JoAnna Irwin  
Editor-in-Chief

As I look forward to the year with the new annual staff I hope that they can catch the vision of becoming the best. When we chose the theme that would be used for the book published in the 1992-1993 yearbook season, we all looked forward to the accomplishments of the year knowing that Bay City High School would stay the best.

The central theme will revolve around striving to make the best out of everything. The yearbook staff is inexperienced with only three people having prior experience. But with a little hard work and determination, the yearbook will keep the tradition of greatness alive.

I hope that as Editor-in-Chief I can provide an example. I want to be the best that I can be so that those who will be working with me to create "The Best of The West" can have a goal to work towards. The yearbook staff has a grave responsibility in keeping the class of '93 alive in everyone's memory. I will strive to make this keepsake the best that it can be.

# Homecoming '92

This year, Homecoming came early. On September 18th the student body selected a queen from among those senior girls nominated by various school clubs.

Below are comments made by some of the nominees:

When Kim Knebel was asked how it felt to be nominated for Homecoming Queen, she said, "I felt that it was a great honor to be nominated for Homecoming Queen. It's something that every girl dreams of being a part of, but not everyone is lucky enough to be able to do this."

JoAnna Irwin said that it was a little scary at first when she was on the field. "I think we all felt a little nervous when we took the first step but after a while we were all caught up in the excitement."

Candy Loveless felt that it was so exciting being nominated. She went on to say, "I was so nervous, all I kept thinking was what if I step in a hole and fall in front of everyone; thank God that didn't happen!"

Shelly Matthes, LaTosha Clark, and Jennifer Pustka-the three finalist for Homecoming Queen.

Cheryl Chambers and her father were among those honored during halftime.

SHELLY MATTHES Homecoming Queen 1992

The Senior wing jazzed up for Homecoming.

When Shelly Matthes was asked how she felt when she won Homecoming Queen she replied, "I felt very honored to be chosen from all of the sweet and pretty girls. Excitement and gratitude to those who voted for me ran through my head, yet some sadness due to many close friends and classmates who were also candidates and well deserving." Shelly went on to say that this has not changed her high school career, only reinforced her past and future involvement in our school. Congratulations Shelly from the yearbook staff.

The '92-'93 Art Club had a good year. We started off with our yearly fundraisers and used some of the money to take a trip to the Renaissance Festival in November. During Christmas, we "adopted" a family, gave gifts and food to them for the holidays, and made Christmas ornaments for the Matagorda House Rest Home. In the Spring, we plan to take a trip to check out some of the arts and culture of our society.

### Purpose of F.H.A:

1. To develop a deeper understanding of the home and it's influence in the community.
2. To provide wholesome social and recreational activities.
3. To maintain spiritual values in the home, improve our homes, and community, and encourage democracy in home and community life.

Throughout the year, we do certain projects. Some of these include adopting a grandparent, making bibs for the Bay Villa patients, and aid the Crisis Center in supplying them with the goods that they need. F.H.A. makes students realize more about themselves and everyone around them.

# SPANISH CLUB

The Spanish Club of Bay City High School has participated in the following activities in 1992. They are: Market Days in October and November, Christmas caroling, the community food drive and Christmas donations. They have also participated in the community posadas, which is a re-enactment of the journey of Mary and Joseph for Jesus' birth.

In 1993, they made Valentine cards for the Veteren's Hospital in Houston. They also planned a valentine project for B.C.H.S. teachers. There was Market Day participation in March and April and celebration of community Cinco de Mayo in May. Plans were also made for an out of town trip in April or May to a Hispanic influenced city or event.

# Dungeoneers

Actors, debaters, and misfits.... This is the Speech and Drama Club. Improvisations and wild times compose the essences of our lives. Under the direction of our new sponsor, Mr. Andy Berkovsky, the club managed to raise funds for the productions of *Voices from the Spotlight*, *Grease*, *One-Act Play*, and the Talent Show by doing face painting on the square. On Halloween, club members volunteered to do face painting for free. I have learned so much throughout the year about myself and other people and feel thankful to be involved in such a great club. As individuals we have different goals and dreams, but together the Speech and Drama Club is a family.

8th Annual  
Favorites Night  
February 4, 1993

The presentors of the 1993 Favorites Awards.

This year's 8th Annual Favorites Night Program was held on February 4, 1993 in Keye Ingram Auditorium. This year, as a new addition to the program, the yearbook staff invited past winners to present this year's recipients with their award. Senior Favorites were nominated and voted on by the seniors, except for Mr. and Miss BCHS, who were nominated by the seniors but chosen by the entire student body. Most Dependable boy and girl are nominated and chosen by the faculty and staff. The staff would like to thank all the presentors, and our Master of Ceremonies-Doug Matthes and Mr. Gist and the BCHS Jazz Band.

# ACADEMIC

## ROPE IN

What is **Academics**? Academics is devoted to hard-working students that give their all to make BCHS the best! And we all know that Bay City High School is known for being the best. As you read on in this section, you will find out that we had a lot of interesting things happen this year from the performance of Grease and "Voices From the Spotlight", to the classes of Marine Biology and Government Mock Elections. All that can be said is, keep up the good work, BCHS

Richard Saucier and Travis Wilson attending one of the student political rallies.

# Future Gold

In Mrs. Hudson's World History classes we did an archaeological dig. First we learned about certain jobs and then Mrs. Hudson assigned them to us. On the day of the dig we came to school with old shoes and old clothes, prepared to get a little dirty. Everyone had a job and most enjoyed what they were doing. Even the excavators, or diggers, had fun finding things. The next few days after the dig, we went to the library to research what we had found. We recognized some items and then decided what type of place they came from. Was it once a supermarket or a variety store? All I know is that most of us enjoyed this mix of fun and education during our archaeological dig.

