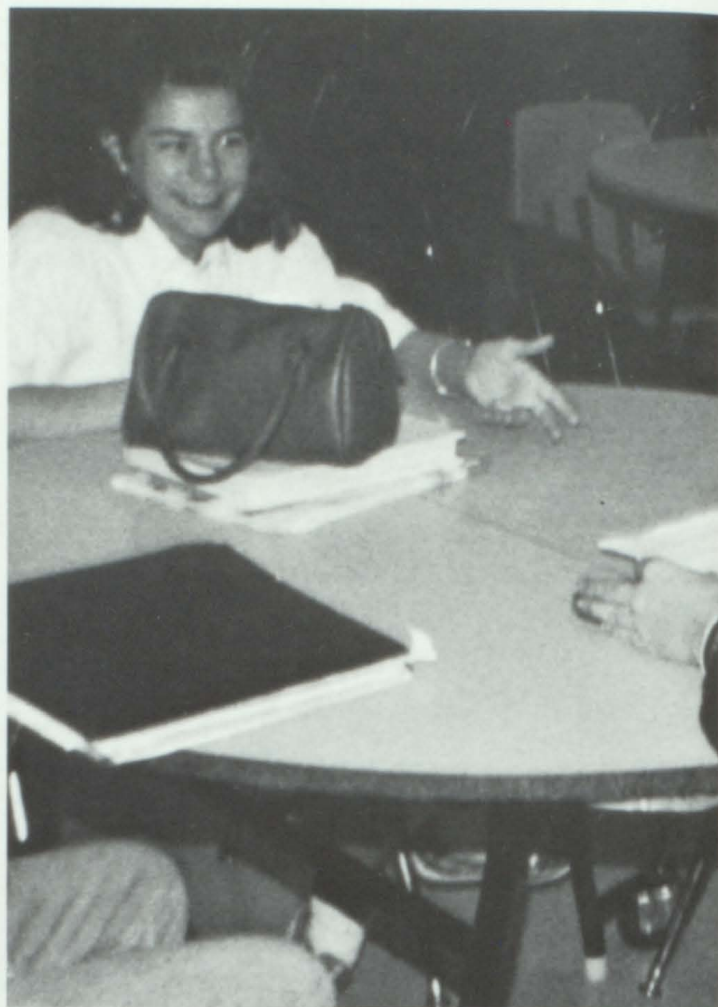

Should we be learning, or just taking it easy?

Jamie Moyer & Christy Orsak at lunch.

(Below left) Tara Williams & Epiphonia Gomez in Senior English.

(Below right) What's the joke!

# Summer Fun

(Left) Sarah Gault tries out her new blackcat uniform at cheerleading summercamp. (Center) Tina Hlavinka shows off her Aristocats sign. (Right) Deana and Steve don't look too excited about another morning in summer band.

Here's the 1989-1990 BCHS cheerleaders at summercamp. This year was definitely a great year for them.

The cheerleaders practice their best moves while enjoying a great sunny day. How could anyone not enjoy having a great time at summercamp?

The Aristocats take a moment from their busy schedule to pose for us. Looks like they're having fun, next time maybe they can go to the McDonald's playground.

Here they are again at camp practice, practice makes perfect.

BCHS Band's Christmas program.

# NIGHT OF STARS

5<sup>th</sup> Annual

On Monday, January 22, 1990, BCHS students, faculty, family and friends attended the 5th Annual Favorites Ceremony. The stage band, under the direction of Mr. Mullins, provided the entertainment for the evening. Co-hostesses Julie Cesare', Sherry Crow and Lillie Smith announced the nominees and then the winners in each category. This was truly a "Night of Stars" for all who came.

"Funniest Boy", Justin Blythe, cutting up.

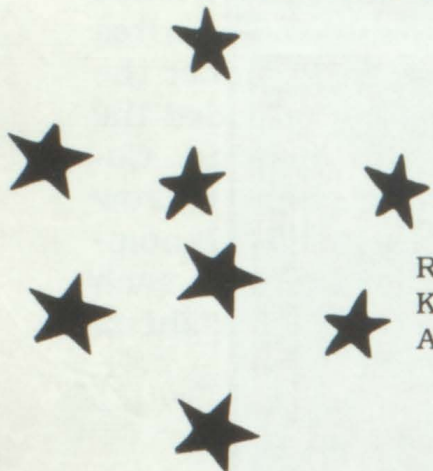

"Hey Julie, don't you know how to pronounce this?"

Erika and Christy sharing a moment of joy with Melissa.

# ART CLUB

The Art Club officers this year are Chris Smith, President; Lilly Smith, Vice-President; Jayson Carroll, Secretary; and Jodi Carroll, Treasurer.

There was a busy schedule for the Art Club Members of 1989-1990. In the fall they held a fund-raiser that paid for their trip to Dickens-On-The-Strand in Galveston. As their Homecoming representative they elected Sandra Flores. For Thanksgiving and Christmas, the Art Club Members adopted a family and made their holidays more enjoyable by giving a gift certificate for food at Thanksgiving and donating a food basket and gifts at Christmas. In the spring the members of the Art Club sold candy to raise money for their overnight trip. They also painted some murals on the school walls. They ended their busy year with a well deserved and much anticipated end of the year banquet.

*(Front row)* — Cecile "Coco" Collanettes, Laura Morehead, Sandra Flores, Sasha Morehead, Terri Hudson, Eli McElmurray. *(Middle)* — Lilly Smith, Matthew Kinsey, Elicia Gipson, Cathy Flores, Jodi Carroll, Mrs. Kinsey, Joey Willhite, Fred Middleton. *(Back row)* — Chris Pennington, Chris Smith, Bubba Bell, Steve Palacios, Michael Luetke, Sikander Durrani.

# French Club

Throughout the 1989-1990 school year, the French Club participated in various activities. During the fall semester they participated in Trick-or-Can, sold Christmas wrapping paper and went to Dickens on the Strand in Galveston. They also had their annual Christmas banquet, which took place at L'Hotel Sofitel in Houston and attended a Mime show at the University of Houston. During the spring semester, the French Club sold fundraisers and participated in a French Club Olympics which consisted of the French Club and other school clubs. In addition, they also had their annual Spring banquet, which also was at L'Hotel Sofitel, and a Mardi Gras party. The French Club meets every first Wednesday of the month and dues are \$1.00. The 1989-1990 officers are: Julie Anderson-President; Belitha Bilton-Vice-President; Omar Durrani-Secretary, Treasurer; Steve Bedford-Reporter; and Nicole Beaver-Parliamentarian.

The members of the Welding Club are interested in the industrial art of welding. They compete at district and state levels and sponsor dinners and other activities. Leadership is considered an important characteristic within this club.

# Key Club

Key Club is an organization of high school young men devoted to service both in the community and in the school. Affiliated with clubs across the country, Key Clubbers participate in projects raising money for such things as the American Cancer Society, Muscular Dystrophy, and Make-A-Wish Foundation. The club also seeks to boost school spirit with such things as sponsoring a fall volleyball tournament.

# MEDICAL EXPLORERS

Medical Explorer members are: Fred Puleo, Sonal Patel, Rupal Patel, P.K. Gugnani, Aditi Hazra, Shonta Lewis, Heidi Perez, Alpesh Desai, Nalin Patel, Steven Enlow, Sikandar Durrani, Bryan Hudson, Sheetal Desai, Ron Beatty, Partha Mukherji, Jon Hale, Shatur Patel, Ruhul Chaudhair, Omar Durrani, Megan Ely, Gargi Mukherji.

