Austin Davis said the best part about football was hitting everyone. He then said that the worst part is practice. When asked who his favorite football player was, he replied with Emmitt Smith.

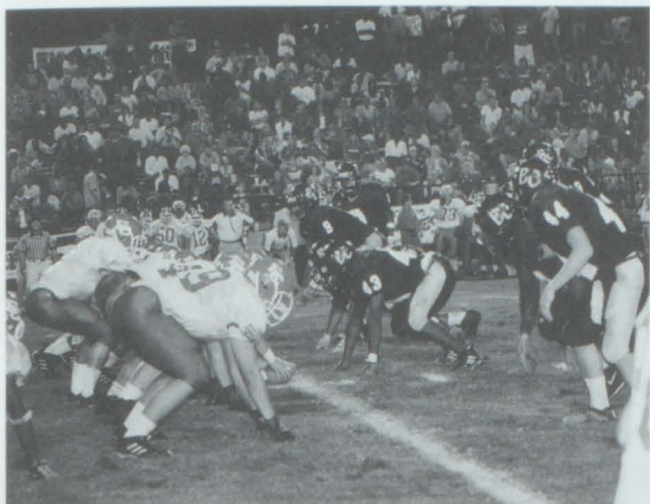

Steven Gorman learned through playing football that a team is only as strong as it's weakest player. His favorite football players are Brian Urlacher and Mike Alstott.

Terrence Flagg said his personal goal for this football season was to be named MVP, and his favorite football player is Ray Lewis.

This survey taken by our very own Blackcat football team shows that they've got brains as well as a massive load of brawn. They were asked to define the crazy word **RECUMBENTIBUS**. Here's how they answered.

Austin Davis's definition:

Hyperextending your big toe.

Terrance Flagg's definition:

To hit somebody again after the play.

To have a winning season repeat.

Its what happens in the locker room after you loose a game.

Mrs. Cornman's 4th period biology class is prepared to take their 1st lab of the year experimenting with chemicals. There were 10 basic substances to test: milk, salad dressing, potato chips, banana, eggs, sprite, the control, NGR, Glucose, ham, and corn starch. Each of the students got to test at least one of these substances to see if it formed a layer or bubbles on the meniscus, and /or changed color. There were at least three tests to take: The lipid, carbohydrate, and protein test. This was the most fascinating lab that Mrs. Cornman had to share with her class.

Directly Below: Uh-oh! Let's see them get down on a new pep-rally dance or maybe they aren't in the mood.

Bottom Left: Awwwww... as homecoming goes on the Aristocats look so concentrated on the game.

Below: **Brittany Farrar** teaches the rest of the girls the halftime high kick performance for homecoming. Practice makes perfect!

Above: As Bay City kicks off, the Aristocats cheer the team on while shaking their silver sparkly pom-poms. They show much enthusiasm and excitement hoping that Bay City will score and win the game.

Why is it that you go to a high school football game? Is it to see our Bay City Black Cat Varsity Football players beat the other team? Is it to see the amazing halftime performance by the Aristocats? Or is it both?

Well, Bay City is well known for those questions. On September 6th we played West Orange Stark at the Astrodome. The Aristocats put on an amazing halftime performance to "Think". The Aristocats had a different perspective this time with their slamming black outfit and their rainbow pom-poms. Another amazing game event is Homecoming. On September 26th, Bay City played Forest Brook. The football players had the Bay City crowd all wild because we were on the verge of losing, but luckily it came close to half time with the score at 30-6. The Aristocats get pumped up and dance the all time favorite kick dance to the "Horse". With their amazing high kicks, major sharpness, awesome smiles, and tremendous leaps they had the Bay City crowd going wild with excitement.

Far left: **Melissa Howard, Sarah Davis, Jordan Walker, and Rachel Rogers** begin the "Horse".

Left: **Laura Gellner, Kapetrich Wallace, and Cpt. Ginny Powell** prepare for fan kicks.

Directly Below: Man! How can they all have such high kicks?!
Bottom Left: How can they be so proper, easily aligned, and smile so confidently? It must be an Aristocat thing.

Remember the joys that today brings you and celebrate,
A memory before to which you looked forward,
The hard work now behind; you must feel great!
And be happy Graduation is YOUR reward.

Remember the process to achieve the success of today,
It took a mother who kept your heart always looking upward,
She was there and loved you through it all in every way,
And be grateful Graduation is HER reward.

Remember the moments of counsel and fatherly advice
From a Dad who taught you to look to your soul inward,
To find the extra strength to go on and when to sacrifice,
And be proud Graduation is HIS reward.

Remember the team that supports and sticks by you,
Sisters that shared an encouraging word,
Your family; the foundation upon whose wings you flew,
And always be aware Graduation is THEIR reward

Remember the source of that diploma that you are given,
Is a symbol not just an award,
Turn your thoughts at that moment to heaven,
And Be thankful Graduation in GOD'S reward....

COLOPHON

The 90th volume of the Blackcat was published in Dallas by Taylor Publishing Company. The 232 pages were printed on 80 pound enamel paper using Whimsey Heavy, Helvetica, Opus and Shabby fonts. The 4-color lithocote cover is white, with blue and yellow lettering. Twenty-one staff members published this Blackcat using Elite Vision and developed the theme "Expect the Unexpected". The majority of the photographs were taken by staff photographers. Individual student photographs were taken by O'Neal Studios of Corpus Christi and the favorite pictures were taken by Ultra Photo in Bay City. Special thanks to Justin Daily for providing some of the sports pictures. Taylor Publishing Company's advisor to the staff was Ryan Almon and our Account Executive in El Paso was Liz Hernandez. We would like to thank both of them for their help.

A POLICY STATEMENT

The Blackcat student yearbook at Bay City High School, attempts to cover the people and events of the school community as fairly, impartially, and accurately as possible. It provides a history in pictures and copy of a particular year. Through the emphasis on the skills of writing, design, photography and business, it offers an educational opportunity for staff members who must learn to accept responsibility and assume leadership roles. It serves as a form of public relations for the school and community.

The editors and staff members reserve the right to select content and determine priorities in both photographs and written material. They never knowingly libel, invade the privacy of, deny the rights of, or ridicule or mock an individual or group. Good taste, common sense, school and community standards, and ethics of responsible journalism are observed.

The yearbook focuses on school news and personalities. Community, state, national, and international events are covered as they relate to students and the school and contribute to a complete picture of a school year. Student activities and groups not sponsored by the school are not covered on a regular basis.
