Dear BCHS Students:

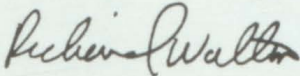

As I reflect on your theme, "Things Will Never Be the Same Again," it brings back a flood of memories from my combined thirty-one years as a BCISD student and employee.

For the seniors who are now "looking back" on their high school years, you stand at the brink of radical change. As you begin to work toward fulfilling your academic or career goals, truly, things will never be the same again. Your years in Bay City High School now become less important than what you do during the next five to ten years. You should cherish the memories of those high school years, but know that the *real* task lies ahead of you.

For those of you still in school, I urge you to involve yourselves in every aspect of BCHS. You have the opportunity to make lasting memories and relationships, and after high school, many of those opportunities will never be available again. Take advantage of the quality education that is offered, and participate in as many extracurricular activities as possible.

Work hard, have fun, and remember that Black Cat fight (and memories) never die.

Sincerely,

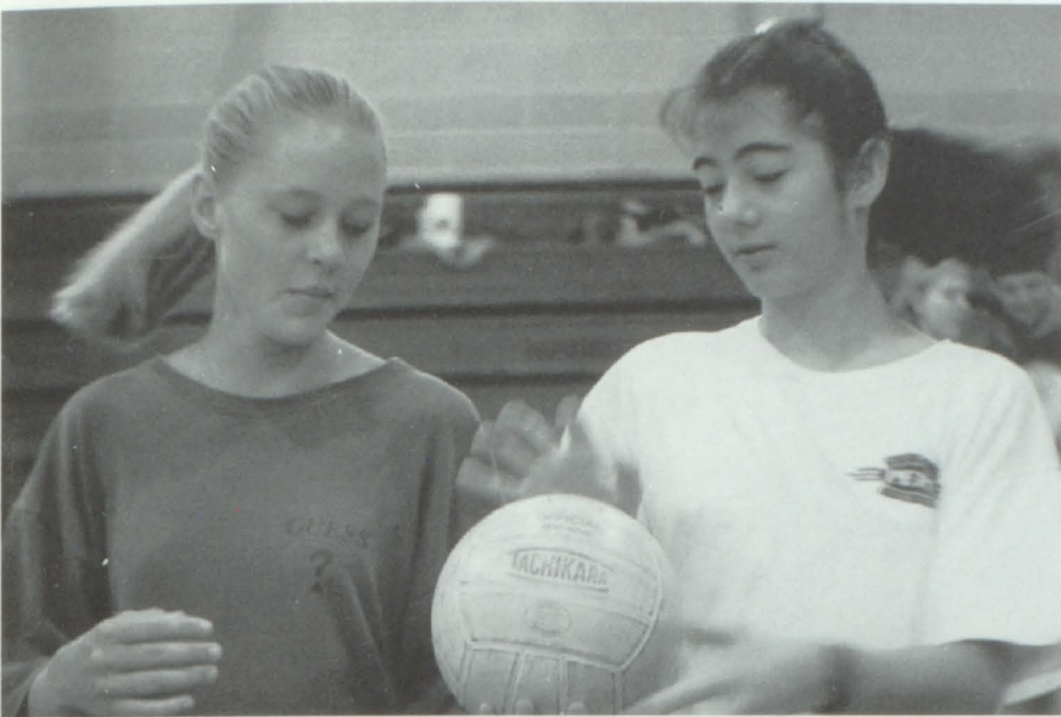

Richard Walton

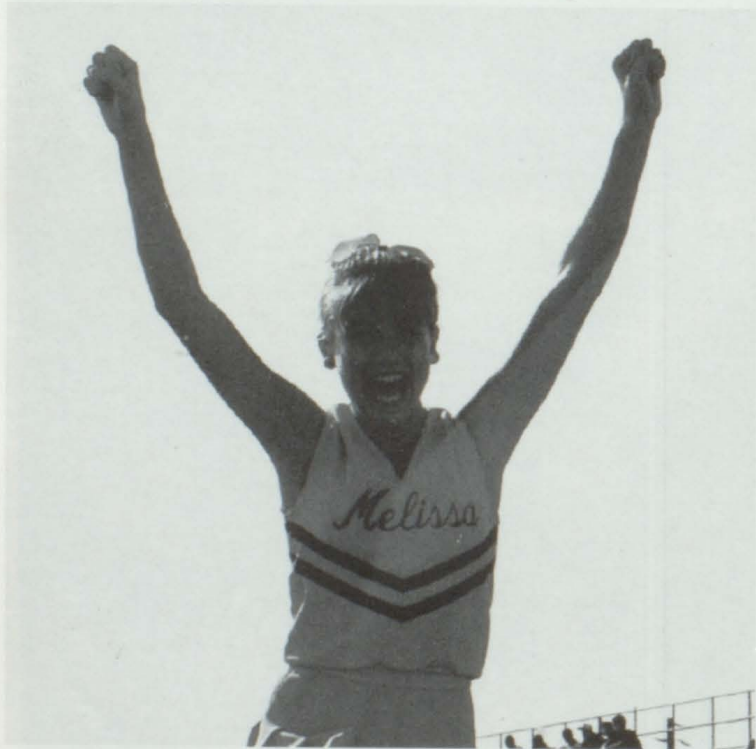

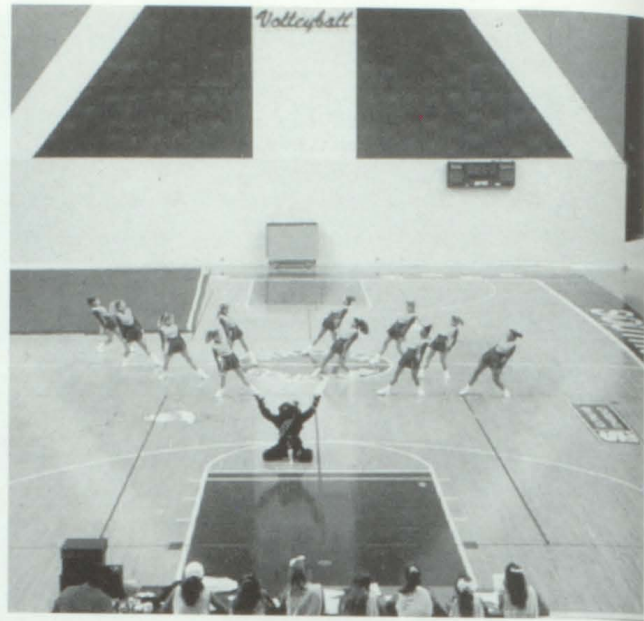

"THINGS WILL NEVER BE THE SAME AGAIN." How many times in our lives have we heard that? These words, frequently spoken by those who have "been there," ring in the ears of many of us here at Bay City High School. Being Seniors, we've realized those words are very true. High school is a time in your life when the most unforgettable memories are made - from the Homecoming games to the Senior Powder Puff victory and, finally, graduation. None of these things can ever happen again. Cherish these precious memories for all they are worth and may your years here at Bay City High School be filled with many more!

Summertime means sun and fun — to some of us. We relax on the beach, catch a few rays, visit long lost family members, watch a lot of movies, and become really friendly with the couch and a bag of potato chips. Others have jobs to keep them busy — from carhopping at Sonic to sacking groceries at H.E.B. And still others are right here on campus, practicing for band and football, learning routines, and learning to put the yearbook together. Near the end of the break, administrators welcomed the new Superintendent, teachers got ready to teach, and before we knew it, the first bell was ringing for the 1994-95 school year.

What was the major change you experienced when coming to BCHS from junior high?

"Not being big."

"There's a lot more people."