The Medical Explorers do exactly what their name suggests — they explore the field of medicine. They talk with doctors in our community about what their specialties entail. This year we not only attended an open heart surgery, but we learned about and observed laser surgery.

We are sponsored by Diana Kile and Bob Watts of Matagorda General Hospital. We held several fundraisers, and with all the Medical advances taking place, we experienced a very prosperous and interesting year.

Our Officers are: President — P.K. Gugnani  
Vice President — Gargi Mukherji  
Secretary — Megan Ely  
Treasurer — Alpesh Desai

# DRAMA AND SPEECH CLUB

The Bay City High School Speech and Drama Department has won the respect of our District and Region. Why? Because of excellence and hard work. They compete in such events as debate, acting, dramatic reading, extemporaneous speaking, and interpretation. They never left a tournament empty-handed, with trophies in individual as well as duet and group events, not to mention the coveted Sweepstakes trophies. Sure, winning was great, but Drama students learned much more than good sportsmanship — they learned valuable speaking skills that will be used throughout life. They also learned how to have a better self-image through competition.

Drama Club members are: Chris Lewis, Bryan Hudson, Todd Oncken, Laura Frazier, Manjeera Yelamanchi, Deena Schick, Matt McIntosh, Magda Irizarry, P.J. Stauber, Rachel Damerall, Partha Mukherji, Jason Fatheree, Peter Donohue, Chirag Patel, Sikander Durrani, Candy Loveless, Karla Anderson, Sonal Patel, Aditi Hazra, Sasha Morehead, Melissa Cox, Chris Alkov, Omar Durrani, Yvette Alvarado, Kathy Trim, Chrissy Donohue, David Doguet and Karen Russell.

Not pictured is Erika Rejcek.

# TEENAGE LIBRARY ASSOCIATION (TALA)

The BCHS TALA Club was organized in 1971. It is a chapter of the Teenage Library Association of Texas. The purpose of the organization is to arouse and encourage interest in librarianship as a profession and to stimulate support of and service to all types of libraries. The club also gives students opportunities for recognition in participation in literary and cultural activities, and through membership provides opportunity for volunteer library service in the school and community. This year, Erika Rejcek was the State President of TALA and Mrs. Elizabeth Young was the State Sponsor.

(Front row) — Tina Randleman, Lisa Wauson, Sandra Hucker, Beverly Guzman, Marla Eddy, Florinda Carlson, Melinda Lawrence. (Back row) — Mrs. Young, sponsor, Joanna Irwin, Alanna McMahon, Vice-President, Mike Marek, Erika Rejcek, President, Starla McFarling, Shawn Duthie, Secretary/Treasurer, and Mrs. Arnold, sponsor.

This year's Math Club includes some of the most intelligent and talented students at Bay City High School. They competed in some very challenging competitions in the categories of Number Sense and Calculator. Number Sense is a competition in which you do as many problems in your head as possible in a certain time frame. Number Sense competitors meet every Tuesday during tutorials and after school to review tests and to learn new techniques of doing problems faster and more efficiently in your head. Calculator competitions are half-hour tests with 100 complex problems that are performed on your calculator. Calculator competitors meet every Wednesday during tutorials and after school to do practice tests and to improve their method and time.

# STUDENT COUNCIL

(Top) — Bubba Bell (Parliamentarian), Rob Conners (Sr. Class Representative), Keith Brents (Assistant Treasurer), Chris Pennington (Vice President). (Bottom) — Melissa Cox (Historian), Cathy Flores (Treasurer), Ashley Miller (Secretary), Casey Kennedy (President).

This year's Student Council is one of the largest and most active groups B.C.H.S. has ever had. Joining Student Council is a way to make new friends and meet a lot of people. This also provides an opportunity for its members to have a great time in many activities. Some of the activities we did this year include holding the districts Student Council Fall Convention, sending a student to represent B.C.H.S. in a four day Drug Free Conference and working with the Special Ed. This makes the Student Council a very interesting and active club. All of our members value being a part of Student Council.

## **YES CLUB**

The Young Entrepreneurs Society is one of the newest clubs on campus. Members have either taken Honors Economics or are taking the course and have a special interest in the business world. The school store, Cat's Closet, is located in the cafeteria and was started as a result of the Y.E.S. members' hard work.

They have also played the Houston Chronicle's Stock Market Game each semester and the club produced the state winning team in the fall semester. They have car washes to raise money for those supplies in the Cat's Closet and sold "HOT" Blackcat T-shirts to students as another profit making venture.

# ALL STRESSED OUT

Every high school student can relate to the pressures associated with major exams, last minute research, and faulty lab data. What causes all this pressure for millions of kids across America? GRADES. Without passing, we can't graduate. College bound students need impressive grades so that they can attend the college of their choice. And some people get good grades simply to please their parents. Whatever the reason, everyone wants good grades.

Since we can only stand so much pressure, high school students find different ways to relieve their tensions. Some get violent, and others "chill out" and relax with their friends. Many people procrastinate and wait until two days before their project is due to begin it. However, there are a few slovan individuals who crack under pres-

sure and choose not to do their project at all. In any case, homework is only one of the many sacrifices we are forced to make during our lifetimes. So get used to it!!!

Mr. Kennedy finally realizes that he is the only one who understands the true meaning of vectors.

# As we enter the 90's, we leave behind **THE BEST AND WORST OF 1989**

## Best and Worst Percents

**13%** of American women consider themselves pretty.

**19%** of American wives who vary locations to make sex more interesting choose the outdoors.

**28%** of American men think themselves handsome.

**42%** of American workers say their boss has a big or outrageous ego.

**57%** of American cheese is American cheese.

**70%** of Americans own running shoes but don't really run.

**87%** of Americans prefer not to work around people who don't use deodorant.

**94%** of American men would change something about their looks if they could.

**95%** of American peanut eaters eat at least nine at one sitting.

**99%** of American women would change something about their looks if they could.

## Worst Word News for Everybody

Americans are the worst spellers in the English-speaking world, according to a Gallup spelling quiz. Australians, Canadians and Britons are all better spellers, on average, than Americans, the results showed. Australians who did not go beyond grade school were better spellers, on average, than American adults. And women were better spellers than men (except in the United Kingdom, where the sexes had equal ability).

Americans misspelled, on average, more than six of the ten words on the test. The same words—*magazine*, *sandwich*, *kerosene*, *calamity*, *penitentiary*, *picnicking*, *deceive*, *accelerator*, *cauliflower* and *parallel*—were included in the test given in all four countries. Of the ten words, Americans had the most trouble with *penitentiary*.

The year's Oscar-winners:  
Jodie Foster and Dustin Hoffman

Ill-time hit leader Pete Rose was banned from baseball for gambling.