## Lower Colorado River Watch

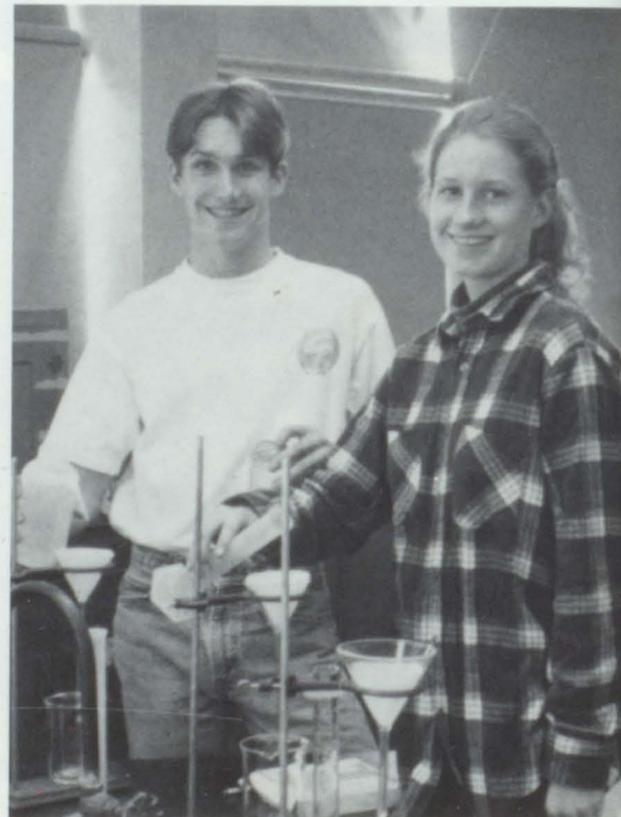

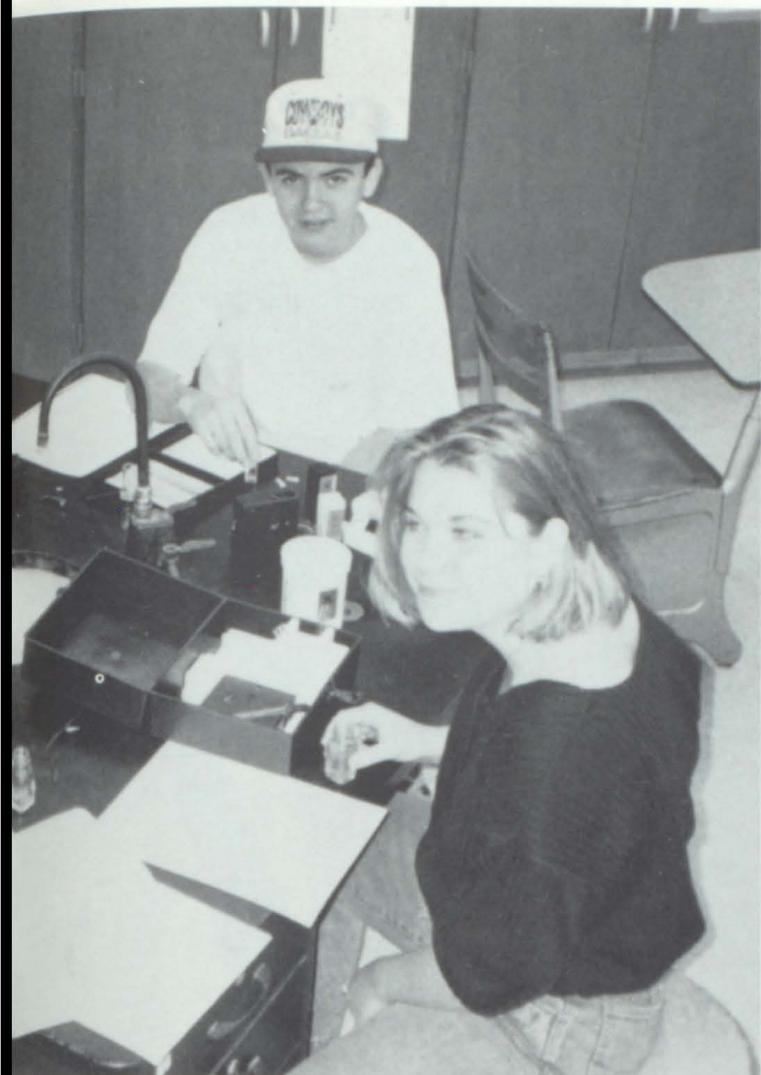

Tessa Mason, are you having fun collecting samples of water?

Once again, the Chemistry I, Chemistry II, and Biology II classes participated in the LCRA Lower Colorado River Watch. The River Watch network monitors the lower Colorado River for pH, dissolved oxygen, phosphates, nitrates, chlorides, fecal coliform, and several other tests. At the river, the students collect water samples and run several tests. The students drove back from Selkirk and did the more difficult tests like TDS and phosphates, chlorides, and nitrates in the lab.

# Workin'

It's called Career Day, an annual event which gave the students an opportunity to examine several different careers and question the representatives from over sixty agencies and companies. The visitors stressed that a bachelors degree is the minimum education a person needs if he or she is to survive in today's job market. No matter what field you choose, education beyond high school is important for almost any job.

# Welcome, Zorica!!

This year Bay City High School was honored to host a student from the country of Yugoslavia. Zorica Ancic came from Yugoslavia which is located in Eastern Europe just across the sea from Italy. The country has just recently held its first democratic elections because communism was just

overthrown last year. In an interview with the yearbook staff, Zorica said that her country is not very highly developed, but the people are friendly and like to know as much about other people as possible. She further describes her country by saying, "Don't think of our country as a hostile one, because that is not true." The differences in her country and Bay City, as described by Zorica, are the culture and the kids have a bit more freedom. Otherwise, "people have the same worries and happiness, duties, and leisure time." She also said that Bay City is a small town, but she enjoys the people's warmth and appreciation for other people.