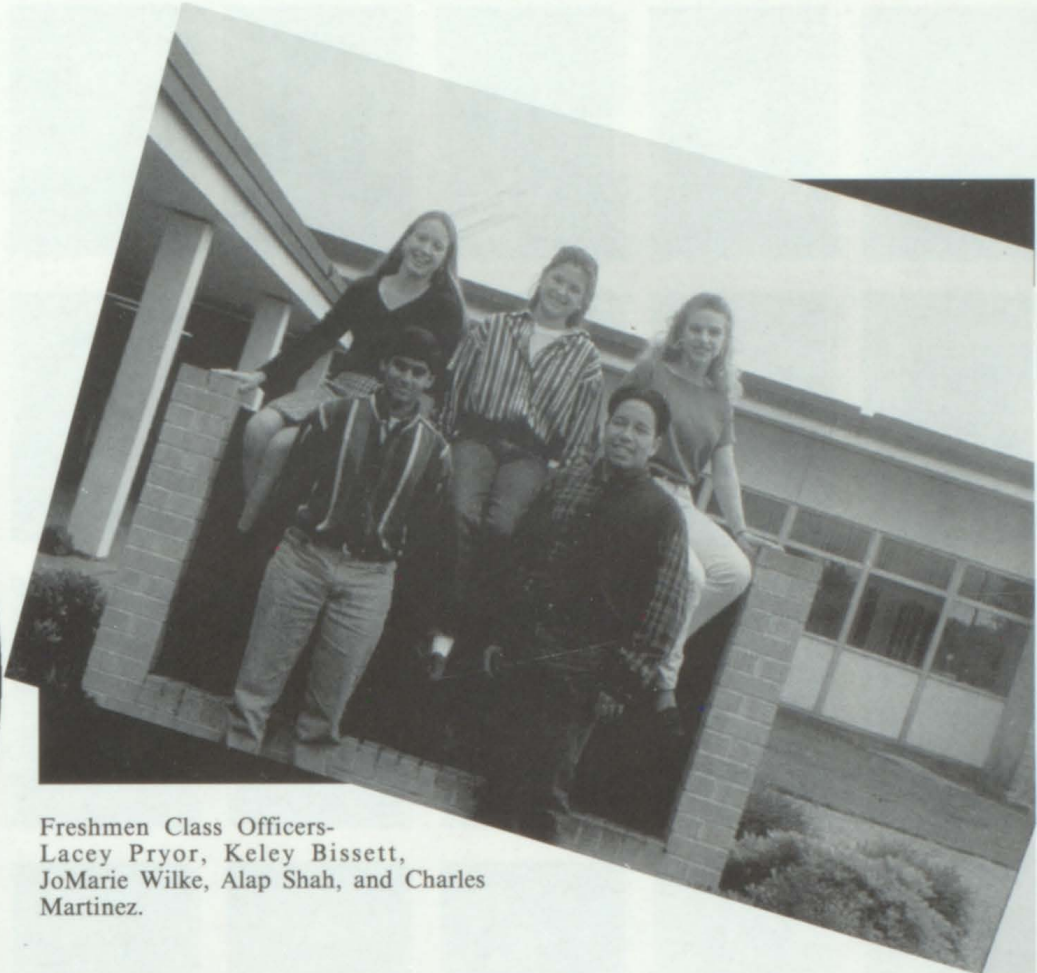

"The school is way bigger."

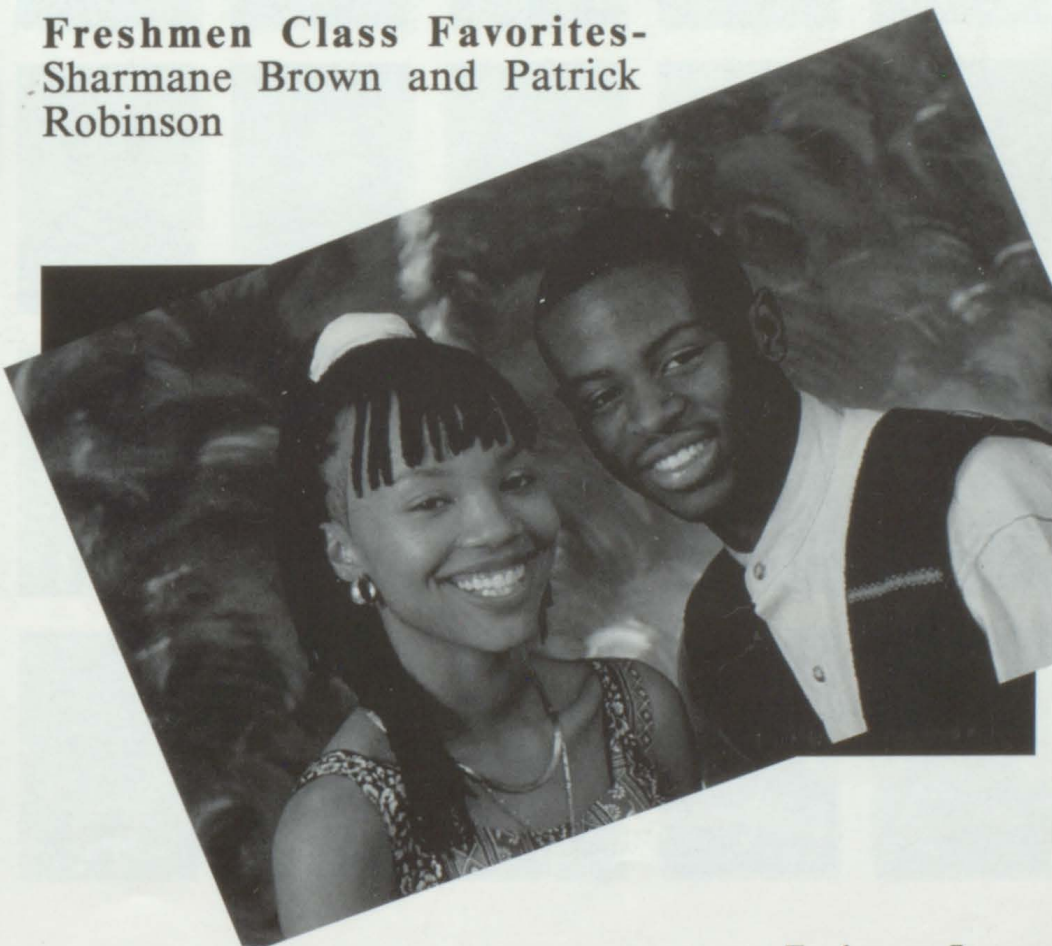

"The fine girls."

Freshmen

Our new scholars started this year with an orientation tour of the campus and ended it with an exciting and adventurous dance. All who attended were unsure of each other, but sure of the fun they were going to have.

(top): Andy Russell gives the freshmen a tour. (left): Where did he go, where did he go? (right): Cecially Ryman and Julie Marceaux spread the school spirit.

Mrs. McClanahan takes roll in one of her math classes.

Mr. Gilzow looks in on a class.

We're New at the High School!!!