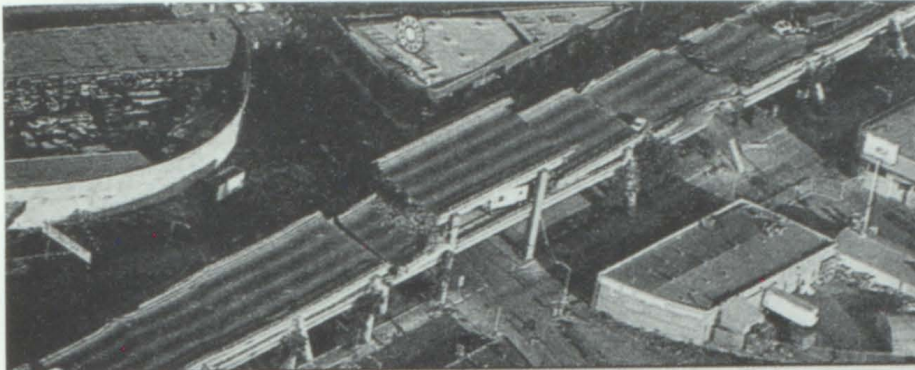

## Worst Interspecies Communication News

Sebastian Thaler of Glen Rock, N.J., in a letter to *The New York Times*:

“**T**he nearest (beyond the sun) is 9000 times as distant as Neptune and Voyager; a star near the center of our galaxy is 63 million times as far away. Assuming the nearest ‘communicating’ life form lies halfway between us and the galactic center, the fastest possible response time for a broadcast of ours would be 30,000 years — 15,000 out, 15,000 back — a soberingly long time.”

*Well, we’ve always said TV’s a young man’s game.*

Oct. 17, 5:04 p.m.: An earthquake lasting 15 seconds (7.1 on the Richter scale) shook San Francisco and the Bay area, collapsing the two-tiered Nimitz Freeway.

## Best New Teen Words

From a press release:

**M**arketers at the Campbell Soup Company got a lesson in teenage phraseology from Karen Forcade, president of Youth Research, who gave these recent entries into the teen lexicon:

**BIFFTAD** — A preppie kid; as in “Oh Biff?” “Yes, Tad?”

**BOW HEADS** — Girls who wear ribbons.

**CLYDESDALE** — A good-looking guy.

**DUDICAL** — A radical dude.

**GOOEY** — Someone’s girlfriend.

**GOOEY NECTAR** — Someone’s very pretty girlfriend.

**DWEEB** — Nerd or geek.

**FRESH** — Totally cool.

**MANIAC** — Really hot.

Forcade warns that; while it’s helpful to understand teen language, what’s maniac today may only appeal to dweebs tomorrow.

Months after *Exxon Valdez* spilled oil over Alaska’s Prince William Sound, the cleanup continued.

A Supreme Court decision upholding the right to burn the flag led to fierce protests.

## The Best Gift: A Future

**I**t started with a promise. Pat Taylor, a wealthy Louisiana oil executive, told the students of Livingston Middle School that if they maintained a B average, he would send them to college. They responded. Next, he got his state to pay college tuition for students from low-to-moderate-income families when similar requirements are met. Taylor now wants to make the plan national policy. Our future depends on an educated people, he says. As for the students, they’ve learned a new word: Yes.

# National Honor Society

Students must have a 4.0 cumulative grade point average, be classified as a junior or a senior, be approved by a faculty council, and must be willing to wear a dunce cap for a week before officially becoming a member of the National Honor Society. New members are inducted at a candlelight ceremony in March. NHS sells pecans every year in order to raise money for scholarships. Members get out of class one day to participate in a spring convention. NHS is also a member of the "Southern Association of National Honor Societies" and, finally, at the end of the year, NHS acts as hosts for baccalaurette services

# CAREER DAY

While Career Day serves a number of purposes, one primary function is to motivate students to choose courses while in high school, that provide the appropriate background for the career(s) of their choice. Among other things, the presenters were asked to explain to students the primary skills required for the respective fields, and to also point out the further schooling (if any), as far as the various routes to the career entry.

Career Day was defined by one student as the best thing that has ever happened to BCHS.

*The 1990 Graduates of Bay City High School*

# **Congratulations Seniors!!!**

**We have high hopes and great admiration for the graduating class of 1990. They have strived to do the best they possibly can. When there was fear of failure, they always succeeded. May their futures be just as successful as their high school years. Their memories of Bay City High School will always be great and we hope they look back on them with pride.**

All of us are the best of friends — aren't we cute??

Aristocats love to show their spirit!!!

Believe it or not, they are normal!!

When Friday night comes around, all the hard work wasn't so bad.

## More Than Pretty Faces

Erika Rejcek:  
1989 Rice Festival Queen

Starla McFarling:  
1989 Rice Festival  
1st Runner-up

Typically, Rice Queens are thought of as brainless bimbos with the IQ of a paperclip. Well this year's Rice Queen, Erika Rejcek, and Runner-up Starla McFarling are definitely **not** typical. Both Erika and Starla are a part of Mrs. Ludwig's Honor's A.P. English class, a privilege both have worked hard to achieve. Intelligence, dedication, and motivation are only a few traits needed to succeed in this tough course, and both Erika and Starla strive to be successful. Erika and Starla are also active in T.A.L.A., Y.E.S. and Student Council. Congratulations Erika and Starla for a job well done!

Here is Erika in the Rice Festival Parade.

# Juniors Rippin' their way up the ladder of success

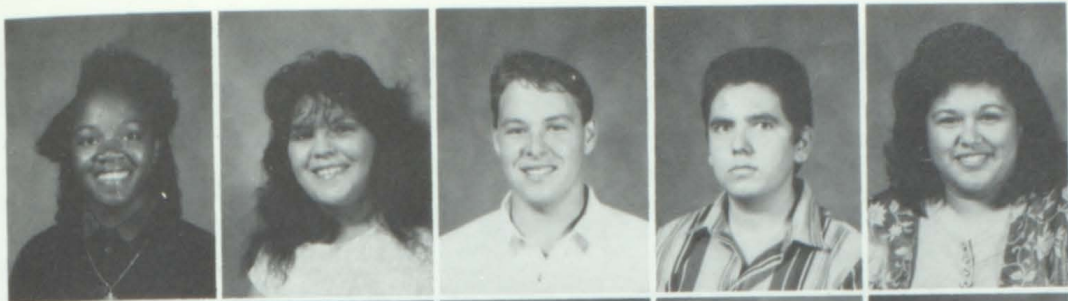

(Left to Right) — Sarah Gault-Reporter, Jodi "Annika Jordan" Carroll-President, Bubba Bell-Treasurer, Laura Simons-Vice President, Ashley Miller-Secretary.

They are finally upperclassmen, and they have the spirit and stamina of true Blackcats. This year is the big step to becoming a senior. Their first taste of the Junior life was the responsibility of Prom, and they faced it head on. They responded by jumping right into candy sales and handled their concession stand with ease. Next was the all important first session of the S.A.T., which again they handled with absolute expertise. Adjoining this was the excitement of ordering their class rings,

which made the realization of becoming a senior even more evident. Later, their English teacher informed them of the dreaded research paper. All of their nightmares had finally come true: note cards, rough drafts....AAAUUGH!!! Finally on a calmer note, some of the brilliant students were inducted to the NHS. Then they will become seniors and say goodbye to all they have done, all they have known and all they will always love.

Juniors showing their dedication.

Patience, what's so funny?

Is that the class you're skipping out of?