Zorica had quite a few adjustments to make when she came to America, but her host family is always willing to help when she needs them. Zorica is staying with Stephen and Letizia King (pictured at left with Zorica). Stephen works at the power plant. Letizia is Italian, and, in the words of Zorica, "a very, very nice lady." The Kings have no children of their own, but treat Zorica as if she were their child. They have taken her to visit many places since her arrival, including Houston, San Antonio (and the Alamo), Galveston, and Corpus Christi. They also visited the Renaissance Festival (pictured below). Zorica also said, "Wherever we go, I am always welcome to bring one of my friends along. Most of the time I invite Azusa to go with us. She is a Japanese exchange student at BCHS." Zorica said that her host father is at work most of the time, but is always willing to help her with anything she needs, especially if there are language problems. Having a good host family seems to make the transition easier for Zorica.

When Zorica began describing her parents, she started by saying, "They are probably counting every minute and can't wait for me to come back." Zorica's father is a businessman and her mother is a lawyer. They enjoy traveling and have traveled through most of Europe. This winter, they took a ski trip in Italy. Zorica also has an older sister who is 23 and attending a college of medicine. Zorica describes her sister as a good student who will make a

reliable doctor. As far as the rest of those she left behind in Yugoslavia, she says, "I have a lot of cousins and friends." Zorica misses her family and hears from them often.

The first big impression made on Zorica when she arrived in America was the difference in cultures. She said, "Everything works perfectly smooth(to a certain point, that is) and the people are very friendly." She hopes that she will make many friends and take home many pleasant memories of her trip to America.

When asked about her hobbies, Zorica replied, "I must say that they have always included sports." She goes on to say that in the 18 years of her life she has changed favorite sports several times. Her first love was tennis and she still enjoys playing it. She also enjoys swimming and volleyball and would like to try horse-back riding. She plans to become a member of a tennis club and is currently working on it.

Zorica Ancic has been here for her entire senior year and has learned many things as well as seen many different cultures and ways of living. The Blackcat Annual Staff would like to wish Zorica all the best of luck in all she does.

# Marine Biology

During Mrs. Frankson's Marine Biology field trip, they charted the profile and width of the beach. They gathered water samples to test for how much oxygen, carbon dioxide, salinity, and pollutants are in the water. They seined for organisms and snooped around the jetties for exotic organisms. This fun day was followed by a week of hard work in the lab while they wrote up their field trip report.

# Don't

let your friends ride off  
into the sunset after  
leaving the saloon.

Former flight nurse Barbara Babb spoke to the students at Bay City High School on the consequences of drinking and driving. The effects of her message were worn on the students' faces as they left the auditorium—a range of dazed expressions to tears. Babb pulled no punches in her presentation as she told the students what happens when people drink and drive. During the presentation, Babb described a few of the crashes she had seen as an emergency flight nurse in St. Louis, Missouri. Babb, who has more than nineteen years of critical-care nursing experience, started speaking at different schools in 1985. Her presentation uses explicit photographs to illustrate the dangers of driving while under the influence of alcohol.

Babb explained what happens to a body when a vehicle hits a tree going 40 miles per hour and the driver is not wearing a seat belt. She went on to describe the horror the parents go through when they must be notified that their child has been involved in a serious accident and is either critically wounded or dead. Babb said, "I don't lecture to the students or tell them what they should or should not do. We all know that it is illegal for anyone under 21 to

drink—that's a point I certainly emphasize—but peer pressure to drink sometimes can be tremendous. If a young person drinks, the last thing he or she should do is get behind the wheel of a car."

The program was ended when Mr. Adams announced the opening of a chapter of SADD (Students Against Drunk Driving) at Bay City High School. We should all do our part to help in the fight on drunk driving.

# WHARTON DAY

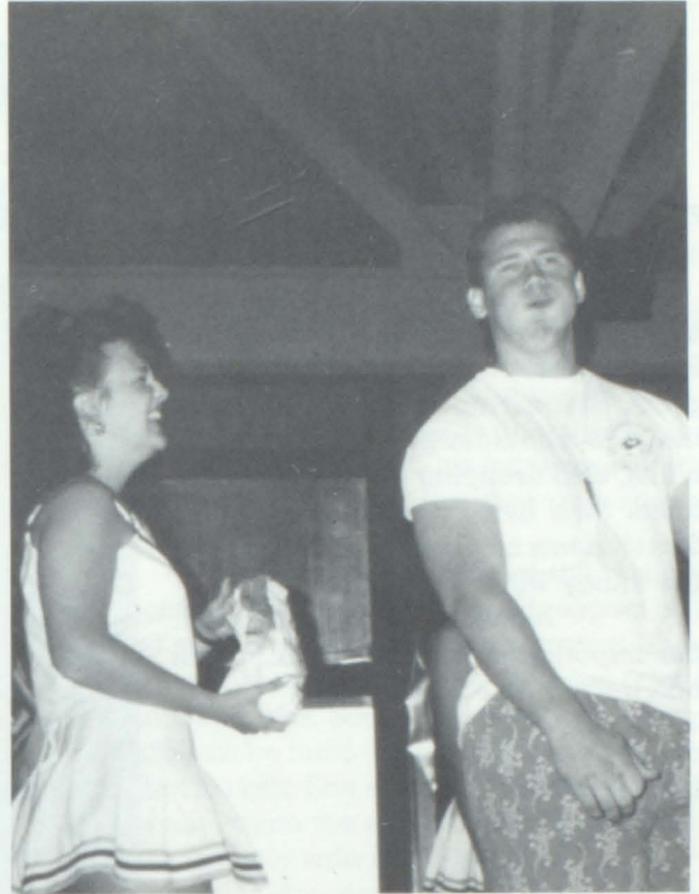

Before the assembly, we received a bag that had a food and prize ticket, a pencil, an application, and other information about Wharton. There were three different schools there and each school sat with their own classmates. While we waited for the first speaker, they had a jazz band playing different kinds of music for us.