Annette Farley teaches Spanish. She received a B.A. in History and Spanish from the University of Texas at Austin. She has taught in El Campo, San Marcos, Beeville, Vanderbilt, and Louise. Mrs. Farley's hometown is Wharton; her husband is a math teacher/coach and her two older sons are in college.

Richard Hielkema is the assistant band director. This is his first job. He graduated from Grants High School and then went to Adams State College. His mom was a teacher and she really enjoyed her work so he decided to do the same. His parents really inspired him. His mom and dad live in Grants, New Mexico, his older brother lives in Albuquerque and his sister lives in Ft. Worth.

Barry Gipson is an English teacher. He received his B.A. in English and Journalism from Stephen F. Austin University. His hometown is Houston, Texas. Mr. Gipson's hobbies and interests are hunting and dogs.

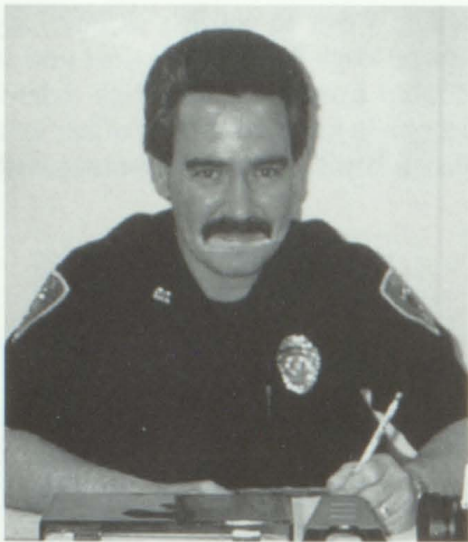

Dianne Farrer is the new computer teacher. Prior to coming to Bay City High School in 1994 she taught at Tidehaven High School for a year and at Bay City Junior High School. She graduated from Angleton High School and Baylor University. She decided to become a teacher because of her love for other people and her desire to help them. Her mother is the person who has most inspired her actions.

Kaye Orr, a new counselor at Bay City High School, holds a Bachelor of Science degree in Mathematics from Southwest Texas State University and a Masters degree in Education from Houston Baptist University and is a Licensed Professional Counselor. She has taught math in Bay City and San Marcos and has been a counselor in West Columbia. Her husband Robin D. Orr is an attorney in Bay City.

Frank Baker, a new physical science teacher, has a BS in Biology from Rhodes College and a Masters degree from the University of Memphis. He came to BCHS from Haywood High School in Brownsville, Tennessee. His hometown is Tupelo, Mississippi where his father is a dentist. His grandmother has been an especially dear person to him over the years.

James Mitchell is the new director of the BCISD Police Department, which is based here at Bay City High School. Mr. Mitchell is a native of Bay City and a 1978 graduate of Bay City High School. He received his Police certification from Wharton County Junior College and then served three years with the Bay City Police Department as a patrol officer and nine and a half years with the Matagorda County Sheriff's department. He comes to his BCISD position from that of Sgt. Investigator in the Sheriff's Department.

Lee Ann McGonagle is the new assistant principal at Bay City High School. She holds both Bachelor and Masters degrees from Sam Houston State University. She was born in Pampa, Texas. She moved to Bay City at a young age. She enjoys reading and spending time with her sons. Her personal goal is to be a school principal.

Alexander Jerry Simko teaches Chemistry I and II. He received his B.S. in Biology from Geneva College and a M.S. in Chemistry from Trinity University. He retired from the petrochemical industry before becoming a teacher. He lives in Louise, Texas.

Erin Patitucci graduated from Wharton High School. She received a Bachelor of Art degree from the University of Houston, Victoria. Her greatest accomplishment was graduating Magna Cumme Laude from UH Victoria. She decided to become a teacher because she had teachers and principals that helped her to develop and grow as a person and that's something she wants to pass on. Her parents live in East Bernard and her brother Michael is earning a business degree from Southwest Texas. The rest of her family lives in California.

Jenny Rogers, choir director, is new to BCHS. This is her first job. She graduated form Mansfield High School and then went to Howard Payne University in Brownwood, Texas. She is very proud that she graduated from college before all of her friends. She decided to become a teacher because she enjoys working with kids, especially high school age. She was inspired by her college piano professor, Dr. Elizabeth Wallace. Her parents live in Mansfield, TX.

New to the Bay City High School's principal office this year is Rick Bowles. He graduated from Terrell High School. He holds a bachelors degree form the University of Texas and a masters degree from the University of Houston, Victoria. He comes to us from Bay City Junior High where he was Principal. Now that he is a High School Principal he wants to improve morale and discipline. He has been married twenty four years to Susan Bowles and they have four sons named Rickie, Randy, Matt, and Mark.

Lynn Huber is the Adaptive Behavior Teacher. She received an associate degree in psychology from Orange Coast College, BA in Social Ecology and teaching credential in Secondary Education/Social Science from the University of California, Irvine. She comes to Bay City from Houston, Texas. Her hobbies and interests are genealogical research, cooking, gardening, writing, theater, water sports, riding and western history.

