"Everything is going so wrong that you could just punch a baby." - Cathy Grantham

"You're on your way home from a softball tourney, at 12:30 at night, and you hit a cow while going 60 mph." - Kayla Guanajuato

"You're coming up to the net for a drop shot, you can't hit the brakes in time, and you flip over the net and almost give yourself a concussion on the hard court." - Courtney Gann

"You've made a bet that the Packers would beat the Cowboys, then they don't, and you now have to shave your head." - Julio Gonzalez

"You're fielding softballs, like you've done a million times, and out of nowhere, an easy grounder hits the grassline and shoots up and breaks your nose." - Jordan Ross

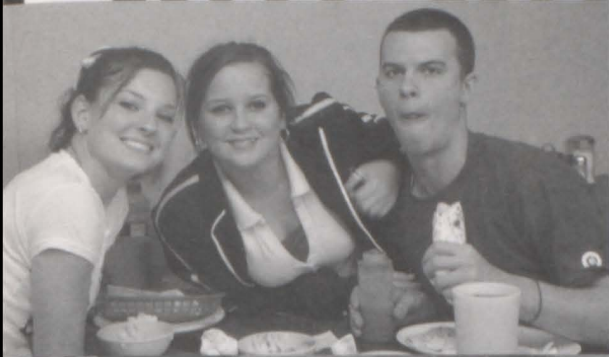

"You're stranded with two other girls in Lake Jackson, a mile away from the prison with a flat tire. Cars are passing at 65 mph and there is no one to come help you. Amy is screaming in terror. Varsity Football Captain, Basketball Captain

Shaun,

*Words cannot express this love and joy we are feeling today, not just because of your many accomplishments, but because of the wonderful person you have become and are destined to be. We commend you for the diligence, persistence, and determination you exhibit in all aspects of your life. We are very proud of your academic and athletic accomplishments and trust that as you pursue your dreams and goals, you will continue to bless and enrich the lives of those around you.*

*Congratulations! May you always know in your heart that you are treasured by your family and by God. As you embark, upon a new phase of your life and the many situations you will face, remember the key to your success and blessings will be to - "Trust in the LORD with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your paths..." # The 08' Soccer Senior Girls

The one thing I will never forget was my first goal in stead of jumping and running around with excitement I stayed in that one spot and busted out with tears of joy knowing that all my hard work paid off.

Angelica De Leon # 20

From our time on Freedom to these past 4 years as a ladycat, I truly appreciate how much we have grown + how close we have become, I shall remember everyone always.

Amena Collins #21

The thing I'll remember most is when we beat Lamar 3-2 in the last 8 seconds for the first time and bus rides home with Heather, Regina, and Boots being scared for my life.

Celeste Grebe #2

My favorite memory is when the Freedom went to state & all of the elevator races, Celeste's crush with the guy in the presidential suit, & getting 3rd in state.

Christina Boren #6

There are too many "favorite" #10 memories to list them all. The one thing I'll always remember is our team saying junior year, "together", because playing together for four years has made us more than a team, but a family. It would not have been the same without Coach and his kids. It's been a wonderful experience. And... BEADS! "its the snow" and ofcourse senior year when the thippi sisters [with headbands from mvelskin] originated

Amy Powell #10

One of my favorite things in soccer is that we are all like sisters we have a strong bond, and how we hangout. Practice gets fun when we joke around & slide in the mud on rainy days im going to miss it all!

Abalina Garay #14

One of my favorite thing about soccer was the time before games in the blackcat room. It was so fun watching film from good games + making the Smeagal. It was also funny to watch everyone fall in film.

Kristen Brooks #25

My favorite high school memory is from 05' when we drove to los Cucos with the senior's and on the way back while listening to "some cut" I thought the beginning was violins HAHA. I still haven't lived it down. ☺  
08' Rocks

♥ Boots  
Siera Bentley #7

Playing soccer over the yrs. has brought so many memories. I loved staying at hotels with the team, and the bond we all built. I love the feeling of winning or losing with each other. I will always remember the 05' seniors, 06' seniors, and 07' seniors and all they taught us. I'll miss "it was the snow," and even being called Tiddy. Love y'all always!