The first speaker explained to us about all the different programs Wharton had to offer. For each program he mentioned, he had a speaker describe what each department offered. Throughout the assembly, the different programs gave out "door prizes." To receive these prizes you had to show them your prize ticket with the correct number they called out.

The cheerleaders also provided us with some different types of fun activities to do. They picked at least two people from each school. One activity required the students to stuff marshmallows in their mouth. They had to repeat "Chubby bunny" without messing up and had to say it clearly so everyone could understand what they said.

After everyone finished with their speeches, we got to eat pizza and talk to one another. We also got to look at the different displays set up around the center. W.C.J.C. had different types of computer equipment and there were also tables where you could talk to people about applying to Wharton.

# Inmates Roping Students. . .

## Stay out of Trouble

Operation Kick-It brought three inmates from the Wynne Unit of Huntsville Prison to BCHS. This program, first set up in 1970, allows inmates to tell students about how drugs, crime, and dropping out of school can affect their lives. It was designed so that students can hear what life can be like if they were sent to prison.

All three inmates stressed the importance of staying in school and getting an education.

# Just Don't Do It.

Mrs. Socia and Mr. Adams discussing how to protect our future generations from sexually transmitted diseases.

In a blunt, forthright, and hard-hitting presentation, Mrs. Pat Socia gave students at BCHS the truth concerning premarital sex. She discussed the dangers of diseases such as clamidia, syphilis, AIDS, and herpes. She said that 80% of people with sexually transmitted diseases do not even realize that they have them. This increases the risk of others catching the diseases and spreading them.

She also told us of the dangers of losing our self-esteem and self-respect by having sex for all of the wrong reasons. She said that sex is not a substitute for love, caring, or kindness. Mrs. Socia also said that peer pressure can be hard to face, but it is up to us to do what is right. She went on to say that condoms do not lessen the risk of catching an STD and that the only safe sex is no sex.

Mrs. Socia told us monogamous relationships are the most fulfilling, and encouraged us to wait until marriage before we have sex. She said the experience is better when we find the right person and stay with that person.

Chris Collins listens intently to Mrs. Socia's presentation.

# Beauty is our

The Cosmetology class at Bay City High School is a two year program that is open not only to Bay City students, but also to students from Tidehaven and Van Vleck. The junior students learn their skills by working on mannequins. The senior students have the opportunity to work on people. On Wednesdays, the senior students go to Matagorda House Nursing Home in Bay City and set senior citizens' hair and give them manicures. On Thursdays and Fridays, they take walk-in customers. In the spring, the senior students take the State Board examination for Cosmetology. Upon graduating, the senior students who passed the examination become licensed cosmetologists.

# RICE.....

## It Needs Tender Loving Care.

This year the Rice Baby project was completed in Mrs. Smith's and Mrs. Dibbern's Independent Family Life classes. The babies were put together during class, and they all weighed between 4-6 pounds. This project involved responsibility and dedication. If the parent wanted to engage in social activity, they had to hire and pay a babysitter to care for their child. By the end of this project, new parents were tired of their babies, but many were unwilling to give up their child. This project was a learning experience for everyone involved.

are to be found in our choir. This year, we have a new director, Martha Hurta. She has become the driving force in the choir program. In October, selected students competed in the All-District Choir audition. Three students were selected from Bay City. They were Larke Cowart, Brandy Dawson, and Alisse Wobser. These girls competed again in November for all-region choir; they were all selected again, and Alisse Wobser was selected for the area choir and to compete in all-state auditions. Mrs. Hurta has also formed a new performing ensemble. Students had to audition for this ensemble to perform. Other upcoming events have not occurred yet, but we do feel optimistic.

## Beyond Reality

Oracles, dimensions, gateways, phenomena. When one visits the annual follies to see the last few dances of the year's squad, one doesn't expect to experience such words. But, this year proved to be an exception. With the help of the guardian of the gateway, Enigma, played by Josie Cisneros and a lost teenager, Shiloh Ocean, played by Joey Smallets the Aristocats led us through a new dimension where only music and dancing reigned. If you missed it you have lost your only chance. According to the Aristocats the gate opened that night at 7:30, never to be reopened again.

This year the officers attended the National Dance Team Championships in February which were held in Florida. The A-Cat officers placed 17 out of 160 participating squads. Congratulations girls! We are all proud of you!

# Moseying Down

This year, the year-book staff went to Sam Houston State University for Taylor Publishing Company's workshop. During this time, we designed the cover and lay-outs for the book. When we returned, we trained those who were unable to go to camp. We started putting the book together during the first week of school and we finished it by the end of February.

# JUST WHAT WE ALL HOPED FOR...

## ANDY BERKOVSKY

Andy Berkovsky graduated from El Campo High School in 1985. In 1989, he received his Bachelor of Fine Arts in Drama from Sam Houston State University. He then returned in 1991 for his certification to teach. Although he has no prior public school teaching experience, he taught tap and jazz in Huntsville and Cisco, Texas. He said that his inspiration for becoming a teacher came from its fulfillment. "Being involved in drama, you get to wear many 'hats' as producer, designer, director, sponsor, teacher, actor, and friend."

The accomplishments that make "Mr. B." most proud range from seeing the audience applaud a large-scale production to the individual accomplishments of his students at a drama tournament. This year, he has many things that he would like to accomplish. He would like to make the Speech and Drama department into an organization that is respected and valued on the campus as well as in the community. He would like to go to State in One-Act play. All these hopes are summarized in one phrase, "I dream big!!"