Jeff Wayne Miller is the new health teacher and coach. He has a BS in physical education from Prairie View A&M and teacher certification from Texas Southern. He has also attended the University of Nebraska and University of Southwestern Louisiana. His hometown is Olton, Texas and he comes to BCHS from Thornton Junior High in Cy-Fair, TX.

This has been one of the most exciting years for the B.C.H.S. Art Club. "It's a blast," says president Avery Campbell. This year they have sponsored needy children from the D.A.R.E Christmas tree. They sold tons of fundraiser candy for the project, and with the extra money the Art Club went to the Texas Renaissance Festival. They held their Christmas banquet in December and will take a trip to a San Antonio Art Museum this spring.

They will also paint fire-hydrants for the Matagorda County People React Program and make a giant easter basket for D.A.R.E. It is definitely a busy, fun-filled year.

Bonjour! The 1994-95 school year was an exciting year for the members of the French Club. We got the year off to a tremendous start with a very successful candy sale. Then, in November, we linked arms with the Art Club for a stroll into the Middle Ages at the Texas Renaissance Festival. Several of our members enjoyed the past so much that they took a trip to Victorian times by visiting Dickens on the Strand in Galveston. For a second year we have joined with the Dungeoneers to hold a concession stand at their annual Speech & Drama festival. We then celebrated the holidays with our Christmas banquet at Houston's fabulous Hotel Sofitel. Then in the Spring the French Club and the Art Club joined for a trip to beautiful and historic San Antonio.

The Spanish Club of Bay City High School is representative of the Hispanic culture and diversity of our school population. As a club, we try to express our ethnic pride and our schoolpride with varied activities on and off campus. We encourage all students to join, even if Spanish is not on their schedule.

With films, speakers, routines, games, etc., we try to learn more about the wonderful contributions of our Hispanic ancestors.

Some of the activities in which we involve ourselves are: Market Days, food and toy drives for the Crisis Center, Christmas caroling for the aged at a local nursing facility, making Valentine cards for the Houston Veterans Hospital, sponsoring an Easter Egg Hunt for the BCHS Life Skills students, and teacher appreciation on Valentine's Day. We also engage in a major fundraising activity — a candy sale; a Veteran's Day Program, and Cinco de Mayo festivities.

Throughout the year we try to attend cultural events in Houston. Also, at the end of the year, we take a trip to San Antonio to partake of its rich culture/history. The club will also make donations as they are needed towards purchasing learning materials for the Spanish classes and club.

We are a lively and proud group!

The chess club is open to all level students. The purpose of the chess club is to promote the enjoyment of the game and to compete with students of other schools. The chess club meets weekly at the service center from 5:00-7:00. The club has fundraisers to help meet the expenses of the state tournament which is the main event of the year. Anyone interested in the game is welcome to attend meetings and participate in the tournaments.

The Bay City High School Student Council has been very busy this year and its membership has tripled. The sponsors this year are Renee Popp and Debbie Sullivan.

Some of the clubs activities throughout the year are Freshman Orientation, Teacher Appreciation parties, the Veteran's Day Program and the popular morning donuts. Student Council also has many fundraisers to help fund these activities: car washes, Halloween "Spook-a-Grams", and Valentine "Kiss-a-Grams".

This year Student Council also challenged all clubs and organizations on campus to participate in the 30 Hour Famine Project that would help raise money to feed millions of starving children all over the world.

The Bay City High School Ecology Club (formerly known as the "Ecomaniacs!") have dedicated much of their time and energies to promoting environmental awareness. This year the Ecology Club participated in the Market Days program selling trees, environmental T-shirts, and refreshments in an effort to earn money for their Spring "Earth Day Week" program. They even dedicated an afternoon of their time to plant one of the trees for the local Girl Scouts Troop and gathering school paper to recycle. Way to go Guys! Keep It Green!

The "Rivercats"

The Rivercats represent a group of students at BCHS who are, for the most part, currently taking upper level science courses and are interested in the ecosystems of the Colorado River Watershed. These students, about 60 in number each year, take part of their weekends and after school time to monitor and report the water quality of our end of the river. They are working in conjunction with the LCRA to establish a network of 13 schools up and down the river, from Lampasas to Selkirk Island.

Mrs. Cornman, Mr. Hudson, or Mr. Simko accompanies a group of the students to Dr. Ely's pier at Selkirk each weekend for on-site testing. These students test for air & water temperature, pH, clarity, dissolved and suspended solids, dissolved oxygen, orthophosphates, nitrates, chlorides, and fecal coliform bacteria. The program has been going on for five years in Bay City, one of the pilot schools for the Austin-based Riverwatch Network. It has been giving the students practical applications for the skills they learn in science class; as well as keeping an eye on the current conditions of the river.