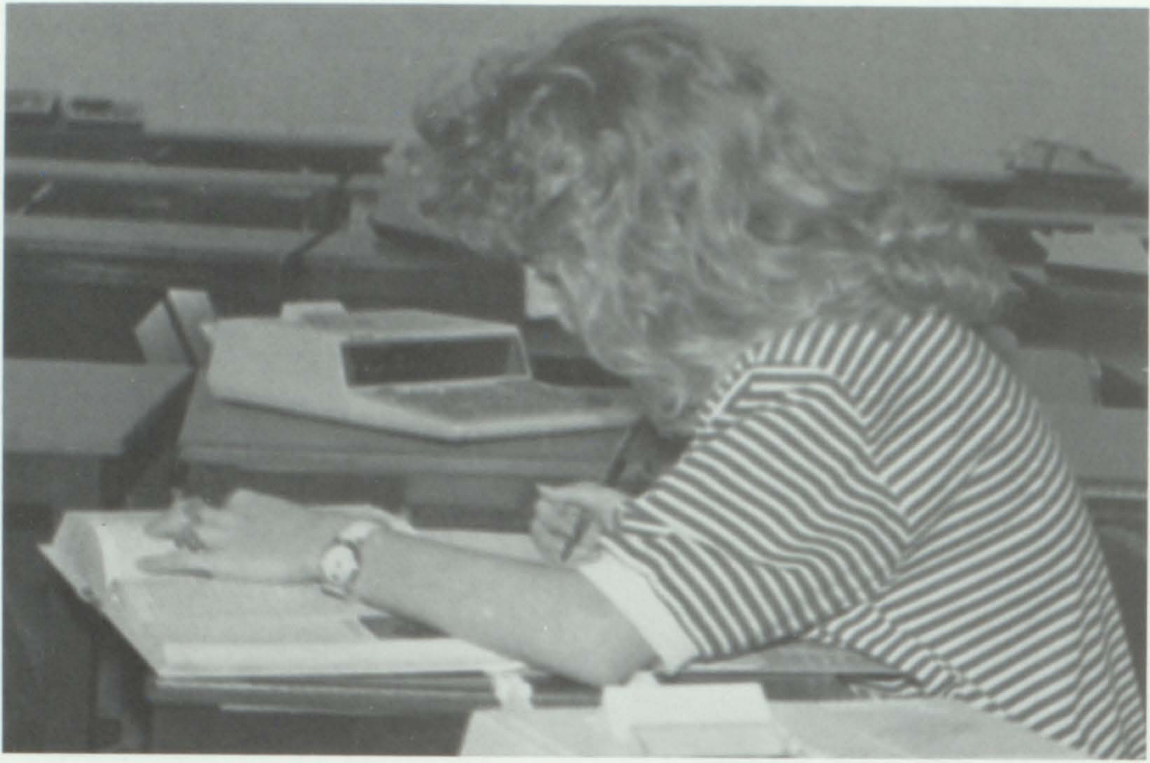

Stop flirting "Annika"!

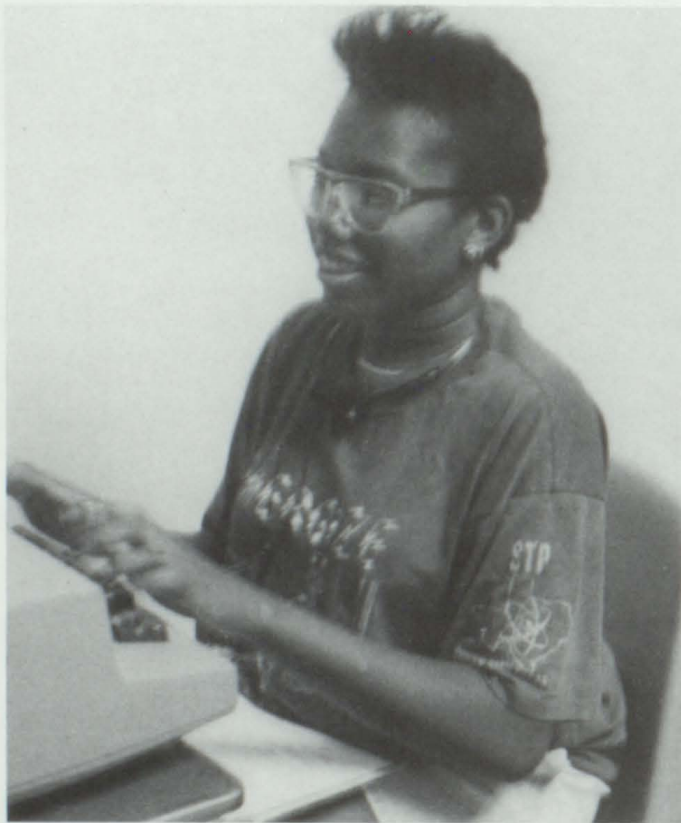

Is that the page you were missing?

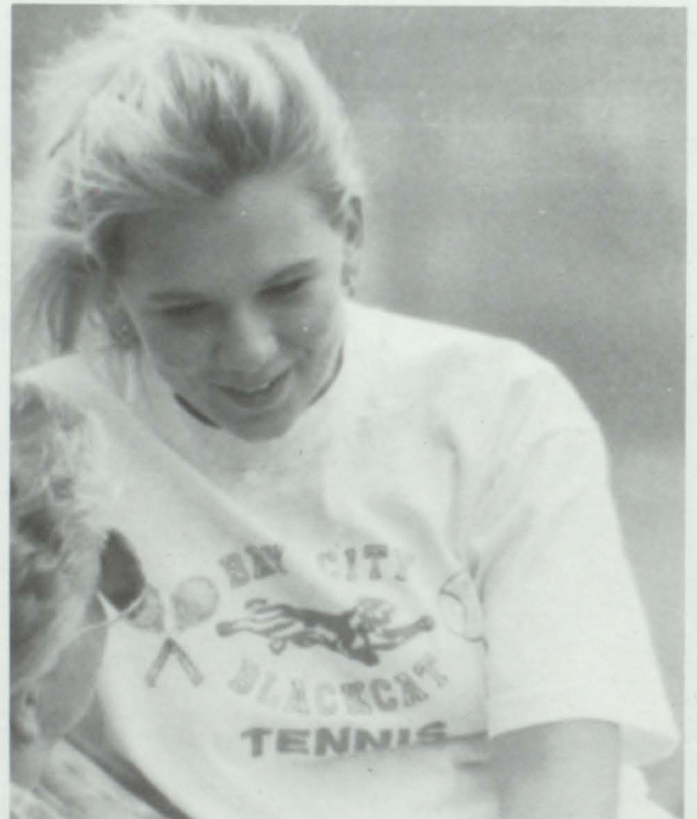

Stop writing love letters, Wendy!

Future secretary?

Your mom must be strong, Sarah!

Joe-Dee, was it positive or negative?

Well Bubba, is she as light as she looks?!?!

What's wrong Albert? Did you eat in the cafeteria?

Juniors jam with our beloved Blackcat!

Not another class meeting!!!

Joey, don't be such a show-off!

Sarah. . .how did you get up there?

Rejects from the Sixties.

Chris and his buddy.

Aww, isn't that special.

Melanie struts her stuff.

Believe it or not Sarah, it was you all along.

What's so funny Bubba?