Mr. Berkovsky's mother and father live in El Campo where his father is a dentist. The rest of his family is spread out in Sugarland and Houston.

When asked what person most inspired his actions, he replied, "The drama teachers I worked with at El Campo, as well as, other teachers in the district inspired me the

most. Many of them are still around and are now my peers. That's a great feeling!"

Before coming to Bay City, Mr. Berkovsky directed, choreographed and acted in over 30 plays and musicals including *West Side Story*, *The King and I*, and *A Chorus Line*. In the summer of 1992, he was the company director of the musical program at Sam Houston State.

With the success of *Grease* and "Voices from the Spotlight", Mr. Berkovsky appears to be well on his way to accomplishing his goals.

## MANNY RODRIGUEZ

Manny Rodriguez is a graduate of Victoria Stroman High School who went on to graduate from Mary Hardin-Baylor. Mr. Rodriguez is married, his wife's name is Missy, and he and his wife are expecting a baby in June. Mr. Rodriguez decided to become a teacher because he enjoys working with young people and watching them progress and develop. He was most inspired to accomplish all that he has done by his dad. Mr. Rodriguez is most proud of his state championship in baseball. He was also selected to the South All-Star Team and was an All-State Short-stop in 1986.

When Mr. Rodriguez was asked what he would like to accomplish this year at Bay City High School, he said, "I want to be able to reach each individual student."

The annual staff would like to welcome you and wish you well with the new baby!!

# ...SEVEN NEW FACULTY MEMBERS!!

## SHERRI McCLANAHAN

Mrs. McClanahan is a graduate of our own Bay City High School. She furthered her education at the University of Houston in Victoria. Obtaining the degree she received there is the accomplishment that makes her most proud. Before coming to Bay City High School as a teacher, Mrs. McClanahan taught Pre-Algebra, Geometry, and Typing at Van Vleck High School. She first decided to become a teacher because she wanted to work with young people and she has always enjoyed math.

Mrs. McClanahan is married to a graduate of Bay City High, Tommy. They have a twelve-year-old son

named Robert.

When Mrs. McClanahan was asked what she would like to accomplish this year as a teacher at Bay City High, she responded by saying, "I hope the students will enjoy mathematics and not be afraid of it."

## MARTHA HURTA

Mrs. Hurta is a graduate of Ysleta High School in El Paso, Texas. She also graduated from Southwest Texas State University. Mrs. Hurta said that she has wanted to become a teacher for as long as she can remember and her high school choir experience made her want to become a choir director specifically. She started out teaching at McAllister, Bay City Junior High, and Bay City High School for four years. She then quit teaching for a few years but returned to Tennie Holmes Elementary last year and this year to Bay City High. She was most inspired in life by her college choral

director and her piano teacher from her youth. This year teaching at Bay City High, Mrs. Hurta would like to make the choir something people are proud to be a part of.

When Mrs. Hurta was asked to share what accomplishment makes her most proud, she responded, "Raising three fine boys, two of whom are now young men!" Mrs. Hurta is married to Sam Hurta. They have two teenage sons, Brian and Shaw Ottis who are a freshman and sophomore respectively. Their youngest son, Jeffrey, is 5 years old and started kindergarten this year.

### JEFF KOCUREK

Mr. Kocurek is a graduate of El Campo High School. He furthered his education at Sam Houston State University. Before coming to teach at Bay City High School, he taught at McCullough High School in Conroe Independent School District. Mr Kocurek and his wife, Tracy, have two children, Kevin and Jennifer who are 1½ and 4 respectively.

This year as a teacher at Bay City High School, Mr. Kocurek would like to motivate students to learn and to show them that he cares.

### GRACE SAUCIER

Mrs. Saucier is a graduate of Bay City High School who went on to graduate from Austin College in Sherman, Texas. Before coming to Bay City High School to teach, she taught Gifted/Talented in Clear Creek Independent School District in Houston, Texas and Honors in Tuloso, Midway Independent School District in Corpus Christi, Texas. She first wanted to become a teacher when she taught swimming lessons as a summer job during high school.

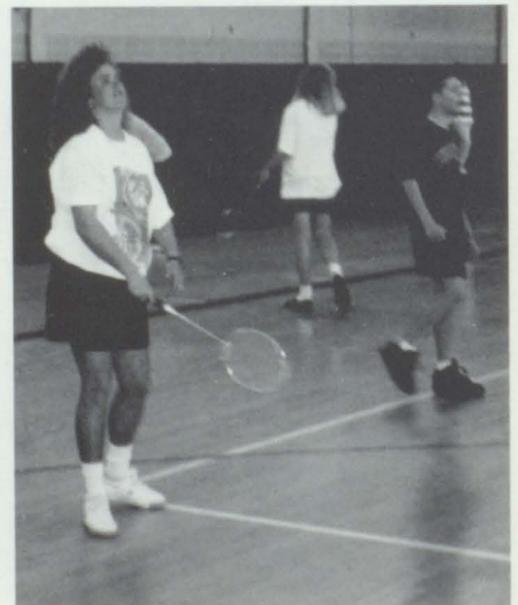

Mrs. Saucier and her husband, Merrick, have three children. Trey, her oldest, is 22 and a student at Stephen F. Austin in Nacogdoches. Richard, who is 18, is a senior here at Bay City High School. Brooke, the youngest, is 15 and a sophomore here at Bay City High School. These three children are the accomplishment that makes her most proud.

This year at Bay City High School Mrs. Saucier wants to help her students improve their metacognitive skills so they can be self learners.