Twice a year, Mrs. Frankson's Marine Science class goes to Matagorda Beach to receive "hands on" learning about the marine environment. They test the water for salinity, oxygen and carbon dioxide levels, pollutants, pH, temperature, turbidity, and density. They gather sediment samples to analyze the beach for mineral content, particle size and shape. They plot the profile of the beach to compare with past years. A survey of the litter and debris on the beach is taken; and finally, the students collect organisms by seining, digging, and snooping on the jetties. Following the trip, more labs are conducted and a field trip report is written by the students.

Sebastian Harlfiger from Olpe, Germany

I was born on February 28, 1978, in Olpe, Germany. I'm staying with Rick and Jenny Baker and their nine year old son Nicholas. They are a very nice family. They live in McDonald Meadows. I am enjoying myself very much. My parents are Dr. Christoph and Barbara Harlfiger. I have an older brother who is eighteen and two younger sisters that are six and fourteen. My hometown is Bad Hersfeld. I went to the "Modellschule Obersberg" in Bad Hersfeld. We have about 800 pupils and it is a big modern school. I am practicing with the basketball team. In my free time I like playing basketball. I also enjoy reading and listening to 80's music. In Germany, I was in the Scouts but in the USA I haven't found a group yet. And last, I like taking part in church activities.

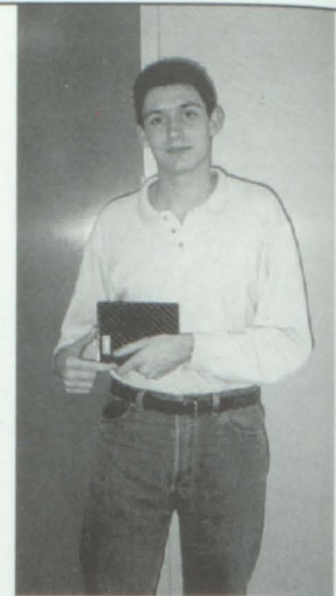

Sincerely,
Sebastian Harlfiger

Hi, my name is Ana Louise Beltrao. I was born in Sao Paulo, Brazil on October 18, 1978. In my country I live with my mom, father, brothers, and sister. Both of my parents are doctors and my sister is in the medical college. My brother is coming to America to be an exchange student for three months. They are the most important people in my life. We are a really close family.

About my host family, I just have to thank them because they are so great. They help me so much with all of my problems. My mom is my mom, my sister, and my best friend.

The schools in Brazil are very difficult. There are private schools and they are really hard. In Brazil the schools are over at noon.

I am in the Ecology Club and Girls Interact. I really enjoy this and I want to thank these clubs.

I love to learn different languages, play the piano, and play all kinds of sports. I also love Reggae music.

I want to thank all of my friends for all their help. Thank you for your attention. I will never forget my experience.

Bay City High School held its annual Veteran's Day Program on November 11, 1994. This tribute to our veterans was presented by the BCHS Student Council and campus organizations.

HONORED

Veterans of past wars attended the assembly. Also attending were BCHS seniors-Tim Rhoades, Bryan Kieler, Audaz Molina, and Brad Kistler, who are in the Army National Guard.

Uncovering the Past

Chronologists Barry Foster, Louis Brent, and Hillary Reynolds taking measurements on how deep the artifacts were.

Tour guides La Shauna Amboree and Elizabeth Thornton show a group of elementary students just how an excavation project is accomplished.

Ronnie Maldonado, Freddy Murphy, and Melanie Ledwig, excavation artists, are busy drawing each artifact.

Lab analysts, Beverly Bierman, Aretha Williams, Corey Williams, Tayia Revis, and Alicia Garcia, are measuring and weighing each artifact.

Many students participated in the ninth-grade World History excavation project. Everyone in each class was assigned an important job and each person contributed greatly. The point of our project was to dig up as many artifacts as we could and to find out more about the past of the presumed city of BACITY. Each artifact that was dug up was measured in terms of depth by the chronologist. A field worker was then called to clean the artifact and decide its value. Next, the artifact was delivered to the lab analysts and was measured and weighed. Then the artifact was sent to the preliminary analysts, who observed the item and recorded any data. The preliminary analysts delivered the artifact to the artists of our excavation. They drew the artifact from all angles. The reconstructive analysts then decided if it could be pieced together with another artifact and identified it. Our project was a huge success and each of the classes experienced what it was like to DIG INTO THE PAST!

Music to Your Ears

The Blackcat Singers have had a great year under the direction of SandyJo Collins and Jenny Rogers. Officers this year include Brooke Saucier, President, Jana Hurt, Vice President, Lorena Gonzales, Secretary, Addie Nauman, Treasurer, Jennifer Wauson and Kim Guzman, Historians. Section Leaders are Holly Sherrer, Soprano, Johnny Garcia, Baritone, and Deidre Stacy, Alto.

The Blackcat Singers have had the opportunity to perform in public many times this year. They sang the "Star-Spangled Banner" at the home football games as well as the Veteran's Day program.