BEFORE

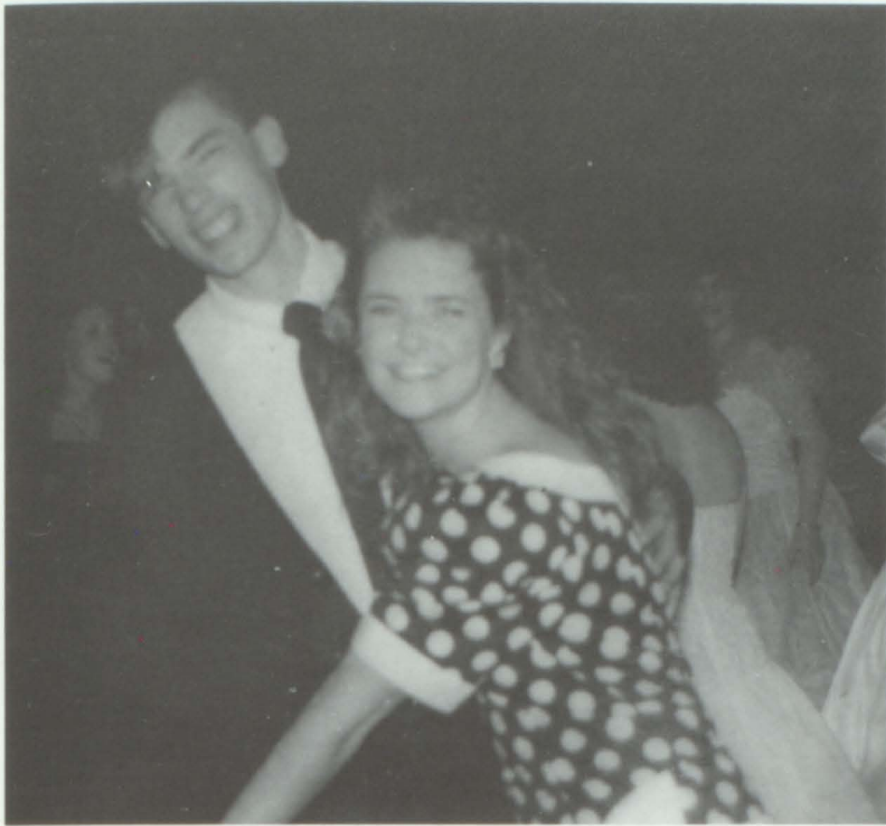

AFTER

Please, hurry and take the picture.

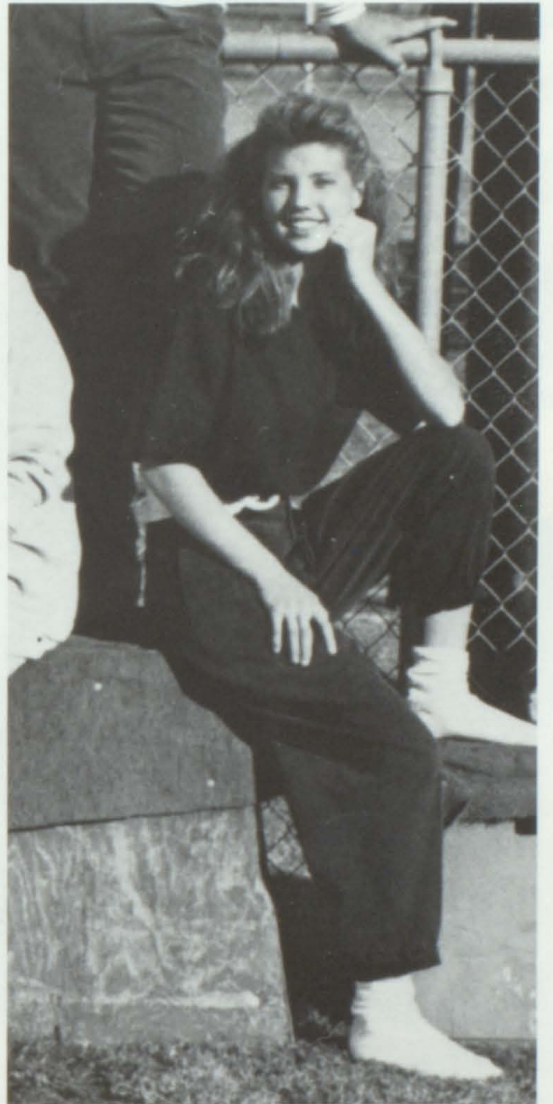

Say CHEESE!

Na! Na!

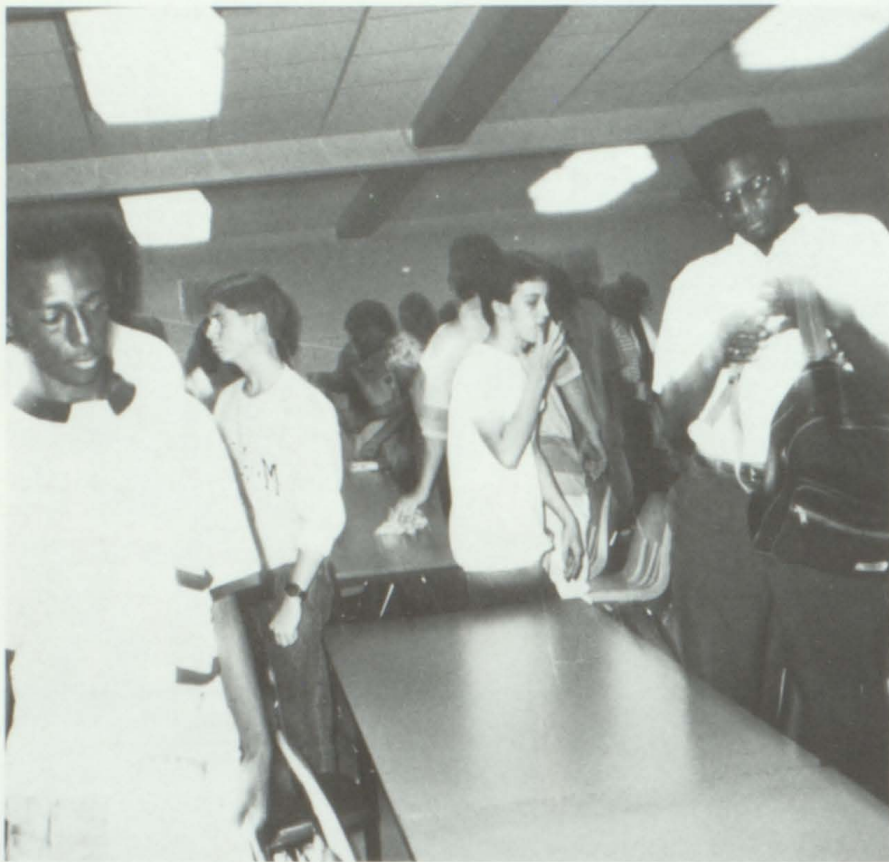

Ain't I cute?!

Am I beautiful or what?

Where are you all going???

Don't strain!

Farmer Harry

Don't copy, Javier!!

Ahhh-yeah, right.

Point that toe, Shelly!

It's not my day, can you tell?

It wasn't me!

Andy Penland, P.K. Gugnani, Chrissy Donohue, Steven Enlow

These students were among 389 other Juniors and Seniors from across the country who took part in the 1990 National Young Leaders Conference in Washington, D.C. The theme of the conference was "The Leaders of Tomorrow Meeting the Leaders of Today." During the six day conference, they met with leaders in the government, diplomatic corps, and media.

Andy, P.K., Chrissy, & Steven also met with Senator Phil Gramm and his staff. They especially enjoyed "The Mock Congress on National Service" because they could assume the role of a U.S. Representative while debating, lobbying, and voting on legislation that was up for discussion.