### ANN DANIELL

Mrs. Daniell is a graduate of Wills Point High School. She finished her college work when she graduated on August 15, 1992 from Tarleton State University. This is her first year to teach. Her mother is also a teacher and she doesn't remember ever wanting to be anything but a teacher. She was inspired most by Dianna Schreffer, her high school volleyball coach. She is most proud of being All-NAIA in both volleyball and tennis while at Tarleton.

Mrs. Daniell is married to D.D. Daniell, also a graduate of Tarleton and a coach and science teacher at McAllister Jr. High. They were married on August 8, 1992. Congratulations!!

# Black History: The Untold Story

As the month of February is National Black History Month, the students and faculty of BCHS were treated to an informative assembly. This assembly, made possible by Beverly Deadrick, Shirley Smith, and several BCHS students, involved singing, dancing, and speeches.

Artis Hall introduced the presentation and Marcy Nelson sang a piece of the emotionally-beautiful, charged "Lift Every Voice and Sing." Semyon Sims recited the powerful "I Have a Dream" speech, the most famous of all the Rev. Martin Luther King Jr.'s speeches. Marcy Nelson, Susanna Swannegan, Teshonda Swannegan, Felicia Callis, and Ramanda Callis participated in a song and dance routine. Rhonda Phillips sang "I'll Always Love You."

Mychal Wynn, an author, workshop presenter, and public speaker, was the special guest speaker at the presentation. Mr. Wynn's speech was insightful and inspiring, instilling pride and respect that everyone in the world deserves.

# The Best Little

After a fire destroyed the stage and the auditorium last April, everything had to be replaced. Before the drama department could present their first production, much work had to be done. Students had to learn how to operate the computer that controls all of the effects and lighting on stage. Drama members also had to raise money for their own props and costumes.

# Show In Town

## Voices

The Drama Club is known to have its share of multi-talented, and somewhat eccentric members. The Dungeoneers (as club members call themselves) began the season with a show of original entertainment titled "Voices From the Spotlight". The show consisted of several different scenes from the lives of everyday students, with music, comedy, tragedy, and even dancing. It showed the good times and the bad times of adolescent life through the words and the actions of the performers. Much of the show and the music was written by the students themselves or the club's sponsor, Mr. Andrew Berkovsky. For those involved in the production and those who were entertained by it, "Voices From the Spotlight" was a fun and sometimes intimate experience. Behind the scenes, as well as on stage, it was a chance to understand the views and feelings of others, and it was also a chance to show off in some ways. But most of all it was a good time. -Julio C. Mejia

*Grease*, under the direction of Andy Berkovsky, and assisted by musical director, Martha Hurta, and orchestra director, Beverly Hall, was performed on December 11, 12, and 13.

Over sixty students participated in the production, bringing together band students, choir students, drama students, drill team members, and many others.

The great rock-n-roll musical that tells of teenage life in the 1950's was attended by over 900 people and was filled with unforgettable memories.

# Just Kiddin' Around. . .

All children have dreams of the future; bold, romantic, adventurous, golden dreams. Once it seemed we shared common goals: policemen, kings or queens, doctors, firemen, pilots, movie stars, models, cowboys, sports heroes—aspirations that would lead us to certain fame, adventure, and wealth. We were so sure of our envisioned futures and assured good fortunes.

However, the years have gone by quickly and our ambitions have changed. We've discovered our various talents and sharpened these skills to the best of our abilities. Now is the time to forge ahead and see what we shall make of ourselves

Along with the cheerleaders Jamie Moye has her work cut out for her keeping the crowd alive by. . .

## *boosting spirit!*

Jamie Moye has been our school mascot for the past two years. During this time she has cheered the team on when we were victorious and helped boost their morale again after a defeat. The spirit of Bay City High School can truly be accredited to the excitement felt when watching Jamie at work on the sidelines.

Kasey Fast gives Jamie "Jinx" Moye a boost at the football game while both girls help to get the spirit in Memorial Stadium alive and running.

# FRESHMEN OFFICERS

New faces, school, schedules are just some of the things the freshmen had to face. Some students even had to get up enough courage to run for a class office so they could have the chance to help their fellow classmates. This year's officers did just that! They are from left to right: Reporter-Jenny Johnson, Vice President-Lori Barton, Secretary-Emily Thompson, President-Kristy Matthes, and Treasurer-Natalie James.

## BAY CITY INDEPENDENT SCHOOL DISTRICT ADMINISTRATION

Pictured left to right(seated): Bobby Kimball, Director of Business Affairs, and Laura Loveless, Director of Curriculum & Instruction; (standing) Dr. David Damerall, Superintendent of Schools, and Richard "Dick" Walton, Assistant Superintendent for Administrative Services

## SCHOOL BOARD

Left to right(standing): Paul Johnson, Rusty Atkinson, Billy Mayfield, Andrew Smith. Left to right(seated): Doug Matthes, Kent Marceaux, William Dale.

Dear Students,

As the Class of 1993 goes out into the world to make its particular mark on American society, I want to encourage each of you to consider several factors that will enable you to be all that you can be. **First**, you must believe that you are someone special with the innovativeness, intelligence and drive to hold a leadership position. Too often people limit their achievements because they are unable to envision themselves being special. **Second**, force yourself to enter into new and challenging experiences that are outside your "comfort zone." **Third**, find a mentor, whether it be a parent, teacher or someone else with experience, who can advise you about problems and lobby for you at critical times. **Last**, but not least, always remember who you are and what you believe in. No job or other economic opportunity is worth the surrender of your values or philosophy of life.

I am proud of each of you, and hope that, as the years pass, you will remember Bay City High School as a place that prepared you for the future and enabled you to make good friends during your youth.

David Damerall

# STRIKING

Bay City's Rodney Mitchell about to score on Brenham.

Robert Medina running his way to the gold rush.

Christopher M. Sullivan swinging his way to success.