Kara Rowland and Jennifer Wauson were selected as the 1994-95 District Choir members. Both Choir members advanced to Region and sang with the 1994-95 Region Choir. Jennifer was promoted to Area, which provided her with the chance to try out for the 1994-95 All-State Choir.

The concerts performed by the Blackcat singers were a rousing success. The Christmas Concert was decorated beautifully with poinsettias purchased for fundraising purposes in "honor of" or "in memory" of a loved one. This decoration only enhanced the music, for such songs as "Have Yourself a Merry Little Christmas" and "The Christmas Song" were performed. The Third Annual Dessert Concert, another fundraising event, was on February 17th and people were given desserts while listening to the choir. The theme this year was "Isn't it Romantic" and people were able to dedicate love songs to their loved ones.

All the fundraising done this year went towards a trip to Fiesta Texas, San Antonio, where the Blackcat Singers competed with other schools.

The Blackcat Singers are extremely grateful for all of SandyJo Collins and Susan Williams-Parish's help. They were imperative to the success of the Blackcat Singers this year. Jenny Rogers, a new teacher for the second semester, has also had an influence on the Choir. The Blackcat Singers would also like to thank those students not in the class that come to extra rehearsal in order to perform in the concert.

The Blackcat Singers have had a fun-filled and exciting year with hopes for many more. Thanks for all your support!

This year the National Honor Society decided to try a different school service project. On November 21, 1994, we planted a flowerbed in front of the school. A few weekends later, the teachers received a treat. Members of the club gave teachers the opportunity to receive a free carwash and BOY did they take that opportunity. We had vans, vans, and more VANS! Our community project for the first semester included feeding a family and donating toys to the K.I.D.S. Overall, it has proved to be a successful year.

BCHS Students Lend a Helping Hand

Keywanettes and other BCHS students lent a helping hand during the blood drive in January. All the blood went to benefit the Gulf Coast Regional Blood Center. The goal for the day was to collect 68 units of blood. Fortunately, thanks to all the generous people of Bay City, 78 units were collected.

Here we are, right at the crucial moment—the STICK! Ouch!!

D.A.R.E.

to say NO!

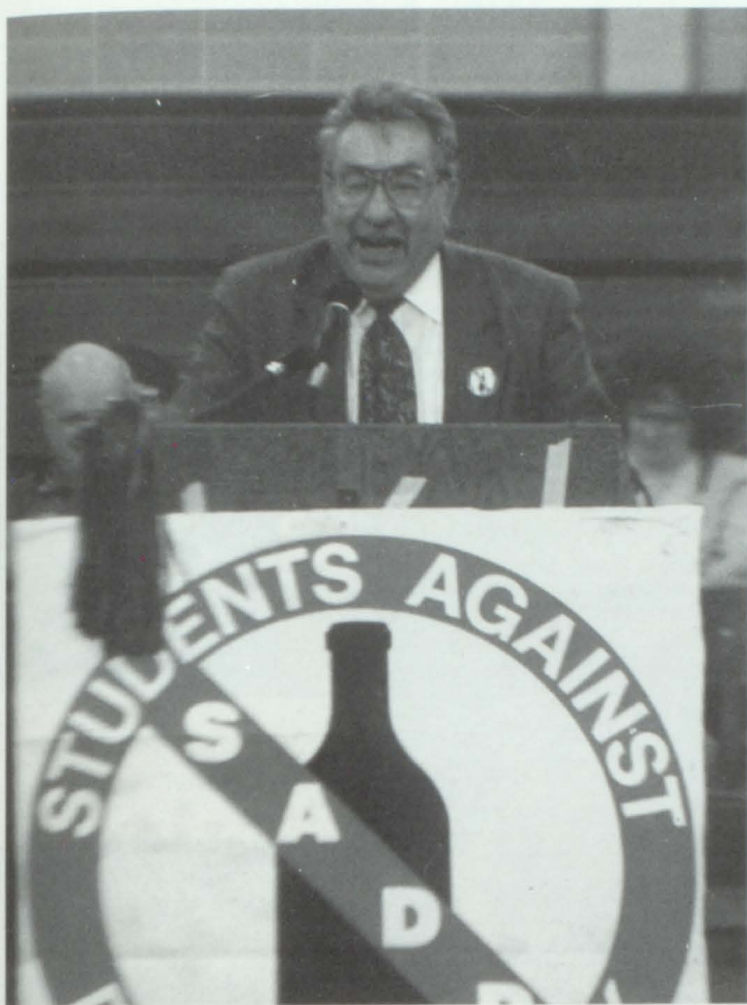

The D.A.R.E. pep rally was a complete success enjoyed by all who attended, especially the fifth graders from the three local elementary schools. There were performances by the B.C.J.H. and McAllister K.A.T.S. clubs (Kids Against Taking Substances). The high school drill team, band, and varsity cheerleaders also entertained. Mayor Charles Martinez, BCISD Superintendent Richard Walton and Bay City Police Chief Mike Baker were just a few of the honored guests. Selected S.A.D.D. members spoke and encouraged the children to stay drug free throughout their school careers.