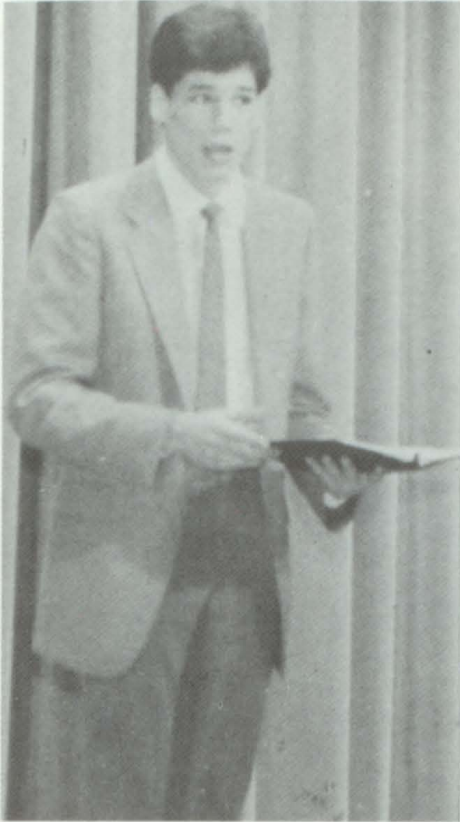

All four enjoyed the conference because they were able to meet political personal and allowed them to feel like they were a part of Congress.

# OUR STAR:

*Mark Williams.*

The life of Mark Williams was filled with many memorable experiences and outstanding achievements. Best known as Lil' Abner in the 1988 spring musical production, Mark also acted in A Funny Thing Happened on the Way to the Forum, and in the one-act play The Madwoman of Chaillot. Mark was an active participant in drama tournaments and was awarded a varsity letter in drama as a sophomore.

Anyone who knew Mark felt nothing but love and respect for him. It was hard not to smile at his pranks and jokes. A true friend, Mark was always around when a shoulder was needed to cry on or just someone to talk to.

Someone as compassionate and free-spirited as Mark is hard to come by, and when you find a person such as this, you want to hold on forever. Unfortunately, this summer we all had to let go. Mark always wanted to be a star, now he is among them.

You've heard of "party till you puke", well the attendance at this Freshman dance really made you want to vomit!

*We took a poll of the freshman class to find out their feelings of school. Here are the results:*

81% of the freshman class feel they are enjoying their freshman year.

---

63% of the freshman support sports, yet only 42% would like to have soccer available to them.

---

65% of the freshman enjoy extra-curricular activities and 43% feel there aren't enough after school activities going on.

---

The school cafeteria seems to be a big thing this year, yet the freshman class find it unbearable.

---

45% of the class can't stand to eat in the cafeteria while 10% say they like to eat in there sometimes.

---

22% of the freshman believe their classes are too hard, an unbelievable 1% say their classes are too easy, and 77% feel their classes are OK.

---

# **FRESHMAN**

Most freshman feel their teachers are OK. 29% of these freshman believe their teachers are too strict while 1% feel their teachers are too lenient.

---

55% of the freshman believe their teachers are understanding and 45% believe they are not.

---

It seems as though the freshman, at least the majority of them, are definitely having a good year. They seem to enjoy all the activities and sports that are available to them. We hope the remainder of their high school years at Bay City High School are as enjoyable as their first.

### What it was like being a cheerleader my Senior year. . .

**Melissa Cox-** I was hoping this year would be full of good times, great friendships, and lasting memories. . .It was much more than I hoped for!!

**Christy Petray-** My senior year of cheerleading was unforgettable. Our squad got along on and off the field which was really great. I will always remember the good times that I shared with my teammates because they are also my dearest friends.

**Kameron Priest-** Being a cheerleader as a senior was a lot of hardwork, but it was well worth it. I have many great memories that I will look back upon for the rest of my life! All of the cheerleaders were really close this year, it was like having one big family.

**Anna Cornett-** I really enjoyed my senior year cheering for the Cats. My high school days of cheering ended a total blast and it was the best group I have ever cheered with. We all were close friends and had a GREAT time.

Bay City High School Choir members participate in various activities throughout the year. The choir performs fall, Christmas, spring, and end-of-the-year concerts. Other events include all-district and all-region choir auditions in the fall, and "solo and ensemble" and "concert and sightreading" contests in the spring. This year, Marla Eddy was chosen to the all-district choir. During the summer, some choir members attend choir camps to get a head start on all-district music for the next year.

# CREATING A "DREAM"

The "Dream" Couple?????

Beautiful morning saxes.

You need a bigger horn!

Morning band, one of the many unforgettable experiences of being in band. You come to school in your bum clothes, unmade faces and rollers, to put together a contest drill that will blow the audience away. Meeting at 7:30 every morning (sometimes 7:00) you begin to become one unit, working to achieve one goal...the perfect drill.

You share laughter and tears, you make friends that you will have forever and the best thing is, you become part of a family that will stay with you a lifetime.

Dusty always puts on a show.

Chris always pours his heart out into his solos.

That Famous Black Cat Band!

*The 1985-1986 Black Cat Band of May City High School. Director: John...*

I must be dreaming:  
it's my knight in shining armor!

I have heard of money growing on trees, but this is ridiculous!!

# The Dream Becomes Reality

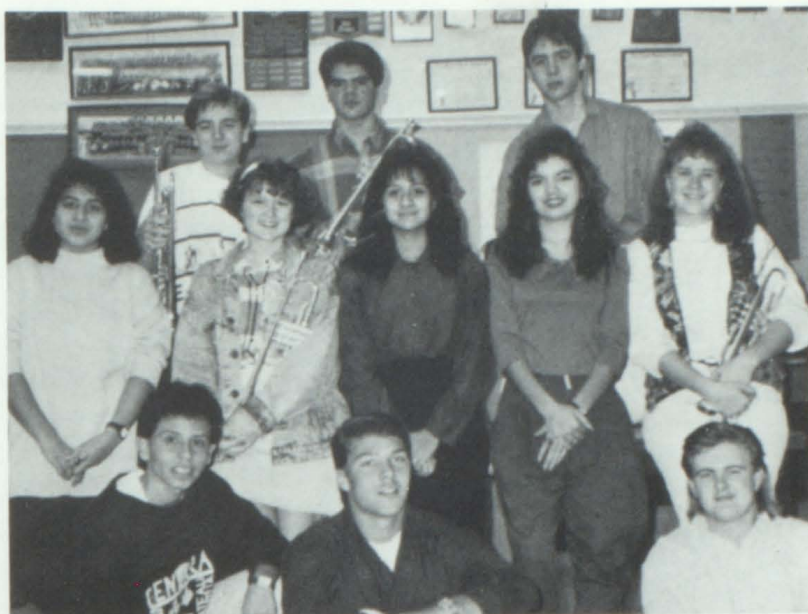

This year's contest drill was entitled, "The Dreamer," starring Verne DiPasca, sophomore, as the "dreamer." The drill started off with Verne asleep in his sleeping bag, while the band played the song "I Dreamed a Dream." Next the band performed an excerpt from the song "Little Boy Lost" during which the "dreamer" awakens. The band immediately goes into the tune "If I Were a Rich Man." While this song is played Verne dreams of becoming rich and imagines HUGE hundred dollar bills. He danced with the bills while the band and the auxiliary performed a Russian dance. The next song played is "Do You Love Me?" During this portion of the drill Verne falls in love with the Head Twirler, Samantha Matthews, who in turn runs off with another band member. Meanwhile the band forms a heart and begins to sing and dance. During the closing number, "The Impossible Dream", Verne dreams he is a knight with his faithful steed (which actually looks like a plow horse.) The band bows at the conclusion and the drill is complete.