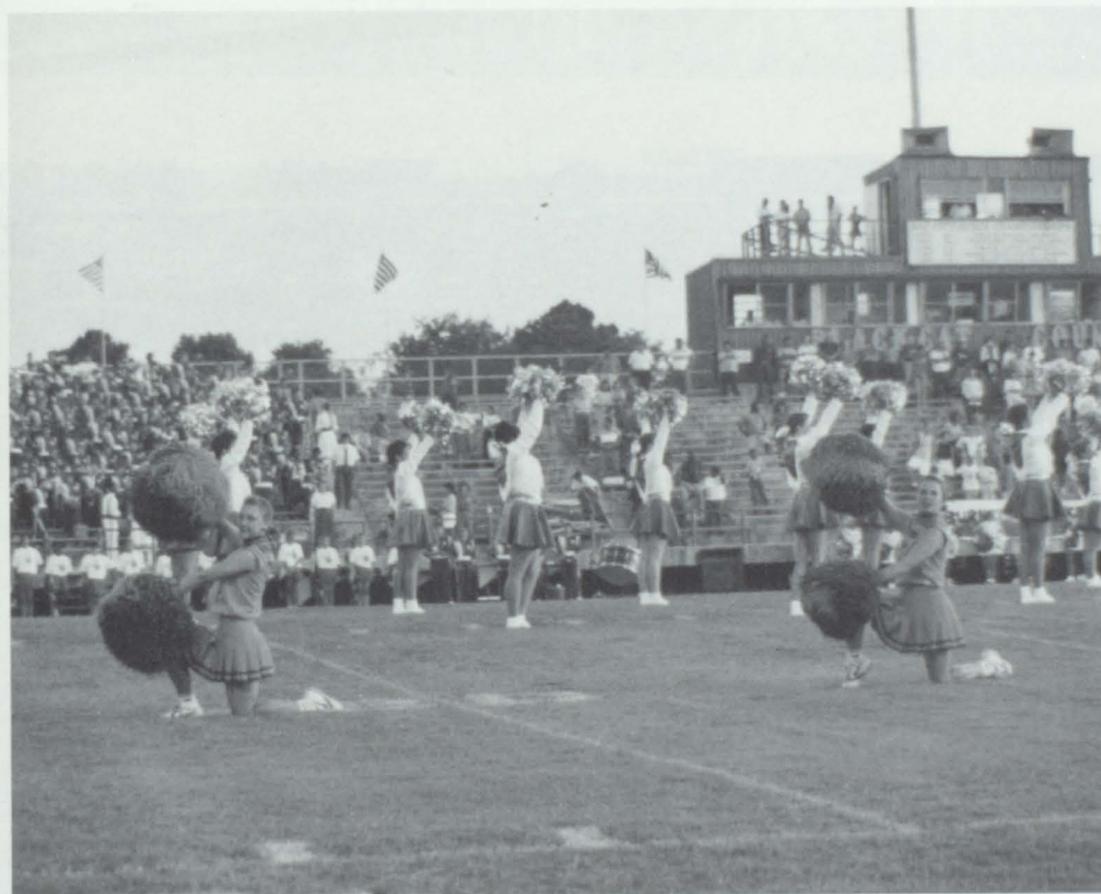

Alisa Holden feels practice makes perfect.

# GOLD

Starting now you will experience the aftermath of the best sports ever played in 1993. You will view the best bone crushing, head-snapping, body jumping football played in our district. Then the unique ball smashing, net jumping of volleyball that will have you on the edge of your seat. Skip to the court for a game of tennis where you'll be pleased with the back and forth ball action. Then you will enjoy the ball juggling, stampede roaring sound of ten uncontrolled men and women playing a game of basketball where friendship is left at the door. When the weather is hot, go to the place where people are jumping, diving, floating, and stroking their way to STATE! If you would like to feel the heat of the fastest feet you've seen in this town for a L-O-N-G time, come on down to the track because the foot action is outta sight.

# FOOTBALL

**Freshmen** Top row: Stephen Woods, Robby Reed, William Smith, Cecil Brown, Tequil Franklin 4th row: John Dewitt, Mark Muecke, Wes Frontz, Lance Williams 3rd row: Damon Hawkins, Reggie Johnson, Ricky Johnson, Stephen Pierson, James Strelec 2nd row: Roderick Pernetter, Nathan Lubbers, Roosevelt Franklin, Manuel Figueroa 1st row: Julius Ramirez, Antonio Estrada, George Hawkins, Arthur Villarreal, Chip Reddix

This was the Blackcats' first season under the leadership of Warren Trahan. Coach Trahan led the Cats to a 10-2 record and district championship. They had a power offense with Rodney Mitchell as leading rusher, who placed on the AP honor roll. They finally ended the year in the second round of playoffs against A&M Consolidated. The JV squad went 9-2 under Coach Sulivant and the Freshman team, led by Coach Carlin, finished the season undefeated.

Above: Cyrus Edison (22) making a big play for the cats against El Campo.  
Below: Rodney Mitchell (18) on the run and Leroy Dewitt (54) and Shawn Perry (3) backing him up.

# Lady Cats in Action

This year, the following Varsity players were honored. These players were:

- \*LaShonda Gipson for Co-MVP of District.
- \*LaTosha Clark and Rhonda Vinson for 1st team All-District.
- \*Hope Moreno for 2nd team All-District.
- \*LouAnna Smith and Rhonda Vinson for District-All-Academic.
- \*LouAnna Smith Class 4-A State-All-Academic.

The team's season record was 15-12 and the district record was 5-5. The team ranked 3rd in District! Way to go Cats!

For the Junior Varsity team the season record was 6-13, and for the district, 2-7.

Last, but not least, we had the freshmen team with a season record of 5-14, and a district record of 2-9.