As Captain of the Aristocats, I have been blessed with discipline, leadership abilities, and most importantly, many great friendships with each and everyone on the team. The members of the 1994-95 Aristocats are the brightest, most talented girls anyone could ever have the experience to work with. This year we took our award winning dance team to almost all school functions such as pep rallies, football games, parades, and assemblies. I know that in the future, the Aristocats will follow the standards that we have set in 94-95.

On Broadway

The Bay City High School Band has been one of the hardest working organizations at the school. The hard work started back in summer band. Two weeks before school started, squad leaders, and Drum Majors began to teach marching fundamentals and music for the first show, "Tin Pan Alley." The band started to become stronger as each week went by, and soon their first halftime show was here. They received an over-whelming standing ovation.

The time came when they all had to buckle down and work extremely hard for the new contest show. It's theme was Broadway. Weeks passed as the Drum Majors got dazzling uniforms, and soloists practiced for hours each day. Sectionals were soon held, and inspirational lectures and speeches were given by Band President Lance Richards. Chaouson Nailor and Melissa Powell spent days tensioning the scores and practicing salutes.

Finally, the day came when they reached Victoria. Tension soon built as they marched to the field after a warmup. Soon the show started and the band began to express showmanship and musicality. It was the best they had ever done. The judges finished with 4A bands and began to call scores over the loudspeaker. Everyone was silent as the judge exclaimed, "Bay City. . .One!" It was the most exciting moment. All the hard work paid off.

Then the invitation to play in Washington D.C. The invitation was sent at the beginning of the year because they were known for their great accomplishments. They soon began to get ready for Washington D.C.

The year certainly wasn't over then. They continued to work and study. They know that it continues to pay off. The next time you hear about one of their accomplishments, congratulate them for all their hard, strenuous work.

With the loss of such "football legends" as Richard Walton, Travis Wilson, and Jarvis Edison, many people doubted that the Bay City Blackcats would make it very far this year. But our guys came out strong, kept going, and proved 'em wrong. We started out by stomping Waller in our first game, then we moved full speed ahead stomping over such teams as Brazosport, Stroman, and Calhoun and we didn't stop until colliding with La Marque. Through homecoming and even the nail-biting El Campo game, our guys held on and gave us a winning season, walking away with Co-Bi-District champs title. Many of our players were also named to the District 23-4A All-Star team.

Darrin Wiens hopes his ball is going toward the hole.

Kris Kalk concentrates on making a good shot.

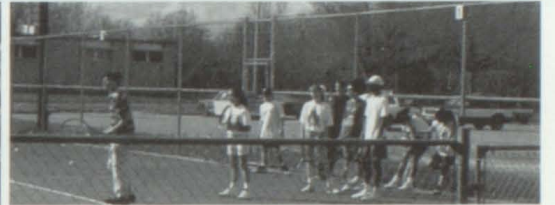

Derin Schneider sure does wish he had a caddy.

Daniel Greaud follows through on his shot.

Brandt Kieschnick gets caught in a tough spot.

Shareth
Ellisor

Congratulations Shareth!! You're almost there-keep up the good work!! We love you soooo much. Thanks to God for blessing us with such a precious gift-you! Remember to walk in the spirit love, joy, peace, self-control, . . . and God has not given you a spirit of fear . . . and we are always here for you!

Love,
Mom, Dad, and John

Sandra
Gonzales

Congratulations Sandra,

We are so very proud of you. We wish you the best of luck and happiness in the future. May God bless and guide you in whatever you decide to study. Confide in us more than you would a friend, and as a friend. We will always be there for you.

Our love always,
Mom, Dad, and Tom

Brooke
Saucier

Brooke,

You have always been beautiful-on the outside where it shows and on the inside where it counts!

Love,
Mom and Dad

Brandi
Hoggatt

Brandi,

I'm very proud of you! You made it! I knew you could do it! Miranda says, "Way to go mom!" Now on to bigger and brighter things. You have a bright future ahead with your family behind you all the way. We are very proud of you!

Love,
Mom, Wendi, Mendi, P.J. and Miranda

Stephanie
Graham

Dear Stephanie,

Congratulations! We are very proud of you. Our precious little girl has grown into a beautiful young lady. Go after your dreams and may they all come true.

Love,
Dad, Mom, and Heather

Colophon

The 1994-95 Blackcat was published by Taylor Publishing Company in El Paso. Our local representative, Greg Wildman, assisted.

The theme is "Things Will Never Be The Same Again". The cover is a silk screen color of Sapphire Korigan blue with gold. The paper is eighty pound enamel with a Smyth binding. All body type is set in Times Roman; the Senior section was set in Chancery. Delmar Studios took all individual student pictures while the Favorites pictures were taken by Ultra Photo.

The yearbook staff wishes to express their appreciation to those who advertised in our 1994-95 book. The staff would like to congratulate the Senior Class of 1995 and wishes them the best of luck in the future.