Finally everything you've worked and sweated for has come to that all important moment: the rating. And as you can see in the picture below, the band received a "ONE" at the district competitions. This meant going to regionals and then state. Unfortunately, our band didn't go this year, but just wait until next year!!!

“THE SOUND GOES ON IN STAGE BAND.”

For the B.C.H.S. Stage Band, the music goes on. This year's group, under the leadership of new director Dale Mullins, was small in number, but rich in talent. The band consists of students who desire to explore, perform, and create modern music ranging from jazz to pop and rock-n-roll. The ensemble was called on to perform at the school's favorite's ceremony, as well as giving exceptional performances at the annual Christmas and Spring concerts. A tour of the lower schools was planned to expose our younger students to the enjoyment and enrichment jazz and popular music can provide. The band also “show-cased” their talent with in-class concerts for fellow students. This has been a transitional but successful year for the Stage Band. All band students are urged to join to “keep the music playing.”

Concentrate hard, guys!

# BLACKCAT VARSITY FOOTBALL

## Varsity Football

The Blackcats ripped their way through non-district teams with a 5-0 unbeaten record. Their first challenge was Cuero. After they clawed them 33-0, they moved on to Brazoswood. The ball kept rolling and they crushed Brazoswood 35-6. Katy Taylor, 38-11, and LaMarque, 21-14, quickly fell to the Blackcats. The biggest and perhaps best win came against Little Cypress. The Blackcat defense held them scoreless while the Blackcat offense took over and never looked back, 48-0!! Their first district game was against Wharton. The defense went to work again, 25-0; and Brazosport was pummeled 42-13. However, the dream of an unbeaten regular season was ended at the hands of the El Campo Ricebirds 10-0. Lamar Consolidated handed us our second defeat 12-7, and eliminated us from the playoffs. But the Cats came back strong to finish the season 44-12 against West Columbia. The Cats ended their season with an overall 8-2 record and third place in district.

# Junior Varsity Football

This year's junior varsity team was terribly disappointing at best. Their only victory of the **L-O-N-G** season was against Wharton. They also "won" a game against West Columbia when the game was forfeited. Their losses for the season were against teams from Cuero, Brazoswood, Katy Taylor, La Marque, Brazosport, El Campo, and Lamar. Even though they struggled throughout the year, they played hard. Hopefully next year everything will all come together!!

# Freshman Football

The freshman blue football team opened the season impressively against Cuero, 34-0! Brazoswood also fell victim to the Blackcats, 20-6. However, Katy Taylor and LaMarque quickly ended this hopeful season 6-14 and 0-16. Fortunately, with a 28-12 win over the El Campo Ricebirds, there was still hope for a winning season. Once again, though, their hopes were dashed by Brazosport in a highly competitive game, 20-27, and then also by El Campo, 0-15. The Lamar Consolidated contest provided a 14-14 tie. It was their last chance to break even and the cats came through with a 6-0 defeat of West Columbia. Even though their final record was 4-4-1, they worked hard and have high hopes for next season.

The freshman gold football team started slow (0-20) against Brazoswood, but picked it up at the end. They tied Katy Taylor at 6-6, but beat La Marque 20-6 and El Campo 21-18. Their final record for the season was 2-1-1.

**Varsity** — (3rd) Ann Wearden, Tera Thomas, Christi Genzer, Karrie Orsak. (2nd) Casey Kennedy, Jill Beatty, Rhonda Rutherford. (1st) Nikki Craft, Cathy Flores, Shirley Matthews.

The Lady Cats got off to a slow start but picked up their pace throughout the season. Their first win was against West Columbia, taking them in 3 games. They fell under in the next four games. The Lady Cats then decided to come together and work as a team. By doing this they beat Brazosport and West Columbia. The Lady Cats fell short against Wharton ending district with a 3 and 7 for the year.

# TENNIS TEAM

The Cats started their first season under the supervision of Coach Snyder. The team began practicing in August and when the season began, they defeated Wharton, Brazosport, El Campo and West Columbia (won by default). They fell short against Lamar Consolidated and this proved to be their only loss in District play. The team received second place in District. The Cats went to Regionals on October 27, winning first round 10 to 8 against Clear Brook, and losing second round against Katy Taylor. Overall, the Tennis Team finished their season very successfully.

# Varsity Boys Basketball

Our varsity boys basketball team had a successful season, however, they failed to advance to the playoffs. They finished third in the district behind Brazosport and Lamar. Their final record was 16-11. Even with the loss of several seniors from last year's team, they gained some new players and played very competitively throughout the season.

This years' J.V. team finished 11-10 after a shaky start. Their first opponent, LaMarque, handed them a devastating 46-99 loss. The rematch also proved to be a 44-56 loss to LaMarque. They came back to beat Van Vleck, only to lose to Alvin and LaPort. After a win over Hitchcock and another loss to Victoria the team stood at 2-6! However, the team got on a roll and West Columbia, Wharton, Brazosport and El Campo fell in defeat. With four games remaining Lamar gave them their last loss. West Columbia, Wharton and a 53-50 win over Brazosport closed out the season.

# LADY CAT VARSITY BASKETBALL

The Lady Cats got off to a good start with a 4-0 opening record. In their first victory, they destroyed Hitchcock by more than fifty points! However, their first loss came to rival Angleton in a close contest, 29-31. Their opening district game proved a 70-27 defeat of Wharton. Finally, the lady cats ended their season with a 58-41 defeat of West Columbia. Players with all-district honors were Rhonda Rutherford and Kathy Perry. Rhonda Rutherford has been all district for the past three years and has also captured state honors. The girls final record was 17-7 and 8-2 in district.

Congratulations and good luck!

The J.V. Girls Basketball Team got off to a good start with a 26-14 win over Hitchcock. However, Sweeny, Port Lavaca and Angleton quickly dashed a terrific opening by the Lady Cats. In the Port Lavaca tournament, a loss to Industrial, a win over Sweeny and another win over Bloomington earned the J.V. squad the consolation trophy. In the Bay City tournament, however, El Campo and Palacios knocked them out of a trophy. The last two non-district have proved losses for the Lady Cats at the hands of Alvin and Brazaswood. In district play, they were 7-3 and ended up finishing second in district.

# PRINCIPALS

Donna Harrington, Robert Matthews, Rick Bowles, Bobby Kimball.

*Bobby Kimball* — As Bay City High School principal I am to supervise and administer the instructional program and support operations at the campus level. My principle duties and responsibilities are to communicate with faculty, students, and parents, to distribute district information and promote positive staff and community relations. I work with the local media such as the radio, newspaper and television. For the students, I provide Open House, Meet The Teacher Night, Ninth Grade Orientation, Eighth Grade Registration, and College Night. I also provide individual conferences for all of the students. I am responsible for the expenditure of all activity funds in such a manner that is in the best interest of all the students and/or the organization. I maintain a budget for student travel and student activities. I keep accurate records showing scholastic, social, and health history of all pupils, with each individual student attendance records. I'm involved in U.I.L. activities and maintain all eligibility reports for students in school activities. I plan and moderate Awards Night, Baccalaureate, and Commencement.