We asked some of the players how they felt this year about their team:

-LaTosha Clark, Senior: "This year and for several years, our motto has been TEAM- Together Everyone Accomplishes More. Volleyball is a sport that takes the whole team to win a game, not an individual. My personal definition of volleyball is TEAM!"

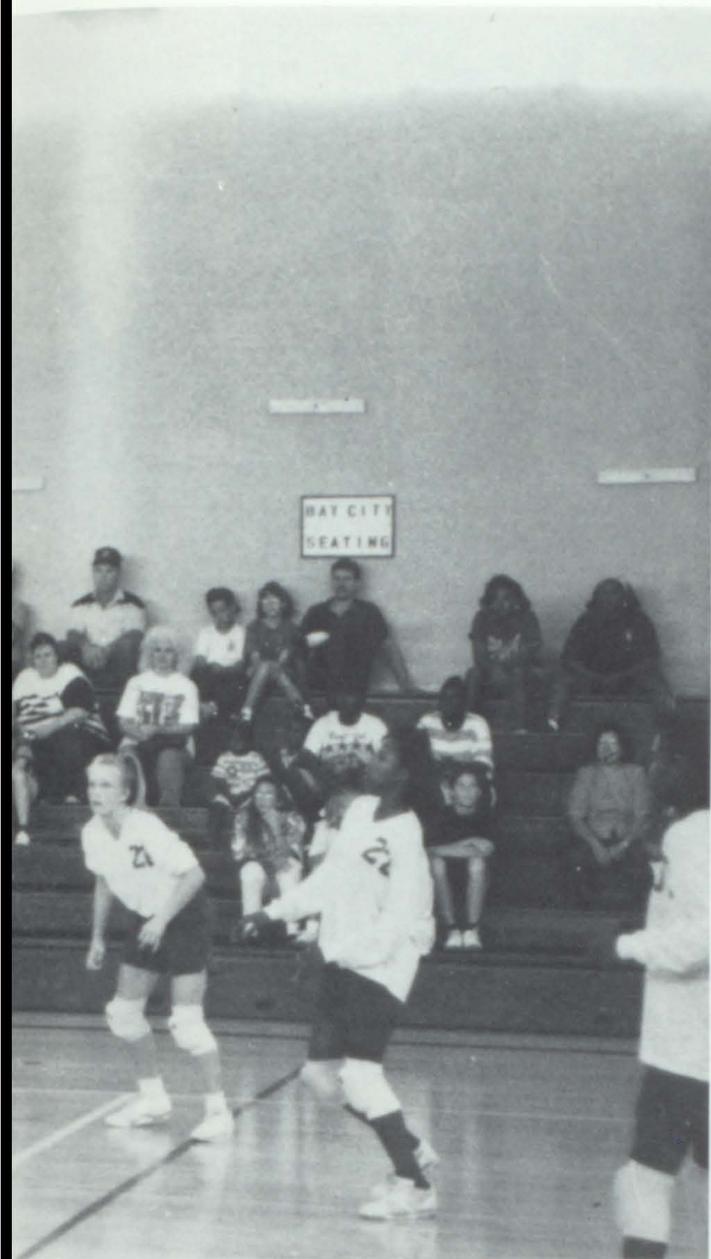

-Pam Smith, Junior: "I enjoyed volleyball very much. Volleyball, to me, is exciting and competitive. Two-A days were tough but when it came to district, I loved the action."

-Xenia Green, Junior: "I felt great about being in volleyball this year. I had a positive attitude about the team throughout the year. I felt we had a great year together."

-Rhonda Vinson, Senior: "As a 5'11", left-handed spiker, I felt very dominant playing volleyball this year. Our team was very dedicated but not determined enough and I was very disappointed that we didn't make the playoffs. Although our team had its ups and downs, we always believed in one saying that always pulled us through-TEAM!"

Why are you just standing there, Kanecia James?

LaTosha Clark putting her spike technique into action for that extra point.

What's the matter Rhonda Vinson? Too tall to hit the ball?

The JV Lady Cats sitting on the bench waiting for their part of the action in the game.

Hope Moreno, you go girl, and hit that ball!

# Swing With The Best

This was the first year Bay City had a boys fall golf program. Coach Tom Burnell believed it was very successful. There were two tournaments in which they entered. The first tournament was held on October 22. This was the Blackcat tournament and was won by the Blackcats. Brandt Kieschnick was first medalist by clipping in a birdie on the first hole of sudden death playoff. The second tournament was at Weston Lakes. The cats finished in fifth place by beating several 5A schools. Again, Brandt Kieschnick was first medalist by firing a 75.

Over the summer, the varsity and junior varsity cheerleaders went to Southwest Texas University in San Marcos for cheerleading camp. Besides learning new routines and meeting new people, they also had other experiences, such as the van breaking down. Through it all, they got back and filled the year with spirit at the great pep rallies and football games. Here are some shots of them at camp. Top to bottom: Kasey Fast, Jamie Moyer, LaTosha Clark, Shelly Matthes, Megan Campbell, Heather Bujnoch, Sandra Spencer, and Karen Lewis.

The Junior Varsity squad had a great year. This year's squad had six sophomores and six freshmen. These shots are of the girls doing their routines at camp. Although the girls were busy, they still had time to pose for the camera.

## Colophon

The 1993 Blackcat was published by Taylor Publishing Company in Dallas. Our local representative, Randy Elliott assisted.

The theme "Best of the West" is on a lithocote cover of super blue with gold foil. The paper was eighty pound enamel with a Smyth binding. All body type is set in pyramid; headlines are in Windsor and the Senior section is in Garamond Italic. Delmar Studios took all individual student pictures. Favorites pictures were taken by Ultra Photo. Special thanks goes to Jennifer Reynolds at the Daily Tribune for providing some of the pictures in the book.