*Rick Bowles* — I'm assistant Principal for grades 9-10 and I also deal with the special education administration (A.R.D., discipline, etc..) I supervise enrollment and withdrawal of students, assist in scheduling and registration, and perform classroom observation. I deal with Freshmen and Sophomore activities such as monitoring elections and the Sophomore Sweetheart Dance. I help orient teachers to SAC and coordinate SAC and Saturday detention program. I schedule and coordinate fire and disaster drills, which also entails coordination of the drug-free day program. I put together the Student Handbook and help the Student Council. Over all, I deal with all responsibilities that go with the duty of being an Assistant Principal to the Freshman and Sophomore classes.

*Donna Harrington* — As assistant principal for grades 11-12, I supervise the cheerleaders, drill team, the Junior/Senior activities (prom and favorites elections), and all other clubs. I help develop the football programs, U.I.L. Literary Events and TEAMS Exit Level Test. I also supervise the enrollment and withdrawal of students and assist in their scheduling and registration. On the first day enrollment, I'm in charge of making sure each student gets a homeroom packet. I also supervise and coordinate tutorial programs during and after school, the student aide program (students help with different sections of the faculty), and coordinate the monitoring of senior exams.

*Robert Matthews* — My role and purpose is to coordinate all areas of the Vocational Instructional Programs of the District, to direct and make recommendations in the instructional areas, work in an administrative capacity with vocational instructors and students, and to maintain the school's philosophy's of education that all programs will have an atmosphere conducive to good learning and teaching. The duties and responsibilities of the Director of Vocational Education are that I provide for proper supervision of students in all curricular and co-curricular activities (concession stand, stadium.) I coordinate with special educators the placement of special needs students. I establish and maintain articulation with post-secondary institutions and coordinate vocational programs with area schools.

## Rippin' with our Teachers

Thirteen years (K-12), 175 days per year, seven and a half hours per day. By the time we graduate we have spent 2,275 days or 17,063 hours sitting in a classroom. Next to our parents, we probably spend more time with a teacher than any other person.

We remember some teachers with affection, some with pity, and some we do our best **not** to remember! But no matter how we feel about them, without the knowledge we gained while under the influence of all of our teachers, we would never have the skills necessary to survive in today's society.

However you feel about your teachers, it is important to realize the significant part they play in each of our lives and the dedication they have towards their students.

## COUNSELORS

*Nanciruth Cox* — Mrs. Cox's outlook on being a counselor: School counselors are specially trained to help students individually. They help students to learn decision-making skills. Students learn about their capabilities and interests, explore possible choices, and learn to take responsibility for their decisions.

Counselors assist students in moving from junior high school through high school and form goals for their future. Registration of new students and checking progress and credits for graduation is a continuous process.

Counselors maintain current information about high school educational choices as well as college and career information. Coping skills and dealing with personal and social problems are a part of the counseling program.

Other responsibilities include staff consultations, parent conferences, referrals, maintaining records, and tests administration and interpretation.

*Joseph "Buzz" Murphy* — I'm responsible for directing and guiding the educational program for all juniors, providing counseling and guidance to 1/3 of the freshman students and assisting with eighth grade orientation and registration for incoming ninth grade students. In providing information for college and careers to the students, I explain the importance of entrance requirements, transcripts, scholarships, financial aid, and vocational career information. At the end of each school year, I send out letters to parents of each junior including credits needed for graduation and other future senior information. I play a role in summer school as for reclassifying students and adjusting student schedules. I organize junior and senior T.E.A.M.S. Exit Level Tests, Baccalaureate, and Commencement exercises, and assist with College Night, Career Day, P.S.A.T. and S.A.T.

*Judy Siptak* — As Sophomore counselor, I perform the regular duties such as scheduling, four-year plans, testing, and giving academic advice. However, I consider myself a "people person" so my favorite part of counseling is working with students concerning their personal problems. Doing SAC counseling and working with at-risk students is another part of my job that I especially enjoy. Each student is so unique and special and that is what makes my job challenging and very rewarding.

## Chase Your Dreams

You determine your destiny,  
By making choices and plans.  
You ensure a bright future,  
By doing whatever you can.

So say what you mean,  
And mean what you say.  
Show how much you care,  
In every possible way.

Let your love shine through,  
And smile a smile that beams.

Believe in your fantasies,  
Chase all your dreams.

Never give up,

Fight till the end.

Set your goals high,

Try and try again.

Give one-hundred percent,

In everything you do.

Work toward your goals,

And your dreams will come true.

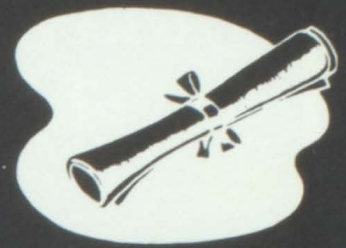

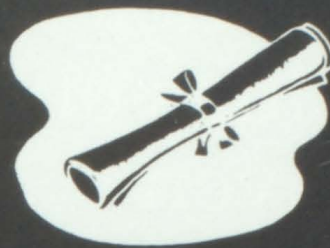

With Love and May God Bless You,

CoCo

Sonia,

Thanks alot for being there for me  
these past couple of years. I have real-  
ly enjoyed your friendship and all the  
fun we've had together, I hope our  
friendship will remain as close as it is  
now, and thanks for being there for  
me just as I am here for you. Good luck  
in the future and I hope you get every-  
thing you want out of life.

Love You Like A Sister,

Danielle,

We've been so very proud of you through all your growing years. You've made our lives so special with laughter — even tears. We hope you'll always know that you're loved so very much. You've brought a ray of sunshine to every life you've touched. You'll always be our princess no matter where you are. We've been so very lucky to have such a bright and shining star. We hope someday you'll realize that all we've said and done has been because we love you. You're our very special one!

Love,  
Mother and Dad

**Congratulations!**  
Love, Andrea and B.I.

We are proud of you, the goals you have set for yourself and the accomplishments you have made.

We wish for you a happy and rewarding life.

Love,

# COLOPHON

Six hundred twenty copies of the 1990 Blackcat Annual, Volume 77, were printed by Taylor Publishing Company at the plant in Dallas, TX. Our local representative was Kathi Cook and account executive Patti Rollins guided production of the book at the plant.

This 7 3/4 x 10 1/2 inch book has 230 pages printed on 80 lb. enamel paper. The cover design, created by Johnny Mutschler, was mylar laminated in the Lithocote cover process. Gold foil stamp was used to emphasize the design.

Twenty-four pages are printed in full color and one page is printed with spot color, process yellow. All body copy is set in 10 pt. opus; headlines are in either opus bold or opus bold italic.

Provine Studios was responsible for individual student portraits in black and white. Senior photos were taken by Castillo's Photography, Curtis Photography, Rita Kocurek and Photography by Norma. The band and senior group shots were taken by Panoramic Pictures. Favorite shots were handled by Castillo's Photography. Special thanks go to Doug Anderson, John Beresford and Nancy Rawlins for providing some of the pictures needed for a book like this.

Over 550 feet of black and white film and 24 rolls of color film, providing 1200 frames went into covering the 1989-90 yearbook.

The 21 member staff sold individual copies at an advance price of \$25 and for \$35 in January. They raised over \$300 in a fall fundraiser.
